From Suffering To God:

God in Pain, 2010-09-01 Everyone understands human pain But many Christians have difficulty comprehending God's pain especially God's pain in the death of Christ Is it atonement or child abuse To speak of God in pain says Barbara Brown Taylor is not only to address the biblical stories of Christ's suffering and death but also to proclaim the God who is present in our pain This volume of teaching sermons on suffering presents different approaches to the problem of God in pain In each sermon Taylor speaks with sensitivity and profound insight as she addresses pain and both its human and divine impact

From Suffering to God Marian F. Sia, Santiago Sia, 1994-01-01 God Joseph A. Bracken, 2008 Drawing on the wisdom and teaching experience of highly respected theologians the Engaging Theology series builds a firm foundation for graduate study and other ministry formation programs Each of the volumes Scripture Jesus God Anthropology and Church is concerned with retrieving carefully evaluating and constructively interpreting the Christian tradition Comprehensive in scope and accessibly written these volumes used together or independently will stimulate rich theological reflection and discussion More important the series will create and sustain the passion of the next generation of theologians and church leaders The word God said Martin Buber decades ago is the most heavy laden of all human words None has become so soiled so mutilated Twenty first century discourse and action often perpetuate that lack of reverence In this volume Joseph Bracken shows us a better way He begins with Christianity's roots in Judaism and the inherent struggle to explain the reality of three persons in God who is one He allows readers to engage in the lively and fruitful trinitarian debates of the early church and discover how the classical doctrine of the Trinity has shaped the church through the centuries He offers a solid theological treatment of the history of the doctrine of God and its relevance for Christians today for dialogue between Christian men and women between Christianity and other religions and between religion and science Systematic theology at its best **God Three Who Are One** helps us find unexpected unity and consensus in a world full of troubling differences Along the way Bracken urges us to pray as well as think and to let rational reflection lead to praise and worship thereby giving the doctrine of the Trinity

its due reverence and care *Suffering Well and Suffering With* Aimee Patterson, 2023-09-12 We live in a society that has little tolerance for suffering Suffering is not only unpleasant Profound innocent suffering can upend our sense of identity Yet we push suffering people to the periphery to avoid an uncomfortable truth We are all subject to suffering In a time when Christian churches suffer the loss of authority influence and membership Patterson challenges the idea that we need such power to live on earth as in heaven Only God can transform suffering into joy Drawing on her experience with cancer Patterson claims Christians hold certain responsibilities while we wait for this transformation Revisiting the story of Job she confronts the problem of suffering and what it takes to suffer well This sets the scene for what a fleshy wounded Jesus Christ calls us to do use suffering to build compassionate relationships with others who suffer **The ^ACreative Suffering of the Triune God** Gloria L. Schaab, 2007-10-18 Gloria Schaab proposes to respond to cosmic suffering with the recognition that the triune Christian God participates in the sufferings of the cosmos **The Secrets of Suffering** T.A.

Nalian, 2020-04-28 The moment we find ourselves in adversity we tend to quickly react in two ways Lord would you deliver me and deliver now And Why is this happening to me Often deliverance will not come immediately and the epic question why is truly the big reason for this book In your lifetime suffering will be inescapable This is why it is so important we learn to navigate our way through the thick dark forest of suffering If we do not learn this ourselves and neglect to teach those coming after us we will forego many blessings and experiences with God and expose our children students and parishioners to the same The uniqueness of this book is positioned in the fact that its author has experienced suffering beginning at the age of three to the writing of this work Therefore the substance of this book rests not in hypothesis but rather in real time experience If you are suffering this book can help you for the simple reason that the author will compel you to put yourself in the presence of His Majesty the Lord Jesus He is the one who has suffered the most The one who suffered the most can help you the most Why Because He is the Almighty Eternal God He loves you with an everlasting unconditional love The Lord can identify with your every hurt He will show you in your suffering that He is close intimate and He cares Everyone knows someone who is struggling and suffering This book would be the perfect gift and resource equipping them to persevere while at the same time experiencing the glorious blessings of God in the process **The Virtues of Suffering** Glendon

Watson, Maureen Watson, 2019-10-29 Everyone suffers and many people question the goodness of a God who allows such pain and sorrow in His creation But God intends for our suffering to draw us closer to Him to receive His redemption as it reveals the weaknesses of our own flesh and the condition of our heart causing us to cry out to our loving and eternal God All suffering is a result of the fall in the Garden of Eden but Jesus gave His life so that we might have life and have it more abundantly He alone can deliver us from suffering and save our souls from hell In *The Virtues of Suffering* the trials and pains of this world are acknowledged and embraced for the blessings they bring to the lives of believers As Paul wrote in 2 Corinthians 4:17 For our light affliction which is but for a moment worketh for us a far more exceeding and eternal weight of

glory Jesus also suffered willingly knowing the good fruit it would produce who for the joy that was set before him endured the cross despising the shame Hebrews 12:2 For both believers and skeptics who are struggling with suffering and loss and questioning the benevolence of God The Virtues of Suffering will shine a light of hope and promise as readers lean into the Word of God and His great love for all people Suffering and God's Redemptive Love Parrish W. Jones, 2014-05-01

Suffering and God's Redemptive Love resulted from conversations Dr Jones had with his wife during her final painful days of dying from cancer Through the Bible they were able to find redemption in the midst of the suffering Jones emphasizes the Jewish Christian theme of Immanuel God with us the Christian theme of incarnation Jones brings out the grand narratives of the biblical literature focusing on personal suffering and God's engagement with us in our suffering to deal with the common conceptions of why people suffer how Job shatters those views the way in which God comes to us suffers with us suffers for us and takes us beyond suffering The final chapter deals with God's Redemptive Love and Ministry to the Suffering seeking to give practical application of the themes of the book Jones added an Epilogue dealing with suffering communities based on his engagement with persons living in extreme poverty in Mexico and Colombia growing out of the testimonies of the people

Pool, 2009-01-01 This book constitutes the first volume of a three volume study of Christian testimonies to divine suffering *God's Wounds Hermeneutic of the Christian Symbol of Divine Suffering Divine Vulnerability and Creation* This study first develops an approach to interpreting the contested claims about the suffering of God Thus the larger study focuses its inquiry into the testimonies to divine suffering themselves seeking to allow the voices that attest to divine suffering to speak freely to discover and elucidate the internal logic or rationality of this family of testimonies rather than defending these attestations against the dominant claims of classical Christian theism that have historically sought to eliminate such language altogether from Christian discourse about the nature and life of God Through this approach this volume of studies into the Christian symbol of divine suffering then investigates the two major presuppositions that the larger family of testimonies to divine suffering normally hold an understanding of God through the primary metaphor of love God is love and an understanding of the human as created in the image of God with a life though finite analogous to the divine life the *imago Dei* as love When fully elaborated these presuppositions reveal the conditions of possibility for divine suffering and divine

Stephen Long, George Kalantzis, 2009-01-01 How is God sovereign with respect to creation Does creation affect God Does God suffer or change because of creation If so how is this related to Christology Why have these questions been so controversial in evangelical theology even costing some people their jobs This book is a

collection of lectures given to the Forum for Evangelical Theology at Garrett Evangelical Theological Seminary Six theologians answer the questions above from a variety of perspectives They draw on resources including the church fathers Thomas Aquinas John Calvin Jurgen Moltmann process theology and open theism In the process of answering the question does God suffer each theologian also illustrates how responding to this subject requires an examination of other crucial evangelical issues such as how we read Scripture and what it means to proclaim that God is love Although the writers answer these questions in a variety of ways the hope is that engaging in this conversation together can help evangelicals and all Christians to speak more faithfully of our sovereign God
