From The Lotus Lake And The Dragon Pool:

Lotus Lake Dragon Pool Trevor Leggett, 2021-01-05 Collected by the author over many years these stories from the Yoga and Zen traditions are the flint and steel that strike a spark that lights up the mind with insights that one should ponder daily to bring to light ever deeper meaning They may be similar in intent to Zen Koans but they are rather different in content TIn many Zen Koans someone says or does something extraordinarily inappropriate which catches your attention just because it s extraordinary but afterwards the light from them has to be applied to daily life In contrast the stories here are often ordinary incidents from ordinary lives not that there aren t some extraordinary ones too that nevertheless open the mind s eye to the vast potential for realization and inspiration to be found in daily life [THE COMPLETE COMMENTARY](#)

[BY ŚAṆKARA ON THE YOGASŪTRA- S](#) Trevor Leggett, 2023-06-06 The text translated here is an historical find an unknown commentary on the Yoga Sutra s of Patanjali by Sankara the most eminent philosopher of ancient India Present Indications are that it is likely to be authentic which would date it about AD700 The many references to meditation in his accepted works have sometimes been regarded as concessions to accepted ideas of the time and not really his own views If he has chosen to write a commentary on Yoga meditation it must have been a central part of his own standpoint although he was opposed to some of the philosophical doctrines of the official Yoga school One would expect a tendency to modify these unacceptable doctrines if this text is really by Sankara This turns out to be the case T P Leggett Introduction for the general reader 1990 Leggett s translation of the Vivarana did not receive the attention it deserved when it first came out Some of the points that he raised are well worth consideration in the context of the authorship problem and his contribution to the debate should be recognised Dr Kengo Harimoto in his Foreword to the e book edition 2017 When enthusiasm flags read sutras 11 15 17 look around you and see how anxiety pain and death are rushing towards us like an express train Yoga is a way to escape them T P Leggett How to use this book for Yoga Practice 1990 Excerpts from The Complete Commentary by Sankara on the Yoga Sutra s by Trevor Leggett *The Spirit of Budo* Trevor leggett, 2022-09-09 This book comprises eighteen essays which appeared in the monthly Budo magazine They are written with simplicity and humour but with an underlying discipline and authority derived from a lifetime of spiritual and martial arts training in Adhyatma Yoga Judo and Zen Trevor Leggett addresses matters including sportsmanship achieving freedom of mind training the inner self developing an inner calm and the four keys to learning instruction observation inference and personal experience He looks at the cultivation of these Budo qualities and suggests ways in which the lessons learned can be applied to daily life as well as to the practice of the martial arts
