Frontier Stories Of The Klamath County:

The Center of the World, the Edge of the World Frederick L. Brown, 2011 **Frontier Stories of the Klamath Country**
Carrol B. Howe, 1989 *The Golden Frontier* Herman Francis Reinhart, 2014-08-27 The gold rush was Herman Francis Reinhart's life for almost twenty years From the summer of 1851 when as a boy in his late teens he traveled the Oregon trail to California until a January day in 1869 when he climbed aboard an eastbound train at Evanston Wyoming he was a part of every gold discovery that stirred the West Reinhart dipped his pan in the streams of northern California and western Oregon in Humbug Creek Indian Creek Rogue River and Sucker Creek He made the arduous and dangerous overland journey through Indian occupied western Washington and British Columbia to find the Fraser River gold even more elusive than that farther south With his teams and wagons he traversed all of the inland mine areas from Walla Walla to Fort Benton from Boise Basin to South Pass City Reinhart's German common sense soon turned him from actual mining to other sources of income but whatever his labor was the mines were always the focal point of his activities When he operated a bakery and saloon it was a business whose customers were miners whose transactions were more likely to involve gold dust than legal tender and whose gambling tables saw the exchange of mining fortunes When he operated a whipsaw mill the timbers cut there were used by miners for sluices and cradles For a while Reinhart farmed but planting and harvesting suffered from interruption by frequent expeditions to the mines And when he prospered as a teamster it was to and from the mining towns that he hauled passengers supplies and equipment The men who like Herman Francis Reinhart hopefully followed the golden frontier were not an articulate group and the written records of their lives are few and fragmentary But Reinhart in his later years recorded his experiences in five long narrow hardback ledgers Many years after he died his daughter gave the ledgers to a friend in Chanute Kansas Nora Cunningham who read the narrative became fascinated by it and typed it for publication Reinhart's account written in a grammar and language all his own is not a record of the historian's West but of the West of the individual miner The pages are filled with the details of day to day life of the miners the subjects that interested them the problems that plagued them their fun and feuding their frustrations and hopes Edited by an authority of the history of the West it is a book that will offer exciting reading to casual readers and scholars alike *Oregon, End of the Trail*, 1940

Genuine Frontier Liberty Jon Garate, This book is about liberty as it existed in one homestead community on the American frontier in an isolated high desert region of northeast California and how the Genuine Frontier Liberty was made possible by customary common law and a complete absence of government intrusion restraint and enforcement IRE It is the personal account of the author Jon Garate along with various oral histories from the pioneer era through the homestead era This describes the purest form of liberty and self governing that can exist Here we see the Triangle of Liberty depicted on the cover the triangle being one of the strongest geometric forms known Liberty is supported by a triangle mounted on the great foundation stones of customary common law on one side and freedom from government on the other The minuteman at the

right of the Triangle of Liberty is taken from a picture of the author in 1964 The upper background picture is the author's family homestead in 1980 taken from a point on the north base of Spanish Springs Peak an extinct volcano in northeast California The view is looking across the Madeline Plains to the northwest The white building to the left of the triangle is the original homestead house built in 1910 The lower background picture is of the homestead workshop around 1950 This picture is looking east from the ranch house toward the shop which is the larger central structure with the A frame structure in front The shop was the first structure built on the homestead in 1909 The A frame is the smokehouse for curing meat The structure to the right of the shop is the chicken house To the center right is the old horse drawn light freight wagon which was the first vehicle driven by the author as a young boy The person on the right is the author's father Thomas Jefferson Garate 1906 1988 On his left is the author's mother Faye Haley Garate 1920 2016 The chickens are unnamed **PNLA Quarterly** Pacific Northwest Library Association, 1989 Oregon Writers' Program (Or.), 1940 **Oregon Historical Quarterly** Oregon Historical Society, 2014 **The WPA Guide to Oregon** Federal Writers' Project, 2013-10-31 During the 1930s in the United States the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country's shared history and culture The American Guide series consists of individual guides to each of the states Little known authors many of whom would later become celebrated literary figures were commissioned to write these important books John Steinbeck Saul Bellow Zora Neale Hurston and Ralph Ellison are among the more than 6 000 writers editors historians and researchers who documented this celebration of local histories Photographs drawings driving tours detailed descriptions of towns and rich cultural details exhibit each state's unique flavor The WPA Guide to Oregon contains some quaint features including a chapter entitled Tall Tales and Legends and a recipe for huckleberry cakes The impact of the depression on the people of the Beaver State is discussed and the beauty of the state is emphasized from the tips of the Cascadian Mountains to the agricultural region of Willamette Valley **Catalog of Printed Books. Thrapp, 1991-06-01 Includes biographical information on 4 500 individuals associated with the frontier **The National Register of Historic Places**, **Congressional Record** United

States. Congress,1959 The Modoc War Robert Aquinas McNally,2017 On a cold rainy dawn in late November 1872 Lieutenant Frazier Boutelle and a Modoc Indian nicknamed Scarface Charley leveled firearms at each other Their duel triggered a war that capped a decades long genocidal attack that was emblematic of the United States conquest of Native America s peoples and lands Robert Aquinas McNally tells the wrenching story of the Modoc War of 1872 73 one of the nation s costliest campaigns against North American Indigenous peoples in which the army placed nearly one thousand soldiers in the field against some fifty five Modoc fighters Although little known today the Modoc War dominated national headlines for an entire year Fought in south central Oregon and northeastern California the war settled into a siege in the desolate Lava Beds and climaxed the decades long effort to dispossess and destroy the Modocs The war did not end with the last shot fired however For the first and only time in U S history Native fighters were tried and hanged for war crimes The surviving Modocs were packed into cattle cars and shipped from Fort Klamath to the corrupt disease ridden Quapaw reservation in Oklahoma where they found peace even more lethal than war The Modoc War tells the forgotten story of a violent and bloody Gilded Age campaign at a time when the federal government boasted officially of a peace policy toward Indigenous nations This compelling history illuminates a dark corner in our country s past **Indians of Oregon** Oregon State Library,1969 General Technical Report PNW-GTR ,1995
