**From Victim to Victor** Patricia A. Havis, 2017      **From Victim to Victor** A. Holub, 2000-09-01      *DETERMINED MEANS: Going From Victim to Victor!* Carol Bright, 2010-02-27

Determined Means Going from Victim to Victor speaks about demeaning and abusive behaviors in all environments and in all walks of life as it relates to all types of abuse. This book addresses the habits and mindsets of the victim as well as the characteristics and habits of the abuser. In outlining the process of healing the mindset and determination of the victim to survive and be successful through practicing safe measures and God's Word are emphasized along with what in our nature causes us to sin. This book instructs us as individuals how to endure trauma and embrace healing and safety measures. As with any victim they realize it becomes increasingly more difficult to trust others and hold on to sanity during times of great suffering, pain, and abuse. We begin to doubt our self-worth, allow others to dictate everything to us, value other people's opinion over our own. These are just a few of the issues we wrestle with daily in the complexity of abuse. I struggled with all of these issues most of my life. One human being should never have control over another, especially in unhealthy ways. This book distinguishes the difference between healthy and unhealthy relationships, habits, and boundaries and why we need to put them into place. These are the most significant barriers to healthy relationships and without them often give the perpetrator mixed signals. We can do all we can and still experience tragedy. As you read this book and learn the Psychology of our existence and creation, you will understand the need for this real-life safety net pertinent to your life as a whole.

**From Victim to Victor: The 6 Steps to Breaking the Cycle of Abuse** Christopher R. Birstler, 2018-09-07

This book is meant to be a source of encouragement and inspiration to those who are dealing with abuse. It provides six steps to help victims move on from victimhood to becoming a survivor. It also contains vital information and resources on the subject of domestic violence and abuse. Lastly, the book shares numerous personal experiences of mine about my journey with domestic violence. I have gained lots of valuable information and practical skills through my journey with domestic violence and am honored to pass it on to my readers. It is my sincere hope that this book helps you along in your journey.
