From The Heartland:

Voices From the Heartland Carolyn Anne Taylor, Emily Dial-Driver, Sally Emmons-Featherston, Carole Burrage, 2012-11-27
A thought provoking collection of essays on life and living Voices from the Heartland is a celebration of women s contributions to Oklahoma s recent past It records defining moments in women s lives whether surviving the Oklahoma City bombing or surviving abuse and represents a wide range of professions lifestyles and backgrounds to show how extraordinary lives have grown from the seeds of ordinary girlhoods From former Cherokee principal chief Wilma Mankiller First Lady Kim Henry novelist Billie Letts and prima ballerina Maria Tallchief to OU basketball coach Sherri Coale the authors share their personal reflections on finding balance as they look back on defining moments in their lives mull over what they wish they had learned sooner and convey the wisdom they ve unearthed on their journeys thus far Touching on topics from adultery to left handedness from losing children to losing perspective these essays speak from the heart to reveal what it means to be an American woman today Readers will meet activists and writers advocates and artists some of whom are household names while others work outside the public eye Voices from the Heartland speaks to readers all across America and demonstrates that women in Oklahoma represent the heart of us all *A View from the Heartland* David Chartrand, 2004 A View from the Heartland expresses the values quirks and personalities of a region with warmth and humor through stories of everyday life **From the Bullet to the Ballot** Jakobi Williams, 2013 From the Bullet to the Ballot The Illinois Chapter of the Black Panther Party and Racial Coalition Politics in Chicago **From the Crow's Nest** Arun Prakash, 2007 This eclectic panorama of articles and speeches rendered in India and abroad by one of the most respected and articulate Chiefs that the Indian Navy has had provides unique and incisive insights on a wide range of subjects Gleaned from his considerable repertoire this selection touches on issues such as Maritime Power Defence Finance and Planning Shipbuilding Defence R D Higher Defence Management Jointmanship and others All these subjects are of immense contemporary significance and concern They offer as much to the inquisitive uninitiated as to Servicemen and hard nosed defence analysts eager for a first hand version of matters relating to national security Voices from the Heartland Sara Beam, Emily Dial-Driver, Rilla Askew, Juliet Evusa, 2019-08-22 Despite progress in recent years Oklahoma hardly ranks as woman friendly The state holds the highest incarceration rate of women in the nation It offers women no legal protection against being fired due to sexual orientation or gender identity Its Native American and immigrant populations struggle for access to community resources And Oklahoma is still governed largely by men leaving women without adequate political representation In 2007 the highly acclaimed anthology Voices from the Heartland provided a much needed platform for Oklahoma women prominent and unknown to tell their stories This timely sequel reflects an even broader cross section of women s experiences Just like its predecessor Voices from the Heartland Volume II offers memorable accounts of struggle and transformation It does not sugarcoat the problems that women face in contemporary Oklahoma and in many parts of

underprivileged America racism sexism homophobia poverty addiction The 38 contributions gathered here are honest and at times raw They cover such varied topics as girlhood trauma the workplace parenting politics and religious beliefs Taken together the essays comprise a living artifact of women s history accessible and as an anthology ideally suited for classroom use In the wake of the MeToo movement it is more important than ever to listen to what women have to say about their own lives including and perhaps especially women from flyover states like Oklahoma As Sara N Beam states so eloquently in her preface You ll read their stories here as they want them told in a mix of poetry and prose in the voice of a relative in the voice of a tired person across the breakroom table in a secret hush or in a voice not unlike that of your best friend or mother These voices from the heartland inspire us to pause to listen to understand to evolve and to make a difference *The Metaphysics of World Order* Nicolas Laos,2015-01-19 In this book Nicolas Laos studies the meaning of the terms world and order the moral dimensions of each world order model and wider issues of meaning and interpretation generated by humanity s attempt to live in a meaningful world and to find the logos of the beings and things in the world The aim of this book is to propose a unified theory of world order i e a theory that combines philosophy theology and political theory In this context the author provides a thought provoking re interpretation of classical philosophy placing particular emphasis on Platonism an in depth inquiry into medieval philosophy and spirituality placing particular emphasis on the cultural differences between the Greek East and the Latino Frankish West and an intellectually challenging review and evaluation of modern Western philosophy including Descartes Spinoza Leibniz Locke Berkeley Hume Rousseau Kant Hegel Kierkegaard Husserl and Heidegger and of Nietzsche s and the postmodernists revolt against modernity He then elucidates the philosophical foundations and pedigree of each of the three basic political theories of modernity i e Liberalism Communism and Fascism and he studies the basic theoretical debates in International Relations Geopolitics and Noopolitics Finally Laos proposes a new fourth political theory which he calls metaphysical republicanism *Annual Report Federal Deposit Insurance Corporation*,1981 Beginning with 1981 merger decisions of the Corporation are published separately as vol 2 of the Annual report *Mexico: Volume 1, From the Beginning to the Spanish Conquest* Alan Knight,2002-09-23 The first in a three volume history covering the period 25 000 BC to the sixteenth century **Major Geopolitical Theories** ,1959 **Freeing from the "Territorial Trap"** Ulugbek Azizov,2015 Since the 1990s the true knowledge on Central Asia has been embedded in the five stans Kazakhstan Kyrgyzstan Tajikistan Turkmenistan and Uzbekistan spatial discourse This book argues that in international relations this five stans spatial discourse determines the conceptual boundaries of Central Asia The book asserts that the five stans spatial discourse is territorially trapped hence it is limited to explain the political and economic processes taking place on the ground in the region Through a re reading of the five stans discourse the book introduces an alternative methodology drawing upon Niklas Luhmann s social systems theory Series International Politics Internationale Politik Vol 21 Subject Asian Studies International Relations Politics Global Rivalries From the Cold War to Iraq Kees van

der Pijl,2006-08-20 This book offers a highly original analysis of world events in the light of the Iraq War It explores the history and development of relations between major countries in the international community and the impact that successive wars and changes in the global political economy have had on the way states relate to each other today Tracing the liberal state structure back to the closing stages of the English Civil War and settlement in North America it argues that the rise of the English speaking West has created rivalries between contender states that are never entirely put to rest With each round of Western expansion new rivalries are created Offering a truly global analysis that covers every area of the world from Europe and America to China the Middle East Latin America and Russia he analyses the development of international relations post WWII and questions whether the neoliberal project and its human rights ideology have collapsed back into authoritarianism under the guise of the war on terror **The Department of State Bulletin** ,1945 **Cracking the AP**
