From Round Table To Grail Castle:

From Round Table to Grail Castle Isabel Wyatt, 1979 Study of the different version of the stories of King Arthur based on the research of Rudolf Steiner *King Arthur and the Gods of the Round Table* David Dom, 2013-04-14 Did King Arthur really exist The oldest manuscripts refer to him as a Lord of Battle who emerged soon after the Roman Empire crumbled But what would be the origin of all these stories that turned a war leader into a king an emperor a legend even a god What if Arthur was really a deity similar to Zeus and Odin with his roots in the rich Celtic mythology of the British Isles A study of Arthurian myths reveals Britain s most legendary king as an ancient Sun God known by many different names in the myths of Wales and Ireland Even his Knights of the Round Table and his sister Morgan le Fay can all be identified as ancient Gods and Goddesses of earth sea and sky Their survival in Arthurian legend stands as a shining testament of a story far more ancient but by no means lost to us *The Beginnings of Medieval Romance* Dennis Howard Green, 2002-06-27 Publisher Description

The Arthurian Name Dictionary Christopher W. Bruce, 1999 A comprehensive encyclopedia of characters places objects and themes found in the legends of King Arthur and the Knights of the Round table. Draws from all significant source between Gildas De Excidio Britanniae written about 540 AD and Tennyson's 19th century Idylls of the King including versions from throughout Europe. The entries range from a short identifying sentence to nearly ten pages for the king himself. Each is referenced to a source which are presented in a endtable showing author and title date form and language description keywords from the entries and recent editions a vital bit of information such references usually neglect. The cross referencing is fairly good often done as a full entry identifying a name as a variant of another so the lack of an index is not a problem. Distributed in the US by Taylor and Francis Annotation copyrighted by Book News Inc Portland OR **Cinema Arthuriana** Kevin J. Harty, 2015-05-07 The legends of King Arthur have not only endured for centuries but also flourished in constant retellings and new stories built around the central themes. With the coming of motion pictures Arthur was destined to hit the screen. This edition of *Cinema Arthuriana* revised in 2002 presents 20 essays on the topic of the recurring presence of the legend in film and television from 1904 to 2001. They cover such films as *Excalibur* 1981 and *Monty Python and the Holy Grail* 1975 television productions such as *The Mists of Avalon* 2001 and French and German films about the quest for the Holy Grail and the other adventures of King Arthur and the Knights of the Round Table. **Literature and Life** Edwin Greenlaw, William Harris Elson, Christine M. of the Round Table dominates the mythology of Britain but could this story prove more fact than fiction Recent archaeological findings have led Geoffrey Ashe to believe there is more truth to Arthurian legend than previously accepted The Quest for Arthur's Britain examines the historical foundation of the Arthurian tradition and presents the remarkable results of excavations to date at Cadbury reputed site of Camelot Tintagel Glastonbury and many places known almost exclusively to Arthurian scholars The best sort of historical detective story The Economist Ideal for romantic patriots and for those with a serious interest in our national origins Cyril Dunn The Observer Chrétien Continued Matilda Tomaryn Bruckner, 2009-01-15 Chr eacute tien de Troyes's unfinished Grail story Conte du Graal generated numerous rewritings from the late 12th to the 15th centuries This book shows how closely Chr eacute tien's verse continuators used his narrative techniques to ask the questions about love chivalry religion and violence that entered Arthurian romance in the first Story of the Grail **The Round Table**, 1903 Merlin and the Discovery of Avalon in the New World Graham Phillips, 2005-10-12 The first book to present the true identity of the mythic figure Merlin Uncovers historical evidence that the legend of Merlin was based on the life of a real man Reveals that Avalon Merlin's final resting place was an island in the United States The legendary figure Merlin is known throughout the world as the wizard of Camelot who was counselor to King Arthur and helped that monarch create the Round Table Through the course of a 20 year investigation Graham Phillips has uncovered evidence that this famous story was based on the life of an actual historical figure the son of a Roman consul who became the last of the Romans to rule Britain in the fifth century A D Furthermore the evidence reveals that he died and was buried in what is now the United States According to legend Merlin ended his life on the mystical island of Avalon A 1500 year old saga tells how Merlin left Britain on a boat bound for a mysterious island to the west The places described in Merlin's voyage Phillips argues would only have been seen by someone who had journeyed to the New World For example the island where boiling fountains bubble from the ground could be the geysers of Iceland and the island with rivers of ice the glaciers of Greenland During his research Phillips discovered that a site believed to be Merlin's grave was found by the first British settlers in North America a secret location said to have been preserved in the works of William Shakespeare and the coded writings of the Freemasons Phillips follows a trail of historical clues that leads ultimately to a mysterious New England tomb Here a final encrypted message not only reveals the whereabouts of Merlin's grave but contains evidence that Merlin's descendants still survive and through a merger with the Spencer family of Princess Diana may once again ascend the British throne **A History of White Magic** Gareth Knight, 2011 Originally published London A R Mowbray 1978
