From Simon To Peter:

From Simon to Peter George Neilly, 2020-09-09 What Jesus did for an ordinary man the rise and rise of Simon Peter
A Fragile Stone Michael Card, 2009-08-20 A Fragile Stone explores the dynamic life of the apostle Peter revisiting well known passages and revealing unexpected insights Author Michael Card sketches out Peter's life showing how the impetuous fisherman of the Gospels was transformed into the pivotal leader of the early church **Simon Peter** Carsten Peter Thiede, 1988 **Simon Peter** Charles Seymour Robinson, 1889 Simon, Who Is Called Peter Mackenzie Mulligan, 2014-04-10 When we read the Bible as a parable as a series of object lessons told merely to prove a point we miss something When we treat the people within the Bible as mere characters in a story we lose something incredibly important Object lessons are clean and simple People on the other hand are messy and complicated When we look at the life of Simon Peter we see one of the messiest people in the entire New Testament Peter walked on water and sank into the waves He proclaimed who Jesus was and completely missed the point He pledged his undying devotion to Christ and even drew a sword in defense of his Lord and then he abandoned Jesus and denied him three times Peter is also the rock on which Christ would build his church the same church of which Paul says we are a part So come Walk with Peter Fish with him Follow a strange rabbi though it might cost you everything Walk on water though you might sink Go to Jerusalem though death awaits you Stand with Peter as God uses him to build his church and watch that church grow Simon Called Peter Mauro-Giuseppe Lepori, 2009-12-17 At every stage of my life as a man a Christian a monk an abbot I have found Saint Peter to be a companion to walk ahead of me Peter is the Gospel saint who is more us than any other closer to our own humanity yet so close to Christ Peter is the one we can always follow Dom Mauro Giuseppe Lepori Simon Peter the fisherman who was both attracted to Jesus and repelled by his own weakness who in faith walked on the water and in fear began to sink the ardent disciple who promised to die for His Lord and then moments later betrayed Him who needed to reaffirm his yes to God over and over again even unto a martyr's death Is this not a model for many of us who desire to love and trust the Lord completely yet who struggle daily to pick up our cross and follow Him Abbot Lepori's meditation on the relationship between our Lord and Saint Peter invites us to consider our own relationship with Christ As he imaginatively retells the well known stories from the Gospels he revivifies them and makes them present to us deepening our understanding of the calling we have received from Jesus and strengthening our confidence that the Lord will indeed bring to completion the work of love He has begun in us You are carried into the events narrated here and you see them with your own eyes and heart more than if you had been there from the Foreword by Cardinal Angelo Scola Patriarch of Venice **Simon Peter in Scripture and Memory** Markus Bockmuehl, 2012-11-01 After Jesus Peter is the most frequently mentioned individual both in the Gospels and in the New Testament as a whole He was the leading disciple the rock on which Jesus would build his church How can we know so little about this formative figure of the early church World renowned New Testament scholar Markus Bockmuehl introduces the

New Testament Peter by asking how first and second century sources may be understood through the prism of living memory among the disciples of the apostolic generation and the students of those disciples He argues that early Christian memory of Peter underscores his central role as a bridge building figure holding together the diversity of first century Christianity Drawing on more than a decade of research Bockmuehl applies cutting edge scholarship to the question of the history and traditions of this important but strangely elusive figure Bockmuehl provides fresh insight into the biblical witness and early Christian tradition that New Testament students and professors will value UPON THIS ROCK John Hibbert,2010-11-19 This thrilling account of the life of Simon Peter takes the reader on a journey from the beautiful tranquil setting of Lake Galilee to the debauchery and violence of ancient Rome It traces the life of the one Jesus called The Rock from his escape from a condemned cell through his years of service for Christ to his bloody execution by Emperor Nero John Hibbert has succeeded in exposing the heart and character of a man who betrayed his friend through cowardice yet recovered to make amends and become a fearless and powerful foundation for the building of the universal church You will experience the power of faith as he walks with his Lord on the stormy waves of the Galilee and weep with him in the back streets of Jerusalem You will sink with him beneath the cold waters of suicidal despair but feel the warmth of the subsequent forgiveness that he received from his Lord Read this book and you will fall in love with a man who had a flawed character like the rest of us but who rose above his weaknesses and failings to become a passionate fisher of the souls of men and the most influential name in church history **Simon Peter** Charles Seymour Robinson,2018-01-19 Excerpt from Simon Peter His Early Life and Times And thou shalt show thy son in that day saying This is done because of that which the Lord did unto me when I came forth out of Egypt exod About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Epochs in the Life of Simon Peter** A. T. Robertson,1933 Simon Peter Bill Crowder,2016-08 Sometimes the circumstances of life can feel like the onset of an earthquake when the ground beneath our feet begins to move and suddenly we are shaken This 5 lesson Bible study examines the unexpected events that rattled Simon s world Although he had strengths and successes he also struggled with inadequacies and failures Simon was shaken by distraction By Jesus rebuke By his failure to prepare By the power of Christ But through all of Simon s seismic shifts God transformed him into Peter a stable and consistent rock Offering hope for victory over failure Simon Peter points you toward God s unfailing grace and mercy Discover how you can find stability in God grow in your faith and live boldly for the Lord in spite of the earthquake moments of life **Simon Peter Leader**

as His Successor in John 21:15-19 Roger David Aus,2013-02-07 This study uses early Jewish sources to analyze the significance of Day of Atonement and High Priest imagery in the narrative of Simon Peter s threefold denial of Jesus It then describes the influence of other early Jewish sources on Jesus commissioning his main disciple Simon Peter as his own successor in John 21 15 19 Aus relates this event to Moses commissioning his main disciple Joshua as his successor

From Simon to Peter J. Glyn Owen,1985 The story of the transformation of an obscure Galilean fisherman into a courageous preacher and leader of the early church is a remarkable one a story made all the more remarkable because Simon Peter is someone with whom we can so readily identify Impetuous and impulsive he is so human we can all see ourselves in him at some point For this very reason Christians cannot help but take courage as we see how the Lord teaches and transforms Simon It is as inspiring as it is revealing to meditate on this spiritual pilgrimage In great detail Glyn Owen follows this amazing change showing how we too can know the same transforming grace in our own lives *SIMON PETER: The Reed and the Rock* David Pawson,2013-12-01 Turning water into wine took Jesus a few minutes Changing a reed which Simon means into a rock Peter took quite a few years Which is the greater miracle transmuting nature or transforming human nature Many identify with Simon Peter s weaknesses not least his knack of opening his mouth and putting his foot in it On one occasion he even swore that he didn t know his best friend just to save his own skin Jesus taught this fisherman how to catch more fish than how to catch people He used that unruly tongue to preach the good news of his death and resurrection for the very first time netting thousands for the kingdom of God In this book David Pawson draws some unexpected lessons from Peter s failures and successes for both our individual and corporate lives as part of the Church of which Peter was the original pastor
