the Age of Jackson prize winning historian Christina Snyder reinterprets the history of Jacksonian America Most often this drama focuses on whites who turned west to conquer a continent extending liberty as they went Great Crossings also includes Native Americans from across the continent seeking new ways to assert anciently held rights and people of African descent who challenged the United States to live up to its ideals These diverse groups met in an experimental community in central Kentucky called Great Crossings home to the first federal Indian school and a famous interracial family Great Crossings embodied monumental changes then transforming North America The United States within the span of a few decades grew from an East Coast nation to a continental empire The territorial growth of the United States forged a multicultural multiracial society but that diversity also sparked fierce debates over race citizenship and America's destiny

Great Crossings a place of race mixing and cultural exchange emerged as a battleground Its history provides an intimate view of the ambitions and struggles of Indians settlers and slaves who were trying to secure their place in a changing world Through deep research and compelling prose Snyder introduces us to a diverse range of historical actors Richard Mentor Johnson the politician who reportedly killed Tecumseh and then became schoolmaster to the sons of his former foes Julia Chinn Johnson s enslaved concubine who fought for her children s freedom and Peter Pitchlynn a Choctaw intellectual who even in the darkest days of Indian removal argued for the future of Indian nations Together their stories demonstrate how this era transformed colonizers and the colonized alike sowing the seeds of modern America Great Escapes: Arizona

Teresa Bitler,2008-05-17 Introducing Great Escapes Selective guides for travelers who want to find quick trips and getaways within a specific locale They take away the drudgery of sifting through online and printed travel info by listing only the most worthwhile events activities and places to stay and eat Great Escapes Arizona is for anyone who loves to explore and who wants to discover Arizona in a new and exciting way Here s just a taste a drive along historic Route 66 an unbelievable February fireworks display stargazing at a national observatory a re enactment of the Civil War s westernmost battles a visit to the O K Corral where Wyatt Earp made his legendary stand an ostrich festival and a search for the Lost Dutchman s Gold Mine The Cowboy's Reluctant Bride Debra Cowan,2014

Dead Bill Shelzi,2007-06 Mitch LaNue a steadfast hard fisted head strong young man is self conscious of his lack of education He has the ambition to rise above poverty and be respected but his compassion for the underdog and his great devotion to country and honor could destroy him One of five children Mitch grows up in Brooklyn When the effects of the Great Depression and the loss of a valuable patent devastate his father Mitch s extremely juvenile mother is at liberty to raise the children in her own infantile way Mitch s older brother Paul keen minded and without scruples is always scheming with ingenious swindles and knows he can con anyone He respects no one and believes strongly in self preservation at anyone s expense Victor the youngest LaNue brother is a cynic from a life of many disappointments He doesn t know which brother to look up to the bold violent fighter or the resourceful con artist In forming their manhood Mitch and his brothers personalities differ in morality wants and needs but all three are determined to survive by methods inherited from their youth From the 1929 stock market crash through World War II and into the Korean War If I Die I ll Only Be Dead recounts Mitch s life as he lives by his own unique philosophy
