STUMBLING BLOCKS TO STEPPING STONES

The image features a composite background. In the foreground, a dark, textured brick wall is shown with several bricks missing or broken, creating an opening. Through this opening, a landscape is visible. A person, seen from behind, is walking along a path made of large, flat, light-colored stepping stones. The path leads towards a bright, glowing horizon where the sun is setting or rising, casting a warm, orange light across the sky and the landscape. The sky is filled with soft, orange and yellow clouds. The overall mood is one of hope and progress, despite the initial barrier represented by the broken wall.
