**William Smith**

## From Tyre To Jerusalem:

A Dictionary of the Bible John Mee Fuller,1893      *The Old and New Testament Connected* Humphrey Prideaux,1839

The Old and New Testament Connected in the History of the Jews and Neighbouring Nations, from the Declension of the Kingdoms of Israel and Judah to the Time of Christ Humphrey Prideaux,1718      **The Old and New Testament Connected, in the History of the Jews, and Neighbouring Nations** Humphrey Prideaux,1825      Red-Sea-Zuzims William Smith,1863

Columbia University Oriental Studies ,1915      *Dr. William Smith's Dictionary of the Bible* Horatio Balch Hackett,1872

*Phoenicia* J. Brian Peckham,2014-10-30 Phoenicia has long been known as the homeland of the Mediterranean seafarers who gave the Greeks their alphabet But along with this fairly well known reality many mysteries remain in part because the record of the coastal cities and regions that the people of Phoenicia inhabited is fragmentary and episodic In this magnum opus the late Brian Peckham examines all of the evidence currently available to paint as complete a portrait as is possible of the land its history its people and its culture In fact it was not the Phoenicians but the Canaanites who invented the alphabet what distinguished the Phoenicians in their turn was the transmission of the alphabet which was a revolutionary invention to everyone they met The Phoenicians were traders and merchants the Tyrians especially thriving in the back and forth of barter in copper for Levantine produce They were artists especially the Sidonians known for gold and silver masterpieces engraved with scenes from the stories they told and which they exchanged for iron and eventually steel and they were builders like the Byblians who taught the alphabet and numbers as elements of their trade When the Greeks went west the Phoenicians went with them Italy was the first destination settlements in Spain eventually followed but Carthage in North Africa was a uniquely Phoenician foundation The Atlantic Spanish settlements retained their Phoenician character but the Mediterranean settlements in Spain Sicily Sardinia and Malta were quickly converted into resource centers for the North African colony of Carthage a colony that came to eclipse the influence of the Levantine coastal city states An emerging independent Western Phoenicia left Tyre free to consolidate its hegemony in the East It became the sole west Asiatic agent of the Assyrian Empire But then the Babylonians let it all slip away and the Persians intent on war and world domination wasted their own and everyone s time trying to dominate the irascible and indomitable Greeks The Punic West Carthage made the same mistake until it was handed off to the Romans But Phoenicia had been born in a Greek matrix and in time had the sense and good grace to slip quietly into the dominant and sustaining Occidental culture This complicated history shows up in episodes and anecdotes along a frangible and fractured timeline Individual men and women come forward in their artifacts amulets or seals There are king lists and alliances companies and city assemblies Years or centuries are skipped in the twinkling of any eye and only occasionally recovered Phoenicia like all history is a construct a product of historiography an answer to questions The history of Phoenicia is the history of its cities in relationship to each other and to the peoples cities and kingdoms who nourished their curiosity and their ambition It is written by deduction and extrapolation by shaping hard

data into malleable evidence by working from the peripheries of their worlds to the centers where they lived by trying to uncover their mentalities plans beliefs suppositions and dreams in the residue of their products and accomplishments For this reason the subtitle Episodes and Anecdotes from the Ancient Mediterranean is a particularly appropriate description of Peckham s masterful posthumous volume the fruit of a lifetime of research into the history and culture of the Phoenicians

**NLT Study Bible** Tyndale,Tyndale House Publishers Staff,2017-04 Ask Seek Knock Receive Find Open For everyone who asks receives Everyone who seeks finds And to everyone who knocks the door will be opened Matthew 7 8 Explore the Scriptures with almost 50 of today s top evangelical scholars including Daniel Block Barry Beitzel Tremper Longman John N Oswalt Grant R Osborne Norman Ericson and many more Every feature in the NLT Study Bible has been created to do more than just impart information Ask questions and the NLT Study Bible gives you both the words and the world of the Bible Seek deeper understanding and find the meaning and significance of Scripture not just facts Knock on the door of God s Word and see what doors are opened to you The New Living Translation makes the message clear The features of the NLT Study Bible bring the world of the Bible to life so that the meaning and significance of its message shine through I enthusiastically recommend the NLT Study Bible for all of my students and to family and friends Dr William H Marty ThD Professor of Bible Moody Bible Institute Features from nearly 50 of today s most trusted Bible teachers include 300 theme articles identify and explore the major topics and ideas of the Bible 25 000 study and textual notes provide background and deeper explanations of words phrases verses and sections 85 introductory articles set the stage for the Old and New Testament and each major Bible section book and time period including the intertestamental period the time after the apostles and a harmony of the Gospels Each book introduction covers background materials including authorship setting meaning and message of the book an outline recommended resources and more 220 charts illustrations maps and timelines organize and illuminate important information 200 Greek and Hebrew word studies trace the use of important words throughout the Bible 90 profiles paint portraits of major figures in the Bible good and bad 50 000 cross references connect related verses Words of Christ in red
