**The Rights of War and Peace** Hugo Grotius, Archibald Colin Campbell, 1901

From War to Peace Kent D. Shifferd, 2014-01-10 The world's first peace organizations emerged in the 19th century and since that time anti war activism has progressed rapidly This illuminating book presents a realistic analysis of the extent to which the war system has infiltrated all aspects of Western culture and how it works to perpetuate war rather than promote peace Additionally the text describes the historically recent and still evolving parallel system of peace institutions The values and ideas that have grown out of peace activism offer a very real opportunity to outlaw war in the coming century just as slavery was abolished in the 19th century

Weber, 2015-11-11 War Peace and Reconciliation invites Christians and the churches into a conversation over how to think about war from a standpoint in faith It asks how reconciliation which is central to Christian life and doctrine can engage the realities of war without surrendering its fundamental affirmations It defines these realities politically by discussing the meanings of power peace as a particular organization of power and the international system The study of war and politics is unavoidable as is the engagement with reconciliation because all human existence and activity exist in the context of the gracious work of God to renew and reconcile the fallen creation The inquiry is theocentric and christocentric It culminates in a call to the churches to examine all their practices in the light of this perspective      *War and Peace and Germany* Fred Warner Neal, 1962      **Theologies of War and Peace Among Jews, Christians, and Muslims** Albert B.
