Moses, the great patriarch in the heart of Judaism, Christianity, and Islam, wrote the first five books of the Bible or Tanakh, perhaps the most influential books in Western history. Yet because they were written in Hebrew, a highly symbolic and deeply mystical language, few have revealed the true meanings of the stories and events he described. When you know the Hebrew letters and the structures of Kabbalah, the secret teachings of Moses radiate with stark clarity and echo throughout the entire range of Jewish and Christian scriptures, especially in the Gospels of Jesus. This book focuses on the second chapter of Genesis, Bereshit, which establishes the foundation of the Jewish and Christian religions. With this knowledge, you can understand the true meaning of Adam and Eve, the Garden of Eden, the presence of the serpent, and all of the rest of the teachings that follow these symbols. Yet this is not merely scholarly theology; by understanding what Moses actually wrote, anyone can see the true basis of human suffering and how to change it. **The November Tree** Tony Kaplan, 2006. Some poems from his collections have highlights and captures some fundamental truths of human life: love, hate, jealousy, deceit, humor, sorrow. They present happy recollections alongside melancholy thoughts and feelings and occasional bursts of joy to balance out moments when life seems only bleak. Kaplan's poems have been collected from around three marble notebooks discovered after much searching. These notebooks contain London's poetic history spanning over ten years, now available through this collection. Website: <https://tonykaplan.com>. **Secret Illusions (Salmon Run - Book 4)** J.A. Marlow, 2012-02-22. The aliens need human help in Bermuda. After the earthquake, Hawk and Zach Callahan get a pleasant surprise: customers. Right when the aliens choose to reveal themselves to Zach and Sasha's families, they need human help to identify a potential threat in Bermuda. But according to Uncle George, a trip to Bermuda could possibly cost the Callahans their lodge. Not to mention the problem of taking care of all the guests now staying at the lodge. Unless they can make the entire town believe they never left Salmon Run in the first place. Welcome to Salmon Run, Alaska. A place of wild animals, wild lands, and wild inhabitants. Oh, and native legends come alive, and an interplanetary alien conflict at their backdoor. A fun contemporary science fiction series for teens, young adults, and adults of all ages.
