A help to the private and domestic reading of the Holy Scriptures; including several essays; ... an arrangement of the Books of the Old and New Testament in Chronological order: an analysis of Mr. Mede's scheme of the Apocalypse, etc John LEIFCHILD (D.D.), 1831 NIV, Streams in the Desert Bible L. B. E. Cowman, 2013-03-05 Are you in a desert experience? Let your thirsty soul be restored and refreshed through the daily devotions in the NIV Streams in the Desert Bible. At some point in our lives, we encounter the trials and deep mysteries of the Christian faith. And when we do, we become like a thirsty traveler: what we most desire is for hope, comfort, and encouragement to burst forth like a sparkling clear river. The hopeful daily readings in this Bible promise to revive and refresh you, one of today's generation of faithful sojourners, by providing daily devotions in modern, easy-to-understand language that beautifully captures the timeless essence of the original. These devotionals are presented alongside Scripture using the popular New International Version of the Bible. While the devotions in this Bible were originally written by L. B. Cowman, a pioneer missionary in Japan and China from 1901 to 1917, this devotional Bible has been edited by James Reimann. It maintains the beauty of the original Cowman writings while making the devotionals more accessible for the readers of today. Features: Complete text of the clear, accessible NIV Bible; 365 daily readings of strength and encouragement from L. B. Cowman; Foreword by Jim Reimann.

Finding Christ Through Social Media: Year One #A365DayJourney to Learning How to Walk with God #TruthwithGrace Lea Michelle Johnson, 2017-03-16 A nonfiction daily devotional with a twist. This is a story of a stay-at-home mother who was forgetting how to put God first in her day. This led to much struggle, as God should be number one, but in going with the busy ways of the world, it's far too easy to forget how to see God in each new day. Lea Michelle's journey shows that walking with God is not something that is learned overnight. It takes great practice to learn how to be in the world but not of it. It takes a good, solid year—365 days—to build a lifelong routine of knowing how to make Christ a part of your day, each and every day. It takes a year to discover how to never lose sight that the Holy Spirit gives us

our daily bread and walks with us always Lea Michelle s prayer is that you will pick up a pen and follow along with her journey She has challenging questions at the end of each day for you to ponder Challenge yourself and hold yourself accountable to walking with God each new day along with Lea Michelle Share your heart for others to see on social media with the hashtag A365DayJourney or share your discoveries in a private notebook She prays that you too will open your eyes to a daily life walking hand in hand with our Savior Jesus Christ

Times of Victory Pedro Luis Adames Valdez,2014-07-28 Times of Victory by Pedro Luis Adames Valdez A Place Under God s Wing The Meditations of Pedro Luis Adames Valdez The topic of religion is one that s becoming increasingly contested with the advent of globalization as it became increasingly apparent that there are more many more faiths out there than meet the eye Each and every one has its own belief system and designations with a few being much more heavily proliferated and discussed than others namely Christianity Judaism and Islam Simultaneously the sceptics are more numerous than ever before with atheism and agnosticism gaining popularity especially amongst the intelligent elite Whether or not you re a religious person though I believe that there is much for us to learn from the teachings passed down through holy scriptures for they often connect with our lives in surprisingly non religious ways I myself am not a religious person and thus it is precisely the approach I took to Times of Victory by Pedro Luis Adames Valdez For those who aren t familiar with the man Valdez came from the small town of Altigracia High Grace in the Dominican Republic and to keep things short his life definitely hasn t been on the easy side Squalor and a fractured family set the stage for his road towards God and since then he has grown into an international sensation his preaching having been heard in a couple dozen countries around the world In this book of his Valdez expresses the culmination of his life s work and experience following God serving him and his fellow man as best he can It s divided into twenty three chapters each one tackling a specific topic always in relation to religion such as the importance of obeying God of learning to recognize his miracles and how to reach out and bask in his light just to name a few However in addition to that Valdez also takes the time to create connections between those religious teachings and our daily lives looking at ways in which we can apply them to our mundane trials and tribulations Ultimately he

seeks to impart a mindset which he believes can help one to attain happiness while improving the world around them He complements his meditations with various passages from the bible which hold special significance for him as well as personal stories and anecdotes that help cement his ideas A Matter of Approach To start things off let us examine this book as viewed from the perspective of a devout Christian Though I myself cannot be classified in that group I can still provide my objective opinion which is that Times of Victory is a thinking person s book that could serve people of any religion quite well The interpretations and arguments are as far from baseless as you can imagine with there always being a firm logical structure based on concrete experiences to back everything up Valdez has this gift of being able to interpret biblical texts in a sort of practical rational and modern way to help them gain a meaning that is concurrent with contemporary times His approach to understanding his religion is one many of us would do well to model after In other words I believe if you re a religious person at best you ll gain plenty of new and interesting insights to mull over and at worst you ll come to learn about Valdez s unusual perspective on things On the other hand if like myself you are not a religious person then you re likely thinking that this book is just not up your alley and not even consider it However there is much to be learned here outside the scope of God and religion a way of life that anyone can apply themselves to and strive to improve the world around them Valdez gives very tangible reasons and arguments as to why a life dedicated to helping others and appreciating the beauty of this world is one heavily worth considering and that alone I believe is reason enough to read it A Marriage of Entertainment and Religion So far I may have made it sound like this book is a strict and serious work of writing one must read wit furrowed brows However the truth is much closer to the opposite side of the spectrum The many personal stories and anecdotes shared by Valdez are often touching revealing thought provoking and comical with the man having a great sense of humour as well as quality penmanship to help convey it While some of them do feel a tad tame in comparison with the gut wrenching biographies of the innumerable James Bonds and Ramboes that seem to have graced the world in the past decades they all have a curious if not educative element that elevates them above the status of mere stories None of the passages feel boring or as if they drag on with virtually all chapters lasting one to three pages concise as ever in their purpose As a matter of fact at about seventy pages long there is literally nowhere to get bogged down in this book and you ll no doubt finish it in a short evening In other words the author understands exactly what his audience wants and needs While there are a few tiny hiccups when it comes to the translation on the whole the book is well written and I wager none of the meaning has been lost The Final Verdict To finish things off I believe Times of Victory to be an insightful funny and educative read that will serve different people in varying ways depending on which walks of life they come from If you have an afternoon to spare and would like to witness a learned man s perspective on God life and the human condition then you should definitely give the book a shot The road towards absolute enlightenment appears infinite but I feel this is one piece of writing that can move us forth along that path ever so slightly
