Redman, 1859      **Women in John's Gospel**

Susan Miller, 2023-01-26 Closely examines John s portrayal of women in relation to discipleship and the theme of new creation arguing that these depictions are influenced by his apocalyptic world view By employing historical and literary methods of biblical interpretation to analyse John s presentation of women and gender Miller explores the extent to which John gives any indications of the female role in both John s community and the beginnings of the Christian faith Beginning with the Virgin Mary s portrayal at the wedding at Cana where she prompts Jesus to carry out his first sign Miller then thoroughly assesses several crucial female characters in John to stress how Jesus female followers truly recognise him as the Messiah These include the Samaritan woman Martha and Mary of Bethany and Mary Magdalene and her encounter with Jesus in the garden Crucially Miller suggests that John s frequent use of woman links these female followers particular Jesus venerated mother with the figure of Eve in Genesis and she concludes that women are associated with the hour of Jesus when he casts out the ruler of the world and inaugurates the new creation      **Blackwood's Edinburgh Magazine** , 1823

Stevenson, 1920      **Be My Knife** David Grossman, 2003-04-19 The international bestseller *Be My Knife* is a compelling love story from David Grossman the leading Israeli novelist of his generation We could be like two people who inject themselves with truth serum and at long last have to tell it the truth I want to be able to say to myself I bled truth with her yes that s what I want Be a knife for me and I I swear will be a knife for you An awkward neurotic seller of rare books writes a desperate letter to a beautiful stranger whom he sees at a class reunion This simple lonely attempt at seduction begins a love affair of words between Yair and Miriam two married middle aged adults dissatisfied with their lives yearning for the connection that has always eluded them and eventually reawakened to feelings that they thought had passed them by Their correspondence unfolds into an exchange of their most naked confessions of desire childhood tragedies joys and humiliations Through the dialogue between Yair a family man and surprisingly successful adulterer whose complex guarded letters reveal

a life of secrets kept from the people closest to him and Miriam at first deceptively open and warm who fills her life with distraction to avoid a past full of painful secrets *Be My Knife* explores the nature and the limits of intimacy A deep departure from David Grossman's previous work *Be My Knife* is his subtlest most passionate novel yet Facing Loss and Death Peter Hühn, 2016-08-22 Lyric poetry as a temporal art form makes pervasive use of narrative elements in organizing the progressive course of the poetic text This observation justifies the application of the advanced methodology of narratology to the systematic analysis of lyric poems After a concise presentation of this transgeneric approach to poetry the study sets out to demonstrate its practical fruitfulness in detailed analyses of a large number of English and some American poems from the early modern period to the present The narratological approach proves particularly suited to focus on the hitherto widely neglected dimension of sequentiality the dynamic progression of the poetic utterance and its eventful turns which largely constitute the *raison d'être* of the poem To facilitate comparisons the examples chosen share one special thematic complex the traumatic experience of severe loss the death of a beloved person the imminence of one's own death the death of a revered fellow poet and the loss of a fundamental stabilizing order The function of the poems can be described as facing the traumatic experience in the poetic medium and employing various coping strategies The poems thus possess a therapeutic impetus *Plumbers, Gas and Steam Fitters Journal*, 1911 *New Monthly Magazine*, and *Universal Register*, 1874

*Year of Prophecy* Elizabeth Clare Prophet, Summit University Press, 1989 Truth on Trial Andrew T. Lincoln, 2019-09-25 Religious truth has always been in dispute but there are certain times and places in which the debate has been more intense One such period was the first century CE when the rapid spread of Christianity with its claims about Jesus produced considerable ferment The Gospel of John written late in that century presents that dispute with greater clarity than any other document of the time John presents a Jesus who claims not only to tell the truth but also to be the truth And yet as the Roman magistrate asks Jesus in John's gospel what is truth Two millennia later in the Western world pluralism and postmodernism radically challenge traditional notions of truth Is there any truth beyond the formal logic of merely analytical propositions And if there is do humans have any way of knowing it Many who have a postmodern perspective deny that either rationality or imagination can give us access to the truth Instead they adopt a throughgoing incredulity toward metanarratives Truth is again on trial **The Lady of the Isle** Emma Dorothy Eliza Nevitte Southworth, 1859 The Lady of the Isle, Or, The Island Princess Emma Dorothy Eliza Nevitte Southworth, 1886 **Where the Eagles Gather** Elizabeth Clare Prophet, 1982-08 *Becoming John* Kari Syreeni, 2018-10-18 In this new analysis of the Gospel of John Kari Syreeni argues that the gospel is a heavily reworked edition of an earlier Johannine work and that the original did not include Jesus' passion Syreeni theorizes that the original gospel ended at Chapter 12 with the notion of Jesus' disappearance from the world and that the passion narrative was incorporated by a later editor freely using the existing gospels of Mark and Matthew Syreeni suggests that the letters of John written after the predecessor gospels but before the final edition reveal a schism in the

Johannine community that was caused by the majority faction's acceptance of Jesus' death and resurrection as it was then recorded in the new gospel. By exploring the gospel's different means of legitimizing the passion story such as the creation of the Beloved Disciple to witness Jesus' passion and the foreshadowing of the resurrection of Jesus in the miracle of Lazarus, Syreeni provides a bold and provocative case for a new understanding of John.

**Witness at the Cross** Amy-Jill Levine, 2021-12-28

Place yourself as a witness of the cross and determine what your own testimony will be. Experience Holy Friday from the perspective of those who watched Jesus die: Mary his mother, the Beloved Disciple from the Gospel of John, Mary Magdalene and the other women from Galilee, the two men usually identified as thieves crucified with Jesus, the centurion and the soldiers, Joseph of Arimathea and Nicodemus, Jews and Romans, friends and strangers, the powerful and the powerless, the hopeful and the despairing. The story of Jesus's death is not something we just read; we think about it and we experience it; we hear the taunts of the soldiers, the priests, and the passersby even as we hear the famous seven last words from the cross. In *Witness at the Cross*, Amy-Jill Levine shows how the people at the cross each have distinct roles to play. Each Evangelist presents a distinct picture of the death of Jesus. Each portrays different individuals and groups of people at the cross; each offers different images and dialogues, and so from each we learn how those meanings and messages cross the centuries to any who would come to the cross today. Each Gospel has its own story to tell; all the witnesses have their own memories, and every reader comes away with a new insight. The witnesses at the Crucifixion watch Jesus die, and we watch with them, and we watch them. And we come away transformed. Additional components available for a six-week study include a DVD featuring Dr. Levine and a comprehensive Leader Guide.
