Raised by Martians on Mars, Valentine Michael Smith is a human who has never seen another member of his species. Sent to Earth, he is a stranger who must learn what it is to be a man. Land of 22 Fountains Steve Trinks, 2016-01-14 Now comes a question that is especially pertinent to launching us from being children into taking our places as fully grown daughters and sons. Well, if you were going to create a new world or create a new situation, what would you do differently? In answering this question, the Land of 22 Fountains points the way to the building up and to the development of a human civilization upon the earth that is imbued with divine qualities. It follows a pattern of four miracles that deal with emotional healing, four miracles that deal with achieving spiritual stability, four that deal with personal growth, four more miracles that have to do with attaining success, and finally six objectives for the benefit of all mankind. These 22 experiences are considered to be miracles because they depend on God for bringing them about.

See how one company in Minnesota planted 600 churches in the Ukraine. Discover how a real estate developer turned a foreclosed mall into a focal point that would change a city. Heeren also shares practical ideas for readers who catch his enthusiasm and passion for bringing about transformation in their own communities. After reading Heeren's book, you'll see why, with God, nothing is impossible. **A**
