From Then Til Now:

From Then 'til Now Carol Peterson, 2004 I have felt for many years that there have perhaps never been a 75 to 100 years that have seen so much progress and change both for good and bad Life has always been mixed with both good times and bad times and so it will until the Lord returns But this type of good and bad is not what I am writing about In the horse and buggy era and early years of the car there were a lot of hard times poverty sickness and epidemics but by and large the moral fiber of most people was much better than now There are many things to blame but the sad part of this is that I believe the Christians are the most to blame for not getting involved The scapegoat idea it s all in the Lord s hands we don t have to worry or do anything In the meantime much has happened because of the ACLU our court system the pressure of the entertainment world and the Democratic party and too many Republicans voting wrong It is already illegal for the kids to pray in school or even take their Bible to school They are trying to get In God We Trust off our money and take for God and Country out of the Pledge of Allegiance However I feel there is a trend now of thinking seriously about God and morals and hard work and there will have to be if this world is going to last So I am dedicating this to my nine children grandchildren and great grandchildren and anyone who reads it that it will help them see what a change has taken place in the 1900 s and that it might help them on the road of life plus hopefully bring some enjoyment

Unifruitco ,1928 *Judas the Christ* Kyle

Weyburne,2023-07-06 Enclosed is a two part novel inspired by the unusual goings on in the Promised Land in the last two centuries BC The first part of this book is set in the 160 s BC when Israel was under Greek control and a Royal Decree promising death to any Jews who didn t follow Greek ways had just been issued From the mire a prophecy emerged which predicted that a Messiah would come and liberate them and true to its word Judas Maccabeus appeared He led a paltry band of under armed and ill equipped Jews against the mighty Greek army and against all the odds vanquished the enemy Due to his heroics many thought that he was the manifestation of the prophecy many believed that Judas was the Messiah The second part of the book is also included and is set around the time of Christ Times had been good for the Jews but the Roman menace was closing in As they turned the screws the Maccabees started to lose their shine and so the prophecy was rewritten This led to a swathe of wannabe messiahs emerging to claim the title Roman intervention leads to the most Western of these contenders being accepted as the true messiah This prophecy is real It had been lost to time until this book Its potency inspired the rebellion against the Greeks and then 160 years later led to the phenomenon of messianic contenders that emerged at the time of Jesus And while some of the ideas expressed within these pages may seem extraordinary they reanimate what actually happened 2 000 years ago and reveal the great effect Roman manipulation had on history The Romans were master propagandists and their actions in those distant times have had a huge impact on the World in which we live Conspiracy theories are a dime a dozen these days usually based on spurious ideas but this is the opposite This was a conspiracy but one that has been so well covered up that no one will believe it **Catalog of Copyright Entries** Library of Congress. limpy is a gripping story about men of faith limpy Mishpat and Didasko who are mortified to discover that even in the church they love the ways of the Bible have been corrupted exactly as foretold by Jesus 2 000 years before They suffer as they realize that cherished practices are not only wrong but cannot possibly meet the needs of God s children This anguishing discovery compels them to actions they could not have imagined Their answer to the plague of today s church which makes *limpy* a must read book is wonderfully enriched by the nobility of their lives as the tale unfolds But there is more Truth that is greater than life emerges from deep within the pathos of their struggle A groan uttered by creation itself travails for the manifesting of the sons of God There is an unquenchable thirsting an insatiable hungering for His fullness a groaning to be home with Him forever When you read *limpy* you will know it is so and you will be comforted The book is both promise and warning In the fullness of time God will gather believing Jews and Gentiles to be a holy temple a dwelling place for Himself in the Spirit **Star Power** Sande Shurin,2009-10-01
