From The Land Of Silent People:

From the Land of Silent People [by] Robert St. John Robert St. John, *Merchant of Words* Terry Fred Horowitz, 2014-02-21 During World War II Robert St John of NBC broadcast from London opposite CBS's Edward R Murrow. Afterward St John would become a noted writer and commentator on world affairs as well as a prominent and vocal supporter of the state of Israel. In *Merchant of Words* The Life of Robert St John Terry Fred Horowitz not only documents St John's accomplishments and adventures but takes readers behind the scenes with St John who for over three quarters of a century served as a firsthand witness to history as it was being made in Europe, Africa and the Middle East. From his auspicious beginnings when lying about his age in order to join the U S Navy during World War I to his final days as a well established author and righteous gentile, St John was both a participant and critical observer of American and world history. He became the youngest newspaper editor/publisher in the United States, breaking a story on prostitution in Cicero, Illinois that resulted in his beating by Al Capone's mob. When World War II began, he became a war correspondent for the Associated Press, later escaping from the Nazis when they invaded Yugoslavia; he was wounded by a Messerschmitt's strafing. He subsequently wrote *From the Land of Silent People*, the first full account of the fall of Yugoslavia and Greece during the war. Shortly afterward he was hired by NBC as a radio broadcaster covering the Blitz in London and D Day and becoming the first commentator to announce the end of the war in Japan. During the McCarthy era, he was pinklisted and his passport was confiscated for a year, stranding him in Switzerland. During its War of Independence, he started his lifelong love affair with Israel, becoming the only foreign correspondent to cover in person all of its wars, including the Israel-Lebanon War of 1982, during which he was known as the dean of correspondents. In addition to working as a regular contributor for the World Book Encyclopedia, St John eventually wrote twenty-three books, many of them about Israel and the Middle East. These included well-received biographies of David Ben-Gurion, Builder of Israel; Eliezer Ben-Yehudah, Tongue of the Prophets; Abba Eban; Eban and Gamal Abdul Nasser, The Boss. *The Story of Gamel Abdal Nasser*. *Merchant of Words* is a must-read for anyone interested in the history of journalism and the adventures of a recognized war correspondent. For historians and history buffs, it offers unique details from a journalist's perspective on World War II, the Cold War, the Red Scare, Vietnam, and the history of Israel and the Middle East. **From the Land of Silent People** Robert Saint John, 1942 *My Native Land* Louis

Adamic, 2018-12-02 BASED UPON THE AUTHOR'S EXCLUSIVE MATERIAL, THIS INCREDIBLE STORY OF YUGOSLAVIA, THE COUNTRY OF THE CROATIANS, SERBIANS AND THE SLOVENIANS AND HER HEROIC STRUGGLE, HOLDS A SIGNIFICANT LESSON FOR THE DEMOCRACIES. In a sequel to *The Native's Return* and *Two Way Passage*, Louis Adamic, writing with deeply felt conviction, tells the tragic story of Yugoslavia under Axis domination and of a struggle for power that will vitally affect the future of Europe and America. Drawing on his intimate knowledge of Yugoslavia and its people and on personal eyewitness reports which have been reaching him through secret channels, he paints the grim picture of life and

death under Axis occupation and shows what it actually means in terms of people's lives. These personal stories and portraits are unforgettable. They go behind the headlines to the experience that is the lot of people not in Yugoslavia but all of occupied Europe to the unbelievable heroism that lifts the heart and steels it for the time ahead. He tells also the story of Yugoslav resistance of two years of intensifying guerrilla warfare of a struggle that has been confused, bitter, tragic.

Reporting War Ray Moseley, 2017-02-21 This excellent wonderfully researched chronicle of WWII journalism explores the lives and work of embedded reporters across every theater of war. Chris Ogden, former Time magazine bureau chief in London, Luminary journalists Ed Murrow, Martha Gellhorn, Walter Cronkite, and Clare Hollingworth were among the young reporters who chronicled World War II's daily horrors and triumphs for Western readers. In *Reporting War*, fellow foreign correspondent Ray Moseley mines their writings to create an exhilarating parallel narrative of the war effort in Europe, Pearl Harbor, North Africa, and Japan. This vivid history also explores the lives, methods, and motivations of the courageous journalists who doggedly followed the action and the story often while embedded in the Allied armies. Moseley's sweeping yet intimate history draws on newly unearthed material to offer a comprehensive account of the war. *Reporting War* sheds much needed light on an abundance of individual stories and overlooked experiences, including those of women and African American journalists, which capture the drama as it was lived by reporters on the front lines of history. *From the Land of Silent People* Robert St. John, 1942 *Myths and Realities in Eastern Europe* Walter Kolarz, 1946 *Omnibook*, 1941

Indian Legends from the Land of Al-ay-ek-sa Harriet Rossiter, 1925 *Stories from the Night Land* William Hope Hodgson, 2016-05-02 Stories from the Victorian master of horror William Hope Hodgson. Enter the world of the Night Land and have your reality stretched in the Borderlands when you discover some ancient manuscripts. The masterful story telling will chill you in a way that makes you question all around you. Tread carefully through these lands or risk all. *The Broken Land* Ian McDonald, 2019-04-05 At once disturbing and beautiful, superbly realized. The Times London Grandfather was a tree. Father grew trux in fifteen colours. Mother could sing the double helix song, sing it right into the hearts of living things and change them. The Land is a living, breathing, sentient world where careful skills and talent can manipulate its very substance into a myriad of different shapes and forms. This is the world in which Mathembe Fileli grows up until the conflicts tearing her country apart shatter her village, her home, and her family and scatter them to the four winds. Can Mathembe reunite her family in a world full of angels, talking trees, squalor, and glory? Ian McDonald takes on all the atrocity and strife of the 20th Century, radically displaces it, and dares to envision a means of change. It's a brilliant achievement. Locus McDonald is a superior writer. Booklist *The Waste Land* Matthew Hollis, 2022-12-20 A New Statesman Financial Times Observer and Sunday Times Book of the Year. An impressive examination of artistic creation. Alex Clark Guardian. A riveting account of the making of T. S. Eliot's celebrated poem *The Waste Land* on its centenary. Renowned as one of the world's greatest poems, *The Waste Land* has been said to describe the moral decay of a world after war and the search for meaning in a meaningless era.

It has been labeled the most truthful poem of its time it has been branded a masterful fake A century after its publication in 1922 T S Eliot s enigmatic masterpiece remains one of the most influential works ever written and yet one of the most mysterious In a remarkable feat of biography Matthew Hollis reconstructs the intellectual creation of the poem and brings the material reality of its charged times vividly to life Presenting a mosaic of historical fragments diaries dynamic literary criticism and illuminating new research he reveals the cultural and personal trauma that forged *The Waste Land* through the lives of its protagonists of Ezra Pound who edited it of Vivien Eliot who sustained it and of T S Eliot himself whose private torment is woven into the seams of the work The result is an unforgettable story of lives passing in opposing directions and the astounding literary legacy they would leave behind **The Structure of Brazilian Development** Neuma

Aguiar,1979-01-01 Having experienced a period of crisis the young scholars included in this anthology provide evidence that critical periods can be favorable to the flourishing of the social sciences and that crises in society and the polity may provide new incentives for the profession The authors have used the most critical period of Brazil s change from a liberal to an authoritarian government to further their training in Europe and the United States returning to their country to shed new light on past and current events They have adapted their training to a non liberal environment and combined local research with a universalistic orientation in their analyses of Brazilian social structure This book investigates the roles of the peasantry in Brazilian society past and present It describes the pact established between traditional rural elites and the central government which favored the previous populist style of urban politics but left unaltered the rural social structure In addition to analyzing the political trade offs between the traditional elite and the central government the authors focus on the class structure within which peasant leagues emerged The country s political development is analyzed through a bi polar political structure wherein populist and authoritarian regimes alternate in power Other aspects of the military government s impact are discussed through the use of public policy models aimed at analyzing the output of both liberal and authoritarian regimes Continuity between the current administration and previous authoritarian governments is shown as well as new developments such as changes in municipal taxation which allow for the emergence of new technical elites The increase in authoritarian legislation is discussed within this analytical framework as is the expansion of entrepreneurial activities This book brings together the analytical result of recent research by a distinguished group of young Brazilian social scientists It is the first book written in English about Brazil by Brazilians and as such represents an extremely important contribution to the literature An up to date selected bibliography on social science research in Brazil from 1960 77 is an essential reference point for all future undertakings Shepard Forman Department of Anthropology University of Michigan [Blackwood's Edinburgh Magazine](#) ,1820 *A Brutal Land* , **The Gospel in All Lands** ,1882 [White Whole](#) Surazeus Astarius,2019-03-20 *White Whole* presents 1 136 lyrics pastorals satires elegies and narrative poems written in 2018 by Surazeus that explore the evolution of the universe since the First Flash from the *White Whole* *The Wonderful Land of*
