EXERCISE FOR FINDING BALANCE IN MIND AND BODY AND RELEASING SHAME

10 STEPS TO RELEASING THE ENERGY OF SHAME

This exercise is designed to help you become aware of the bodily sensations, postures, and deep-rooted memories associated with unconscious shame. By doing so, you can release it from your nervous system. For some, this exercise will be more effective than changing thoughts and behaviors, because once the energy of unconscious shame is released, its effects also dissipate.

As you follow these steps, trust your intuition to guide you. Trust that whatever comes up, is right for you. If at any time the exercise feels uncomfortable, stop and take some time to ground yourself. It is also recommended that you work with a therapist if needed.

Step 1: When you're triggered or notice shame-based thoughts and feelings, start by paying attention to your body.

- What sensations do you notice? Are there physical signs, such as tightness in your chest, throat, solar plexus, or stomach, increased heart rate, shallow breathing, etc?
- What does your posture indicate about your mood and sense of self? Are your shoulders slumped? Is your gaze lowered? Are you instinctively trying to make yourself small?

Step 2: Notice what you feel like doing and what actions you instinctively want to take when you experience shame. How does your body want you to act?

moments of panic times of confusion and other times that we feel overwhelmed and we can't sleep And if it was up to the devil he would be more than happy to medicate all of us with his fake remedies of alcohol and drugs He is an opportunist experienced in using our problems our vulnerability our wounding our pain our traumatic past experiences to get us where he wants He is good at offering temporary relief for deeper crises of the soul This is my true story of God stepping into my messy shattered and broken family life and rescuing me You see freedom according to Satan is being away from God I don't think my son had any idea of who the devil was or how cunning he could be He befriends to destroy he gives to take away As a mother of an adult struggling with addiction my life was paralyzed Every breath increased my pain of hopelessness and despair I felt afraid alone and abandoned by God God seemed distant absent silent and unconcerned I felt like running but there was no place to hide Was God punishing me Where and how did I go wrong Sharing my painful journey was not an easy step I tried at all costs to hide this painful part of my life It took years in my classroom of pain for my mind to be unshackled by the Teacher the Holy Spirit I no longer need to hide nor be ashamed of my challenges with my prodigal son Nevertheless breaking free from shame stigma and judgment is a process that took years When we only let others see the beautiful parts of our stories avoiding our broken painful chapters we mislead people and perhaps they envy us for what they falsely think are perfect lives Worse we misrepresent the power of the good news that reaches down into our broken souls hearts and lives to provide peace from our broken pieces Dear waiting praying and expecting parents of struggling children I believe God wants to usher you to your own breakthrough healing and freedom You can learn to relinquish your children to God Do not lose hope Have faith In his time he will make all things beautiful for us God wastes nothing even our pain **Psalms**

attempts to create a lasting European peace in the aftermath of the Napoleonic wars and the two world wars The book charts the 250 year cycle of violent European conflicts followed by new utopian formulations for peace The utopian illusion was that future was predictable and rules could prescribe behaviour in conflicts to come Bo Stråth examines the reiterative bicentenary cycle since 1815 where each new postwar period built on a design for a project for European unification He sets out the key historical events and the continuous struggle with nationalism linking them to legal political and economic thought Biographical sketches of the most prominent thinkers and actors provide the human element to this narrative Europe's Utopias of Peace presents a new perspective on the ideological legal economic and intellectual conditions that shaped Europe since the 19th century and presents this in a global context It challenges the conventional narrative on Europe's past as a progressive enlightenment heritage highlighting the ambiguities of the legacies that pervade the institutional structures of contemporary Europe Its long term historical perspective will be invaluable for students of contemporary Europe or modern European history **The war-songs of the Prince of peace, a devotional comm. on the Psalter, by R.M.**
