Sonneborn,2025-08-01 Spain highlights major destinations within the country and the people who shape the nation's culture. Readers will learn about the geography, wildlife, history, people, and economy of Spain, gaining an understanding of what life looks like in the country today. Features include a glossary, a map, references, websites, source notes, and an index. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of ABDO Publishing, a division of ABDO.

*Flamenco Nation* Sandie Holguín,2019-06-11 How did flamenco, a song and dance form associated with both a despised ethnic minority in Spain and a region frequently derided by Spaniards, become so inexorably tied to the country's culture? Sandie Holguín focuses on the history of the form and how reactions to the performances transformed from disgust to reverence over the course of two centuries. Holguín brings forth an important interplay between regional nationalists and image makers actively involved in building a tourist industry. Soon they realized flamenco performances could be turned into a folkloric attraction that could stimulate the economy. Tourists and Spaniards alike began to cultivate flamenco as a representation of the country's national identity. This study reveals not only how Spain designed and promoted its own symbol but also how this cultural form took on a life of its own.
