Anyone who would like to do a book-by-book study of grace in the New Testament epistles and the Bible as a whole will find this book immensely helpful. Therefore I see this book finding a significant audience amongst all sorts of Christians. Kevin Miller. The Way of Grace opens up a whole fresh understanding of the gift of grace revealed through the New Testament epistles. In its concise examples of how grace works to build on our relationship with Jesus Christ, this book will assist many Christians in understanding the full power and extent of this infinite gift of God. John Stanley. And therefore the Lord earnestly waits, expecting, looking and longing to be gracious to you. Blessed happy fortunate to be envied are all those who earnestly wait for Him, who expect and look and long for Him for His victory, His favor, His love, His peace, His joy and His matchless unbroken companionship. Isaiah 30:18a-c *The Expositor and Current Anecdotes*, 1911

John
 George R. Beasley-Murray, 2020-12-15 A companion series to the acclaimed Word Biblical Commentary. Finding the great themes of the books of the Bible is essential to the study of God's Word and to the preaching and teaching of its truths. These themes and ideas are often like precious gems; they lie beneath the surface and can only be discovered with some difficulty. While commentaries are useful for helping readers understand the content of a verse or chapter, they are not usually designed to help the reader to trace important subjects systematically within a given book of Scripture. The Word Biblical Themes series helps readers discover the important themes of a book of the Bible. This series distills the theological essence of a given book of Scripture and serves it up in ways that enrich the preaching, teaching, worship and discipleship of God's people. Volumes in this series. Written by top biblical scholars. Feature authors who wrote on the same book of the Bible for the Word Biblical Commentary series. Distill deep and focused study on a biblical book into the most important themes and

practical applications of them Give reader s an ability to see the big picture of a book of the Bible by understanding what topics and concerns were most important to the biblical writers Help address pressing issues in the church today by showing readers see how the biblical writers approached similar issues in their day Ideal for sermon preparation and for other teaching in the church Word Biblical Themes are an ideal resource for any reader who has used and benefited from the Word Biblical Commentary series and will help pastors bible teachers and students as they seek to understand and apply God s word to their ministry and learning
