

FROM THE VELVETS TO THE VOIDOIDS

A PRE-PUNK HISTORY
FOR A POST-PUNK WORLD

CLINTON HEYLIN

From The Velvets To The Voidoids

Andrew Stafford

From The Velvets To The Voidoids:

From the Velvets to the Voidoids Clinton Heylin, 2005-05-01 Exhaustively researched and packed with unique insights this history journeys from the punk scene's roots in the mid 1960s to the arrival of new wave in the early 1980s With a cast that includes Patti Smith Pere Ubu Television Blondie the Ramones the MC5 the Stooges Talking Heads and the Dead Boys this account is the definitive story of early American punk rock Extraordinarily balanced it tells the story of the music's development largely through the artists own words while thoroughly analyzing and evaluating the music in a lucid and cogent manner First published in 1993 this was the first book to tell the stories of these then little known bands now this edition has been updated with a new discography including imports and bootlegs and an afterword detailing the post 1970s history of these bands Filled with insights from interviews with artists such as Lou Reed Debbie Harry David Byrne Patti Smith and Richard Hell this book has long been considered one of the essential reads on rock rebellion

From the Velvets to the Voidoids Clinton Heylin, 1993 *From the Velvets to the Voidoids* explores the origins and evolution of the fiery phase of rock and roll history known as punk and New Wave Journey through the life of this intense and influential musical movement from the punk scene's New York roots in the mid 1960s with The Velvet Underground through the 1970s and groups like the Voidoids and ultimately to such bands as the Talking Heads Heylin upends notions that this new music evolved in Britain establishing authoritatively that its roots were distinctly American only later would the music develop into its more popular English incarnation Book jacket

Love Goes to Buildings on Fire Will Hermes, 2012-09-04 This title provides a group portrait of some of the greatest musicians of the 20th century including Bruce Springsteen Patti Smith Grandmaster Flash and Bob Dylan

Punk Rock Mindy Clegg, 2022-08-01 *Punk Rock* examines the history of punk rock in its totality Punk became a way of thinking about the role of culture and community in modern life Punks forged real alternatives to producing popular music and built community around their music This punk counterpublic forged in the late Cold War period spanned the globe and has provided a viable cultural alternative to alienated young people over the years This book starts with the rise of modernity and places the emergence of punk as a musical subculture into that longer historical narrative It also reveals how punk itself became a contested terrain as participants sought to imbue the production of music with greater meaning It highlights all styles of punk and its wide variety of creators around the world including from the LGBTQ feminist and alternative communities Punk was and remains a transnational phenomenon that influences music production and shapes our understanding of culture's role in community building

The Dead Straight Guide to The Velvet Underground and Lou Reed Peter Hogan, 2017-09-25 The Velvets straddled art and rock changing popular music forever and sowing the seeds for punk grunge and thousands of countercultural four chord wonders The Velvet Story How Lou Reed Sterling Morrison John Cale and co emerged from the New York scene their successes and excesses and what happened to each in their solo years Velvet Music all there recordings plus all of Lou Reed's solo work Velvetology includes Andy Warhol

Edie Sedgwick David Bowie Delmore Schwartz and Brian Eno and the Velvet Underground on screen and in New York their influences covers websites and more Historical Theory and Methods through Popular Music, 1970–2000 Kenneth L. Shonk, Jr., Daniel Robert McClure, 2017-08-17 This book examines the post 1960s era of popular music in the Anglo Black Atlantic through the prism of historical theory and methods By using a series of case studies this book mobilizes historical theory and methods to underline different expressions of alternative music functioning within a mainstream musical industry Each chapter highlights a particular theory or method while simultaneously weaving it through a genre of music expressing a notion of alterity an explicit positioning of one's expression outside and counter to the mainstream Historical Theory and Methods through Popular Music seeks to fill a gap in current scholarship by offering a collection written specifically for the pedagogical and theoretical needs of those interested in the topic **The Ramones' Ramones** Nicholas Rombes, 2005-02-18 What could be more punk rock than a band that never changed a band that for decades punched out three minute powerhouses in the style that made them famous The Ramones repetition and attitude inspired a genre and Ramones set its tone Nicholas Rombes examines punk history with the recording of Ramones at its core in this inspiring and thoroughly researched justification of his obsession with the album *A Cultural Dictionary of Punk* Nicholas Rombes, 2010-06-01 Neither a dry as dust reference volume recycling the same dull facts nor a gushy gossip puff piece *A Cultural Dictionary of Punk* 1974 1982 is a bold book that examines punk as a movement that is best understood by placing it in its cultural field It contains myriad critical listening descriptions of the sounds of the time but also places those sounds in the context of history Drawing on hundreds of fanzines magazines and newspapers the book is in the spirit of punk an obsessive exhaustively researched and sometimes deeply personal portrait of the many ways in which punk was an artistic cultural and political expression of defiance *A Cultural Dictionary of Punk* is organized around scores of distinct entries on everything from Lester Bangs to The Slits from Jimmy Carter to Minimalism from Dot Dash to Bad Brains Both highly informative and thrillingly idiosyncratic the book takes a fresh look at how the malaise of the 1970s offered fertile ground for punk as well as the new wave post punk and hardcore to emerge as a rejection of the easy platitudes of the dying counter culture The organization is accessible and entertaining short bursts of meaning in tune with the beat of punk itself Rombes upends notions that the story of punk can be told in a chronological linear fashion Meant to be read straight through or opened up and experienced at random *A Cultural Dictionary of Punk* covers not only many of the well known now legendary punk bands but the obscure forgotten ones as well Along the way punk's secret codes are unraveled and a critical time in history is framed and exclaimed Visit the *Cultural Dictionary of Punk* blog here Smack Eric C. Schneider, 2013-04-19 Why do the vast majority of heroin users live in cities In his provocative history of heroin in the United States Eric C Schneider explains what is distinctively urban about this undisputed king of underworld drugs During the twentieth century New York City was the nation's heroin capital over half of all known addicts lived there and underworld bosses like Vito Genovese Nicky

Barnes and Frank Lucas used their international networks to import and distribute the drug to cities throughout the country generating vast sums of capital in return Schneider uncovers how New York as the principal distribution hub organized the global trade in heroin and sustained the subcultures that supported its use Through interviews with former junkies and clinic workers and in depth archival research Schneider also chronicles the dramatically shifting demographic profile of heroin users Originally popular among working class whites in the 1920s heroin became associated with jazz musicians and Beat writers in the 1940s Musician Red Rodney called heroin the trademark of the bebop generation It was the thing that gave us membership in a unique club he proclaimed Smack takes readers through the typical haunts of heroin users 52nd Street jazz clubs Times Square cafeterias Chicago s South Side street corners to explain how young people were initiated into the drug culture Smack recounts the explosion of heroin use among middle class young people in the 1960s and 1970s It became the drug of choice among a wide swath of youth from hippies in Haight Ashbury and soldiers in Vietnam to punks on the Lower East Side Panics over the drug led to the passage of increasingly severe legislation that entrapped heroin users in the criminal justice system without addressing the issues that led to its use in the first place The book ends with a meditation on the evolution of the war on drugs and addresses why efforts to solve the drug problem must go beyond eliminating supply

No Future Matthew Worley, 2017-09-21 No Feelings No Fun No Future The years 1976 84 saw punk emerge and evolve as a fashion a musical form an attitude and an aesthetic Against a backdrop of social fragmentation violence high unemployment and socio economic change punk rejuvenated and re energised British youth culture inserting marginal voices and political ideas into pop Fanzines and independent labels flourished an emphasis on doing it yourself enabled provincial scenes to form beyond London s media glare This was the period of Rock Against Racism and benefit gigs for the Campaign for Nuclear Disarmament and the striking miners Matthew Worley charts the full spectrum of punk s cultural development from the Sex Pistols Buzzcocks and Slits through the post punk of Joy Division the industrial culture of Throbbing Gristle and onto the 1980s diaspora of anarcho punk Oi and goth He recaptures punk s anarchic force as a medium through which the frustrated and the disaffected could reject revolt and re invent

Music USA Richie Unterberger, Samb Hicks, 1999 The ideal handbook for every rock n roll pilgrim Music USA tours the musical heritage of America from New York to Seattle stopping at all the shrines of sound in between Coverage includes background on the development of local music styles with details on clubs and venues radio stations and record stores nationwide

The 20th Century's Greatest Hits Paul Williams, 2000-10-06 The book that will make you think about the 20th Century This book lists and discusses the top 40 artistic events of the 20th century using a quirky and personal list created by Paul Williams which is illuminated by forty short essays discussing his choices That alone would suffice But in addition Williams has created an entertaining readable book length work on personal and subjective responses to art Everybody loves top 40 lists Will it have your own secret favorites on it Or will there be some stuff you never heard of Or hate Bob Dylan Sure but what by Dylan Every list provokes

delight and danger and if it is a good one illumination and surprise Paul Williams's lists mixes high art and popular culture and is sure to leave no one who reads it unmoved But a list only takes one page and the rest of this book is Williams's thoughts on how everyday people connect with art and performance subjects on which Williams is brilliant insightful and entertaining This is a good and serious book that is fun to read At the publisher's request this title is being sold without Digital Rights Management software DRM applied Something to Believe In Andrew Stafford,2019-07-02 Set to the soundtrack of music that has shaped a generation *Something To Believe In* will resonate with anyone whose life has been saved by rock n roll Born in Melbourne's outer suburbs in the 1970s Andrew Stafford grew up in a time when music was a way out and a way up His passion for rock n roll led him to a career as a journalist and music critic but along the way his battles with family illness mental health and destructive relationships threatened to take him down Andrew Stafford delves bravely and deeply into a life that has been shaped and saved by music's beat From the author of the cult classic *Pig City* comes a memoir of music madness and love **Popular Music: The Key Concepts** Roy Shuker,2017-03-27 Now in an updated fourth edition this popular A-Z student handbook provides a comprehensive survey of key ideas and concepts in popular music culture With new and expanded entries on genres and subgenres the text comprehensively examines the social and cultural aspects of popular music taking into account the digital music revolution and changes in the way that music is manufactured marketed and delivered New and updated entries include Age and youth Black music Digital music culture K Pop Mash ups Philadelphia Soul Pub music Religion and spirituality Remix Southern Soul Streaming Vinyl With further reading and listening included throughout *Popular Music The Key Concepts* is an essential reference text for all students studying the social and cultural dimensions of popular music *A Dictionary of the Avant-Gardes*,2013-05-13 A Dictionary of the Avant Gardes recognizes that change is a driving force in all the arts It covers major trends in music dance theater film visual art sculpture and performance art as well as architecture science and culture **Jewish Identity in Western Pop Culture** J. Stratton,2008-06-09 This book looks at the post Holocaust experience with emphasis on aspects of its impact on popular culture *Encyclopedia of the New York School Poets* Terence Diggory,2015-04-22 Presents an alphabetical reference guide detailing the lives and works of poets associated with the New York Schools of the early twentieth century **Popular Music Culture: The Key Concepts** Roy Shuker,2012-03-15 Now in an updated 3rd edition this popular A-Z student handbook provides a comprehensive survey of key ideas and concepts in popular music culture With new and expanded entries on genres and sub genres the text comprehensively examines the social and cultural aspects of popular music taking into account the digital music revolution and changes in the way that music is manufactured marketed and delivered New and updated entries include social networking peer to peer American Idol video gaming genres and subgenres of blues jazz country and world music music retail formats goth rock and emo electronic dance music With further reading and listening included throughout *Popular Music Culture The Key Concepts* is an essential reference text for all students studying the

social and cultural dimensions of popular music *Dropping out of Socialism* Juliane Fürst, Josie McLellan, 2016-12-13 The essays in this collection make up the first study of dropping out of late state socialism in Eastern Europe and the Soviet Union From Leningrad intellectuals and Berlin squatters to Bosnian Muslim madrassa students and Romanian yogis groups and individuals across the Eastern Bloc rejected mainstream socialist culture In the process multiple drop out cultures were created with their own spaces music values style slang ideology and networks Under socialism this phenomenon was little known outside the socialist sphere Only very recently has it been possible to reconstruct it through archival work oral histories and memoirs Such a diverse set of subcultures demands a multi disciplinary approach the essays in this volume are written by historians anthropologists and scholars of literature cultural and gender studies The history of these movements not only shows us a side of state socialist life that was barely known in the west It also sheds new light on the demise and eventual collapse of late socialism and raises important questions about the similarities and differences between Eastern and Western subcultures Understanding Popular Music Roy Shuker, 2003-12-16 Understanding Popular Music is an introductory textbook for students which explores the history and meaning of rock and popular music Roy Shuker s study encompasses every aspect of popular music from the history of the record industry to the concept of the musician from rock as cultural politics to MTV Roy Shuker examines the music press the impact of music videos the workings of the industry songs and genres public performance fans and subcultures and the nature of the pop star Case studies include contemporary icons such as Frank Zappa Prince and Madonna Includes full bibliography and song listings Includes annotated guide to the key texts discussed
