

From Redcoat To Rebel

Rick Atkinson

From Redcoat To Rebel:

From Redcoat to Rebel Thomas Sullivan, Joseph Lee Boyle, 1997 Chronicles several years in the life of Thomas Sullivan who enlisted in the British Army in 1775 fought in the Revolution and deserted to join American forces in 1778 The journal covers about three and a half years Sullivan participated in events inc **Redcoats and Rebels** Christopher Hibbert, 2002 A full scale popular history of the American War of Independence **Rebels and Redcoats** Hugh Bicheno, 2003 Controversial and revisionist history of America's first civil war Accompanying four part BBC TV series written and presented by star military historian Richard Holmes Most people view the American Revolutionary War of the 1775-83 also known as the War of Independence as a popular struggle for liberty against an oppressive colonial power **REBELS REDCOATS** by historian Hugh Bicheno written to accompany a four part BBC television series presented by Richard Holmes demonstrates that it was in fact America's first civil war Employing the latest scholarship and vivid eyewitness accounts Bicheno argues that the war was the product of a broad French imperial design and greed of many prominent colonials As many Americans remained loyal to the Crown as rebelled against it and the reasons for adopting or changing sides were as varied as the men and women who had to make the unenviable decision Native and African Americans overwhelmingly favoured the British cause We hear not only the voices of Rebels and Redcoats but also of German mercenaries and aristocratic French adventurers as well as Indian warriors and Black slaves fighting for their independence which together shed new light on events that forged a nation The main loser was the French monarchy which ruined itself to gain no lasting influence over the United States while unable to exploit the distraction the war created either to invade Britain or gain control of the West Indies which at the time were considered a far bigger prize than all of North America **All The King's Men** Saul David, 2012-02-02 Saul David's **All The King's Men** is a thrilling history of the British Redcoat from the English Civil War to Waterloo Between 1660 and 1815 British supremacy on foreign soil was near total Central to this success was the humble redcoat soldier who showed heroism in battle and stoicism in peace despite appalling treatment This is their story of brutal discipline and inedible food of loyalty and low pay of barracks and battlefield of victory defeat life and death Praise for **All The King's Men** An extraordinary story packed with drama incident and great characters **All The King's Men** is all you could hope for Quite an achievement Patrick Bishop Country Life A heady mixture of heroism incompetence devilish tactics and plain good luck Sunday Times Filled with swashbuckling derring do the reek of blood and gunpowder combined with shrewd analysis of power war and psychology Simon Sebag Montefiore Saul David is Professor of War Studies at the University of Buckingham and the author of several critically acclaimed books including **The Indian Mutiny 1857 Zulu** and most recently **Victoria's Wars The Rise of Empire** He recently presented **Bullets Boots and Bandages** for BBC 4 and is a regular contributor to Radio 4 **Brandywine** Michael C. Harris, 2014-03-19 Winner of the American Revolution Round Table of Richmond Book Award An impressive interpretation of the battle Arthur S Lefkowitz author of **Benedict Arnold's Army** Long overshadowed by the stunning American victory at

Saratoga the complex British campaign that defeated George Washington's colonial army and led to the capture of the capital city of Philadelphia was one of the most important military events of the war Michael C Harris's impressive Brandywine is the first full length study of this pivotal engagement in many years Though the bitter fighting around Brandywine Creek drove the Americans from the field their heroic defensive stand saved Washington's army from destruction and proved that the nascent Continental foot soldiers could stand toe to toe with their foe Although more combat would follow Philadelphia fell to Gen Sir William Howe's British legions on September 26 1777 Harris's Brandywine is the first complete study to merge the strategic political and tactical history of this complex operation and important set piece battle into a single compelling account More than a decade in the making his sweeping prose relies almost exclusively upon original archival research and his personal knowledge of the terrain Enhanced with original maps illustrations and modern photos and told largely through the words of those who fought there Brandywine will take its place as one of the most important military studies of the American Revolution ever written Take's the reader into the fields and along the front lines A first rate military history that has a deserving spot on any student's bookshelf of the American Revolution Emerging Revolutionary War Era

General Richard Montgomery and the American Revolution Hal T. Shelton, 1996-03 Chronicles the life and military of a neglected hero of the American Revolution General Richard Montgomery Brave humane and generous still he was only a brave humane and generous rebel curse on his virtues they've undone this country Member of British Parliament Lord North upon hearing of General Richard Montgomery's death in battle against the British At 3 a.m. on December 31 1775 a band of desperate men stumbled through a raging Canadian blizzard toward Quebec The doggedness of this ragtag militia consisting largely of men whose short term enlistments were to expire within the next 24 hours was due to the exhortations of their leader Arriving at Quebec before dawn the troop stormed two unmanned barriers only to be met by a British ambush at the third Amid a withering hail of cannon grapeshot the patriot leader at the forefront of the assault crumpled to the ground General Richard Montgomery was dead at the age of 37 Montgomery who captured St John and Montreal in the same fortnight in 1775 who upon his death was eulogized in British Parliament by Burke Chatham and Barr and after whom 16 American counties have been named has to date been a neglected hero Written in engaging accessible prose General Richard Montgomery and the American Revolution chronicles Montgomery's life and military career definitively correcting this historical oversight once and for all

Liberty's Fallen Generals Steven E. Siry, 2012-09-30 From June 1775 to February 1781 during the American War of Independence ten patriot generals died as a result of combat wounds Their service and deaths spanned most of the war's duration and geographical expanse The generals were a diverse group with six born in America and four in Europe three coming from professional military backgrounds and the rest citizen soldiers mostly with limited military experience As the colonists won their independence the fallen generals became martyrs for the revolutionary ideals that would inspire later generations throughout the world Liberty's Fallen Generals is the first book to analyze these

key military leaders service and the quality of their leadership in light of recent scholarship on the Revolutionary War Each general s profile provides background on military and political events leading to his emergence assesses the general as a military leader in the war and examines the campaign that culminated in his battle related death A compelling study in leadership and sacrifice Liberty s Fallen Generals is essential reading for those interested in learning more about America s earliest heroes

A Proper Sense of Honor Caroline Cox,2009-07 This book focuses on the experiences of officers and soldiers of the Continental army rather than of the militia However occasionally the experiences of the militia are crucial to our understanding and are included where necessary Historian Holly Mayer used the phrase Continental Community to embrace people such as wagoners and camp followers mostly the wives and other female relatives of soldiers who lived worked with and were dependent on the army The phrase serves us well too but for different purposes The differences in treatment between militia and Continental service were distinct especially in terms of punishment and yet the men of each were frequently in close contact and in sickness and at death the men and their friends faced some of the same problems The ways in which these differences were resolved are important and make it worth our while to keep both in view as did the participants themselves

A Guide to the Battles of the American Revolution Theodore P. Savas,J. David Dameron,2006-08-19 A well organized and concise introduction to the war s major battles The Journal of America s Military Past Winner of the Gold Star Book Award for History from the Military Writers Society of America This is the first comprehensive account of every engagement of the Revolution a war that began with a brief skirmish at Lexington Green on April 19 1775 and concluded on the battlefield at the Siege of Yorktown in October 1781 In between were six long years of bitter fighting on land and at sea The wide variety of combats blanketed the North American continent from Canada to the Southern colonies from the winding coastal lowlands to the Appalachian Mountains and from the North Atlantic to the Caribbean Every entry begins with introductory details including the date of the battle its location commanders opposing forces terrain weather and time of day The detailed body of each entry offers both a Colonial and a British perspective of the unfolding military situation a detailed and unbiased account of what actually transpired a discussion of numbers and losses an assessment of the consequences of the battle and suggestions for further reading Many of the entries are supported and enriched by original maps and photos

The British Are Coming Rick Atkinson,2019-05-14 Winner of the George Washington Prize Winner of the Barbara and David Zalaznick Book Prize in American History Winner of the Excellence in American History Book Award Winner of the Fraunces Tavern Museum Book Award From the bestselling author of the Liberation Trilogy comes the extraordinary first volume of his new trilogy about the American Revolution Rick Atkinson author of the Pulitzer Prize winning An Army at Dawn and two other superb books about World War II has long been admired for his deeply researched stunningly vivid narrative histories Now he turns his attention to a new war and in the initial volume of the Revolution Trilogy he recounts the first twenty one months of America s violent war for independence From the

battles at Lexington and Concord in spring 1775 to those at Trenton and Princeton in winter 1777 American militiamen and then the ragged Continental Army take on the world's most formidable fighting force. It is a gripping saga alive with astonishing characters: Henry Knox, the former bookseller with an uncanny understanding of artillery; Nathanael Greene, the blue-eyed bumpkin who becomes a brilliant battle captain; Benjamin Franklin, the self-made man who proves to be the wiliest of diplomats; George Washington, the commander in chief who learns the difficult art of leadership when the war seems all but lost. The story is also told from the British perspective, making the mortal conflict between the redcoats and the rebels all the more compelling. Full of riveting details and untold stories, *The British Are Coming* is a tale of heroes and knaves, of sacrifice and blunder, of redemption and profound suffering. Rick Atkinson has given stirring new life to the first act of our country's creation drama.

God Save Benedict Arnold Jack Kelly, 2023-12-05 Finalist New England Book Awards Vivid *The Wall Street Journal* A dazzling addition to the history of the American Revolution Kirkus Review starred Finally a full and fascinating portrait of a true hero of the American Revolution until he was visited by villainy A riveting read Tom Clavin *New York Times* bestselling author of *Follow Me to Hell* Benedict Arnold committed treason for more than two centuries that's all that most Americans have known about him Yet Arnold was much more than a turncoat his achievements during the early years of the Revolutionary War defined him as the most successful soldier of the era *GOD SAVE BENEDICT ARNOLD* tells the gripping story of Arnold's rush of audacious feats his capture of Fort Ticonderoga his Maine mountain expedition to attack Quebec the famous artillery brawl at Valcour Island the turning point battle at Saratoga that laid the groundwork for our independence Arnold was a superb leader a brilliant tactician a supremely courageous military officer He was also imperfect disloyal villainous One of the most paradoxical characters in American history and one of the most interesting *GOD SAVE BENEDICT ARNOLD* does not exonerate him for his treason the stain on his character is permanent But Kelly's insightful exploration of Arnold's career as a warrior shines a new light on this gutsy fearless and enigmatic figure In the process the book offers a fresh perspective on the reasons for Arnold's momentous change of heart

American Revolution Spencer C. Tucker, 2018-09-14 With more than 1,300 cross-referenced entries covering every aspect of the American Revolution this definitive scholarly reference covers the causes, course, and consequences of the war and the political, social, and military origins of the nation This authoritative and complete encyclopedia covers not only the eight years of the American Revolutionary War, 1775-1783, but also the decades leading up to the war, beginning with the French and Indian War and the aftermath of the conflict, with an emphasis on the early American Republic Volumes one through four contain a series of overview essays on the causes, course, and consequences of the American Revolution, followed by impeccably researched A-Z entries that address the full spectrum of political, social, and military matters that arose from the conflict Each entry is cross-referenced to other entries and also lists books for further reading In addition, there is a detailed bibliography, timeline, and glossary A fifth volume is devoted to primary sources, each of which is accompanied by an

insightful introduction that places the document in its proper historical context The primary sources help readers to understand the myriad motivations behind the American Revolution the diplomatic military and political maneuvering that took place during the conflict and landmark documents that shaped the founding and early development of the United States

The American Northern Theater Army in 1776 Douglas R. Cubbison,2010-03-08 The American War for Independence was under way before the signing of the Declaration of Independence but the Continental Army didn't have the force to back up the words This history explores the army's early failures in Canada with desertion and disease common among the ranks and how new leadership disciplined and reorganized the army and set the stage for a key victory at Saratoga in 1777

Band of Giants Jack Kelly,2025-09-23 Band of Giants brings to life the founders who fought for our independence in the Revolutionary War Jefferson Adams and Franklin are known to all men like Morgan Greene and Wayne are less familiar Yet the dreams of the politicians and theorists only became real because fighting men were willing to take on the grim risky brutal work of war We know Fort Knox but what about Henry Knox the burly Boston bookseller who took over the American artillery at the age of 25 Eighteen counties in the United States commemorate Richard Montgomery but do we know that this revered martyr launched a full scale invasion of Canada The soldiers of the American Revolution were a diverse lot merchants and mechanics farmers and fishermen paragons and drunkards Most were ardent amateurs Even George Washington assigned to take over the army around Boston in 1775 consulted books on military tactics Here Jack Kelly vividly captures the fraught condition of the war the bitterly divided populace the lack of supplies the repeated setbacks on the battlefield and the appalling physical hardships That these inexperienced warriors could take on and defeat the superpower of the day was one of the remarkable feats in world history

Freedom Jack D. Warren,2023-10-03 Published under the auspices of the American Revolution Institute of the Society of the Cincinnati Freedom The Enduring Importance of the American Revolution is a narrative history of the War for Independence It tells the pivotal story of the courageous men and women who risked their lives to create a new nation based on the idea that government should serve people and protect their freedom Written for Americans intent on understanding our national origins but also appropriate for teachers and secondary classrooms Freedom argues that the American Revolution is the central event in our history the turning point between our colonial origins and our national experience This volume includes 167 full color paintings maps illustrations and photos many of them seen only in historical institutions across the country The Freedom narrative spans from the American Revolution's origins in the nature of colonial British America a society in which freedom was limited and in which everyone was the subject of a distant monarch through the crisis in the British Empire that followed the French and Indian War to the events of the War for Independence itself and ultimately to the creation of the first great republic in modern history This is the story of how Americans came to fight for their freedom and became a united people with a shared history and national identity and how a generation of founders expressed ideals of liberty equality natural and civil rights and responsible citizenship ideals

that have shaped our history and will shape our future and the future of the world *Into the Tiger's Mouth* David T. Dana III, 2014-04-10 Inspired by the experiences of Richard Starr Dana author David T Dana III's great grandfather *Into the Tiger's Mouth* offers new perspectives on a turbulent period As a young man Dana lived in three vastly different Chinese cities Hong Kong Shanghai and Hankow Now his letters and reminiscences come to life Starr begins his adventure as an expatriate American merchant living a life of luxury in the British colony His curiosity pulls him deep within China's foreign culture where he fights greed and corruption As the British and French fight the opium wars and the Chinese Taiping Rebellion ravages the land Along the way Richard Starr faces death illness moral conundrums and profound loneliness in a culture he is worlds away from truly understanding Nothing is as he expects Conniving Chinese merchants help him with one hand and cheat him with another while China is threatened by violence and foreign invasion Amid rebellion war corruption poverty and opium conditions deteriorate around him Dreams of his own fortunes ebb and flow and he questions his identity Back at home Civil War tears America apart Nothing is as it should be An exciting story based on an ancestor From the shoot em up fights to the very subtle love story to the quest for money and conflict of values Phyllis Forbes Kerr editor *Letters from China* Moving and interesting stories in this fascinating novel bring the reader back to the days of the old China trade Yong Chen History Department University of California Irvine **Vicky Peterwald: Rebel** Mike Shepherd, 2016-05-31 From the New York Times bestselling author of the *Kris Longknife* series comes a military science fiction adventure featuring Vicky Peterwald Vicky Peterwald is no longer just the heir apparent to an imperial dynasty She survived naval training and proved her mettle in combat to help the starving people of the ravaged world of St Petersburg Now she is truly a Grand Duchess leading a growing battle fleet in a rebellion against the tyranny of her stepmother the Empress Determined to stop her spoiled stepdaughter's betrayal from upsetting the balance of power within the Peterwald Empire the Empress is leading her own armada to St Petersburg intent on killing Vicky and every soul on the planet that gave her refuge But Vicky is her father's daughter and it would be a grave mistake to underestimate her *The Mount Holyoke*, 1903 **Motivation in War** Ilya Berkovich, 2017-02-02 Explains the motivation of ordinary soldiers to enlist serve and fight in the armies of eighteenth century Europe **Rebels and Redcoats** Hugh Bicheno, 2004 Accompanying a four part BBC TV series this is the story of a vicious struggle between brothers friends and families which forged a new nation The book tells the history of the passionate violent and bloody events of America in the 1770s taking a controversial and revisionist view

If you ally habit such a referred **From Redcoat To Rebel** book that will provide you worth, get the utterly best seller from us currently from several preferred authors. If you desire to humorous books, lots of novels, tale, jokes, and more fictions collections are after that launched, from best seller to one of the most current released.

You may not be perplexed to enjoy all ebook collections From Redcoat To Rebel that we will no question offer. It is not roughly speaking the costs. Its more or less what you need currently. This From Redcoat To Rebel, as one of the most dynamic sellers here will agreed be accompanied by the best options to review.
