From The Library Of C S Lewis:

From the Library of C. S. Lewis James Stuart Bell, Anthony P. Dawson, 2012-06-05 To truly know Lewis one must become familiar with the body of literature that marked his life Jim Bell and Tony Dawson give curious students of Lewis a glimpse of the books and authors that informed his life's work and kindled his imagination Jerry Root coeditor of The Quotable C S Lewis and a C S Lewis scholar C S Lewis was one of the most influential thinkers and writers of the twentieth century But who influenced C S Lewis What were the sources of his inspiration Who were his spiritual mentors Drawn from Lewis's personal library annotations and references from his writings this book includes more than 200 selections from literary giants such as Dante Augustine and Chaucer as well as more contemporary writers such as G K Chesterton Dorothy L Sayers George MacDonald and J R R Tolkien providing a vast array of inspiration from those who have shone forth as messengers of light in Lewis's own thinking writing and spiritual growth In this treasury you will glean wisdom on living a devout life from Andrew Murray and Brother Lawrence Tap into fantasy and imagination with William Wordsworth and Geoffrey Chaucer Ponder creation and poetry alongside Sir Walter Scott and Aristotle And much more **The Collected Letters of C.S. Lewis, Volume 3** C. S. Lewis, 2004 The letters found in Volume II reveal inside accounts of how The Screwtape Letters came to be written the early meetings of the Inklings with J R R Tolkien giving readings about hobbits and Middle Earth how C S Lewis became popular through BBC radio talks but mostly how this quiet professor in England touched the lives of many through an amazing discipline of personal correspondence **C.S. Lewis: a Living Library** Margaret Anne Rogers, Fairleigh Dickinson University, 1970 C S Lewis doubtless was a connoisseur of many books whose first pages appealed to his taste for his personal library of nearly 3 000 books is now housed at Wroxton College in the town of Wroxton in Oxfordshire England As thesis researcher I undertook the project of a descriptive exposition of the library of C S Lewis through personal interest in the graduate program of the college and a rather thorough acquaintance with C S Lewis writings I hope that the developed thesis will provide both the casual visitor and the interested scholar with sufficient detailed information for exploring further the many interesting volumes to be found The present acquisition list at Wroxton consists of 2 710 books These are listed in the Index provided with this thesis There are several possible ways of analyzing the Lewis collection and I chose units some of which overlap of 1 examples of scholarship 2 old and unusual books owned by Lewis 3 foreign books 4 religious comments in books and 5 personal inscriptions both to Lewis by others and his own inscriptions in books The visitor to the Wroxton Library will enjoy many of the books in the C S Lewis collection for the variety they represent and the interests and selectivity to be observed in the books Lewis owned One may enjoy the writings of Hakluyt Sir Francis Bacon Shakespeare the Romantic Poets essayists novelists religious and philosophical writers through the eyes of Dr Lewis as he underlined and wrote both pithy and explanatory commentary on much of what he read The Index to the C S Lewis Library hopefully will serve as a guide to the specialized literary collection **C. S. Lewis** Victoria Parker, 2006 Offers
