**The Hero Journey in Literature** Evans Lansing Smith, 1997 This book provides an overview of the hero journey theme in literature from antiquity to the present with a focus on the imagery of the rites of passage in human life initiation at adolescence mid life and death This is the only book to focus on the major works of the literary tradition detailing discussions of the hero journey in major literary texts Included are chapters on the literature of Antiquity Sumerian Egyptian Biblical Greek and Roman the Middle Ages with emphasis on the Arthurian Romance the Renaissance to the Enlightenment Shakespeare Milton Marvell Pope Fielding the Arabian Nights and Alchemical Illustration Romanticism and Naturalism Coleridge Selected Grimm s Tales Brontë Bierce Whitman Twain Hawthorne E T A Hoffman Rabindranath Tagore and Modernism to Contemporary Joyce Gilman Alifa Rifaat Bellow Lessing Pynchon Eudora Welty Jonah's Whale Eileen Spinelli, 2012-01-12 A contented whale one day sees a ship tossed on the waves by a storm and obeys God s command to save a drowning man by swallowing him **Stories of the Prophets in the Holy Qu'ran** Shahada Sharelle Haqq, Shahada Sharelle Abdul Haqq, 2008-10 Suitable for children of ages 9 to 12 years this collection of illustrated stories offers an Islamic take on the lives and missions of familiar prophets *Behind the Glass* Dr. Charlie B. Mayson, 2010-06-30 Bad things happen to good people Life shows up at your door and either your prepared or your not Good hard working people have to prepare for difficult times Behind the Glass is the first in a series of books about a mans journey through an unjust legal system His tools for spiritual development and his preparations for a possible long prison term *Jonah* Amy Erickson, 2021-05-18 The dominant reading of the book of Jonah that the hapless prophet Jonah is a lesson in not trying to run away from God oversimplifies a profoundly literary biblical text argues Amy Erickson Likewise the more recent understanding of Jonah as satire is problematic in its own right laden as it is with anti Jewish undertones and the superimposition of a Christian worldview onto a Jewish text How can we move away from these stale interpretations to recover the richness of meaning that belongs to this short but noteworthy book of the Bible This Illuminations commentary delves into Jonah s reception history in Christian Jewish and Islamic contexts while also exploring its representations in visual arts music literature and pop culture After this thorough contextualization Erickson provides a fresh translation and exegesis paving the way for pastors and scholars to read and utilize the book of Jonah as the provocative richly allusive and theologically robust text that it is A Dictionary of Biblical Tradition in English Literature David Lyle Jeffrey, 1992 Over 15 years in the making an unprecedented one volume reference work Many of today s students and teachers of literature lacking a familiarity with the Bible are largely ignorant of how Biblical tradition has influenced and infused English literature through the centuries An invaluable research tool Contains nearly 800 encyclopedic articles written by a distinguished international roster of 190 contributors Three detailed annotated bibliographies Cross references throughout An Exposition Upon the Prophet Jonah. By George Abbot ... A New Edition by Grace Webster: to which is Added, a Life of the Author. [With the Text.], 1845 **Bible romances** G.

W. Foote,1882      *The Proclamation of the Prophets* G. A. Williams,2022-08-25 This book is a series of sermons summarizing the books of prophecy in the Old Testament I intend these sermons to be studied preached or used as Bible lessons or for simple reference The books of prophecy express God s heart for His people the Jews and He chose them to be the primary vehicle of His message to mankind as the initial means of fulfilling God s mission of redemption and His kingdom being established on earth However after repeated attempts to call His people back to that mission God decided not to speak for four hundred years until John the Baptist showed up in Judea The proclamation of the prophets is also a promise of victory for the people of God The cry of God in the words of Malachi Return to me and I will return to you expresses God s commitment and unrelenting love for His people This proclamation is not based on replacement theology which assumes that the church has replaced the Jews But instead on God s promise to restore His people I hope you enjoy and are blessed with this work Use it as a beginning point in your study and research And in the end may God be glorified and may you be enlightened
