Why Settle for the Balcony? Marilyn Sherman, 2014-09 Life is too short to be stuck in the balcony. This motivational book will help you move from where you are to the front row of your life.

Evangelism Sean McGeever, 2023-05-17 Evangelism is the heart of pastoral care. In Evangelism For the Care of Souls, Sean McGeever reminds ministers that announcing and reannouncing the good news of Jesus is central to pastoral care. The crucified Jesus has been raised from the dead and is Lord of all. The gospel rightly belongs at the start of a Christian's life, but its role does not end there. It is the balm and cure of our hearts for all of life. And evangelists must not confuse the messenger with the message. We must all be evangelized and re-evangelized. Avoiding a simplistic, manipulative, or guilt-inducing message, Evangelism For the Care of Souls presents a vision and strategy for ministers to evangelize in a way that is refreshing, biblical, and sustainable.

Words Monique Massey, 2011-07-28 As you read this book, something in your life will change. Do you trust that God can turn the problems that got you bound? Does this book help you in anyway as a mother, wife, or just a person? If so, then my work is this time is done, but if you still have questions, then my work isn't completed. Did I answer God's calling in my life? On this book, Can a wife stand up stronger and higher on dark, these worlds of abuse, drugs, and low self-esteem? I have to believe with all my faith that this book will be what God wants it to be. What I need it to be for my family, and that's hope, because we know and understand that Only what you do for God will last always. Let me help those families in Jesus' name. As a writer, I always talk to myself in my mind, and I feel that I have to get it out of me so people can hear this. I'm not the only one, let me stop a family from breaking up and stop disorder in the house from coming. I need families to last this test in this world. God can help change all hardships that you may have. So I need you all to survive, so why not do it together? Thanks, M. Massey.
