Prima raccolta completa della giurisprudenza sul Codice civile ... disposta sistematicamente articolo per articolo coll' aggiunta della bibliografia Italy, 1913

TLS, the Times Literary Supplement, 1986

From Rodin to Giacometti, 2021-09-06 This book is a collection of papers delivered at an international conference in September 1996 at the Scottish National Gallery of Modern Art during a major Giacometti retrospective The contributors are leading curators art historians and literature specialists While the relationship between nineteenth and twentieth century painters and writers has been the subject of intense interest in recent years the parallel relationship between sculptors and writers has been largely neglected These essays seek to redress the balance by looking at a variety of ways in which the conventional barriers between writing and sculpting were broken down by such pioneering figures as Rodin Degas Bourdelle Val ry Apollinaire Reverdy Breton Bataille Arp Picasso and Giacometti Among the topics discussed are the many personal and professional contacts dual artistic talent Ecrits d artistes ekphrasis sculpture as object the sculptorly representation of the poet the poetic representation of the sculptor sculpture as metaphor proprioception and mental images Fully illustrated throughout this book offers new perspectives on familiar masterpieces like Rodin s Gates of Hell but also opens up less well known subjects like Val ry s sculpture and Breton s Object Poems Above all it makes a provocative and original contribution to Word and Image studies

Alberto Giacometti Alberto Giacometti, Reinhold Hohl, 1972

Alberto Giacometti Alberto Giacometti, 1955

Alberto Giacometti, 1958

Alberto Giacometti Emilie Bouvard, 2022-02-08 A comprehensive survey of the work of the legendary Swiss artist this book illustrates and examines

more than 100 of his sculptures paintings drawings and prints This lavishly illustrated retrospective traces the early and midcareer development of the preeminent Swiss artist Alberto Giacometti 1901 1966 examining the emergence of his distinct figural style through works including a series of walking men elongated standing women and numerous busts Rare paintings and drawings from his formative period show the significance of landscape in Giacometti's work while also revealing the influence of the postimpressionist painters that surrounded his father the artist Giovanni Giacometti Other areas of inquiry on which Alberto Giacometti casts new light are his studio practice amply illustrated with photographs his obsessive focus on depicting the human head his collaborations with poets and writers and his development of the walking man sculpture thanks to numerous drawings many of which have never been shown Original essays by modern art and Giacometti specialists shed new light on era-defining sculptural masterpieces including the Walking Man the Nose and the Chariot or on key aspects of his work such as the significance of surrealism his drawing practice or the question of space

Alberto Giacometti Alberto Giacometti, 2010 Space does not exist the Swiss sculptor Alberto Giacometti 1901 1966 wrote in 1949 It has to be created Every sculpture made on the assumption that space exists is wrong there is only the illusion of space This fascinating statement serves as a conceptual underpinning for Hatje Cantz's new appraisal of the artist's mature work Giacometti's emaciated sculptures have long been seen as symbols of a newly anxious frail humanity But more recently attention has come to focus on the relevance of his work for contemporary considerations of space and time Alberto Giacometti The Origin of Space supplies a comprehensive overview of the later works of this lastingly influential artist presenting 200 color images of sculptures paintings and drawings

Alberto Giacometti: Sculpture, Painting, Drawing Alberto Giacometti, Reinhold Hohl, 1972

Line and Sculpture in Dialogue Kasser Mochary Foundation, 2011 Line is an essential element in twentieth century sculpture and among the first to creatively explore the interpretation of figure through a single line was Auguste Rodin whose 1893 bronzework *L'ternelle Idole* is among the modernist masterpieces in the first rate art collection of Elizabeth and Alexander Kasser Line and Sculpture in Dialogue reproduces more than fifty works of art held by the Kasser Mochary Family Foundation among them Rodin's *L'ternelle Idole* and works by Paul Cézanne Marc Chagall Pablo Picasso Edgar Degas Henri Matisse Amedeo Modigliani and Alberto Giacometti Primarily sculptures and graphic art the works offer new perspectives on modernism with special consideration to the artist's fascination with line as a means of representation Together the artworks also demonstrate the shift within modernism toward abstraction Beautifully illustrated this volume offers a fascinating look at the development of new methods and styles within twentieth century sculpture

Alberto Giacometti, 2008

Mythic Giacometti James Lord, 2004-06-02 The Swiss artist Alberto Giacometti 1901 66 was arguably the greatest sculptor of the twentieth century He was also as James Lord persuasively argued in *Giacometti A Biography* a heroic figure whose vocation sustained him through a life of crippling anxiety and erotic guilt Almost twenty years after it first appeared Giacometti has attained the status of a classic one of the most candid and complete biographies of an artist in

our time In Mythic Giacometti Lord reveals the hidden blueprint of that work a daringly literal visionary interpretation of the myth of Oedipus as it affected the conduct and outcome of Giacometti s life The result is a case study both in the development of an artist and in the writing of biography Lord concentrates on the private totems of Giacometti s life family legend childhood memory illness and injury crucial sexual encounters intimations of mortality that amounted in Lord s view to signs of a tragic destiny directly linked to the central tragedy of Western literature Giacometti Raoul-Jean Moulin,Alberto Giacometti,1964 Alberto Giacometti Herbert Matter,1988 **Giacometti Smith** Pilar Ordovas,Ordovas (Gallery),2015 Alberto Giacometti Christopher Griffin,2016 **Alberto Giacometti** Christian Alandete,Jo Widoff,2021-01-14 Alberto Giacometti forged a singular path within European Modernism restlessly seeking a new language for sculpture as the double of reality His quest brought him into close face to face contact with some of the most influential intellectuals of the twentieth century including Georges Bataille Jean Genet and Samuel Beckett Tracing how these literary friendships molded the artist s creative development Alberto Giacometti Face to Face discovers new continuities among the various strains of modernist thought and develops a fresh approach to Giacometti and his work This accessible overview of Giacometti s career is illustrated by more than 150 reproductions of his sculptures and paintings as well as excerpts from the literature that shaped his ideas tracking the evolution of his work from post cubism through surrealism and into post war realism *20th Century Sculpture: Alberto Giacometti* , The Boston College Fine Arts Department highlights the Swiss sculptor Alberto Giacometti 1901 1966 as part of its Digital Archive of Art resource Images of selected sculptures by Giacometti are available **Giacometti** James Lord,1986-10-01 The work of one of the towering creative spirits of the century Alberto Giacometti s visionary sculptures and paintings from a testament to the artist s intriguing life story From modest beginnings in a Swiss village Giacometti went on to flourish in the picturesque milieu of prewar Paris and then to achieve international acclaim in the fifties and sixties Picasso Balthus Samuel Beckett Stravinsky and Sartre have parts in his story along with flamboyant art dealers whores shady drifters unscrupulous collectors poets and thieves Women were a complex yet important element of his life particularly his wife Annette and his last mistress and model Caroline as was the intimate relationship he shared with his brother Diego who was both Alberto s confidant and collaborator James Lord was personally acquainted with Giacometti and his entourage and combines firsthand experience with a unique knowledge gathered during many years of observation and research In this exceptional biography Lord unfolds the personal history of a man who managed to achieve a heroic destiny by remaining utterly true to himself and to his calling Giacometti A Biography was nominated for the National Book Critics Circle Award James Lord has subsequently published three volumes of memoirs In recognition of his contribution to French culture he has been made an officer of the Legion of Honour

When somebody should go to the book stores, search opening by shop, shelf by shelf, it is really problematic. This is why we provide the ebook compilations in this website. It will no question ease you to see guide **From Rodi To Giacometti Sculpture Lite** as you such as.
