Frontier Ablaze The Northwest Frontier Rising 189798:

The Frontier Ablaze Michael Barthorp,1996 Of all the actions fought on India s Northwest Frontier today s Afghanistan and Pakistan the campaign of 1897 was the most threatening to the British Empire A widespread alliance of Frontier tribes overran numerous British outposts and even occupied the fabled Khyber Pass itself India was directly threatened and Britain s international prestige suffered Michael Barthorp a foremost authority on the British Army and it s uniforms chronicles the year long campaign to regain the Khyber Pass A series of color plates presents the most accurate depiction based on the most recent research of the uniforms of the various participants Edge of Empire Christian Tripodi,2016-04-29 Britain s often rather ad hoc approach to colonial expansion in the nineteenth century resulted in a variety of imaginative solutions designed to exert control over an increasingly diverse number of territories One such instrument of government was the political officer Created initially by the East India Company to manage relations with the princely rulers of the Indian States political officers developed into a mechanism by which the government could manage its remoter territories through relations with local power brokers the policy of indirect rule By the beginning of the twentieth century political officers were providing a low key affordable method of exercising British control over native populations throughout the empire from India to Africa Asia to Middle East In this study the role of the political officer on the Western Frontier of India between 1877 1947 is examined in detail providing an account of the personalities and mechanisms of colonial influence tribal control in what remains one of the most unstable regions in the world today It charts the successes failures dangers and attractions of a system of power by proxy and examines how working alone in one of the most dangerous and lawless corners of the Empire political officers strove to implement the Crown s policies across the North West Frontier and Baluchistan through a mixture of conflict and collaboration with indigenous tribal society In charting their progress the book provides a degree of historical context for those engaging in ambitious military operations in the same region seeking to increasingly rely on the support of tribal chiefs warlords and former enemies in order for new administrations to function As such this book provides not only a fascinating account of key historical events in Anglo Indian colonial history but also provides a telling insight and background into an increasingly seductive aspect of contemporary political and military strategy **Loyal to Empire** Patrick Crowley,Gary Sheffield,2016-05-02 Winston Churchill did not describe General Sir Charles Monro in the most glowing terms Referring to Monro s brave decision to recommend a withdrawal from the Gallipoli disaster Churchill said He came he saw he capitulated Monro was one of a handful of senior officers selected to command a division with the British Expeditionary Force in 1914 and also led a corps on the Western Front as the war progressed After Gallipoli he was instrumental in supporting the war effort from India as commander in chief and was directly involved in the aftermath of the Amritsar massacre by Brigadier General Dyer His earlier life included distinguished service on the North West Frontier and in South Africa and he was responsible for dramatically improving tactics within the army *Loyal to Empire* brings to life the

interesting character of General Monro perhaps the least well known of all the British First World War commanders and reassesses the legacy of his important military contributions Objects and Frontiers in Modern Asia Lipokmar Dzüvichü, Manjeet Baruah, 2019-03-06 Focusing on the geographies between the Mekong and the Indus this book brings objects to the centre of enquiry in the understanding of modern Asian frontiers It explores how a range of objects have historically been significant bearers and agents of frontier making For instance how are objects connected to aspects of state making social change everyday life diplomacy political and ecological worlds capital forms of violence resistances circulations and aesthetic expressions This book seeks to interrogate and understand the dynamism of frontiers from the vantage point of objects such as salt rubber tea guns silk scarves horses and opium It attempts to explore objects as sites of encounter mediation or dislocation between the social and the spatial The book not only locates objects in the specificities of frontier spaces but it also looks at how they are produced circulated and come to be intricately linked to a wide range of people institutions networks and geographies In the process it explores how objects traverse and come to inhabit multiple historical cultural and geographical scales This book will be of interest to researchers and academics working in areas of history social and cultural anthropology Asian studies frontiers and borderland studies cultural studies political and economic studies and museum studies Twenty Years on the Northwest Frontier (1906) George Batley Scott, 2009-05 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **On a Passing Frontier; Sketches from the Northwest** Frank Bird Linderman, 2012-08 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *The Frontier in the Formative Years, 1783-1815* Reginald Horsman, 1970 **On a Passing Frontier** Frank Bird Linderman, 1920 **Campaigns on the Northwest Frontier** H.
