## **Frommers Costa Rica 2004:**

Frommer's Costa Rica 2004 Eliot Greenspan, 2003-08-22 You'll never fall into the tourist traps when you travel with Frommer's. It's like having a friend show you around taking you to the places locals like best. Our expert authors have already gone everywhere you might go; they've done the legwork for you and they're not afraid to tell it like it is, saving you time and money. No other series offers candid reviews of so many hotels and restaurants in all price ranges. Every Frommer's Travel Guide is up to date with exact prices for everything, dozens of color maps and exciting coverage of sports, shopping and nightlife. You'd be lost without us. Completely updated every year, unlike most of the competition, Frommer's Costa Rica features gorgeous color photos of the lush rain forest, the amazing array of wildlife and the spectacular beaches that await you. Personally researched by a longtime resident, it's the only truly up to date guide that gives you such in depth coverage of this fast changing country with recommended accommodations in every price category. You'll visit rugged wilderness preserves and sleepy beach towns, spectacular orchid gardens and mineral hot springs at the foot of a steaming volcano. There are adventures here to suit all ages and abilities: swooping from treetop platform to treetop platform on a canopy tour, taking a dip in a jungle swimming hole, spotting playful spider monkeys as you hike through lush foliage, windsurfing on Lake Arenal or watching endangered sea turtles nest on the beach. With Frommer's in hand, you'll experience the wonder of Costa Rica's amazing biodiversity as we point out the best places to see hundreds of unique, colorful species of animals and plants. You'll even get a color fold out map and an online directory that makes trip planning a snap.

*Frommer's Caribbean Cruises & Ports of Call 2004* Heidi Sarna, Matt Hannafin, 2003-08-29 A cruise is a complete vacation, so it's important that you choose the one that's right for you. Frommer's Caribbean Cruises Ports of Call is the most user friendly, opinionated and informative guide you can buy before you set sail. Unlike other guides that try to cover cruises around the entire world in one volume, we focus solely on the Caribbean so we can bring you much more in depth coverage. Unlike those used in other guides, our rating system is simple. We break down the essential elements of a cruise experience: dining, activities, children's activities, entertainment, service, overall enjoyment and overall value, and rate them from poor to outstanding. Photos of each ship combine with the text to give a better sense of the very real differences among the various lines. Most important, this is the only cruise guide that provides the real prices people pay for cruises, not just the rack rates. Other guides tell you that a seven night cruise aboard Royal Caribbean's Brilliance of the Seas costs 2,099. You can pay that if you want to, but only Frommer's tells you that the same cruise is selling for 649. We give both the rack rates and the discount price for every cruise in the Caribbean. This feature alone makes Frommer's Caribbean Cruises and Ports of Call by far the most valuable trip planning book among cruise guides. Our authors, noted cruise experts who've personally checked out every ship sailing the Caribbean, offer candid and unbiased opinions on them all. They are completely up to date with all the latest developments and the newest ships. You'll also get complete coverage of 35 Caribbean port destinations with advice on how to spend your
