**In the Way of Development** Mario Blaser,Harvey A. Feit,Glenn McRae,2004 Authored as a result of a remarkable collaboration between indigenous people s own leaders other social activists and scholars from a wide range of disciplines this volume explores what is happening today to indigenous peoples as they are enmeshed almost inevitably in the remorseless expansion of the modern economy and development at the behest of the pressures of the market place and government It is particularly timely given the rise in criticism of free market capitalism generally as well as of development The volume seeks to capture the complex power laden often contradictory features of indigenous agency and relationships It shows how peoples do not just resist or react to the pressures of market and state but also initiate and sustain life projects of their own which embody local history and incorporate plans to improve their social and economic ways of living     Does Commons Grabbing Lead to Resilience Grabbing? The Anti-Politics Machine of Neo-Liberal Development and Local Responses Tobias Haller,Fabian Käser,Mariah Ngutu,2021-01-06 This Special Issue contributes to the debate on land grabbing as commons grabbing with a special focus on how the development of state institutions formal laws and regulations for agrarian development and compensations and voluntary corporate social responsibility CRS initiatives have enabled the grabbing process It also looks at how these institutions and CSR programs are used as development strategies of states and companies to legitimate their investments This Special Issue includes case studies from Kenya Morocco Tanzania Cambodia Bolivia and Ecuador analysing how these strategies are embedded into neo liberal ideologies of economic development We propose looking at James Ferguson s notion of the Anti Politics Machine 1990 that served to uncover the hidden political basis of state driven development strategies We think it is of interest to test the approach for analysing development discourses and CSR policies in agrarian investments We argue based on a New Institutional Political Ecology NIPE approach that these legitimize the institutional change from common to state and private property of land and land related common pool resources which is the basis of commons grabbing that also grabbed the capacity for resilience of local people     *The Complete Works of Mark Twain: Novels, Short Stories, Memoirs, Travel Books & More (Illustrated)* Mark Twain,2023-11-27 The Complete Works of Mark Twain Novels Short Stories Memoirs Travel Books More Illustrated is a comprehensive anthology that encapsulates the breadth of Twain s literary genius Spanning various genres this volume includes iconic novels such as The Adventures of Tom Sawyer and Adventures of Huckleberry Finn as well as engaging travel narratives like The Innocents Abroad Twain s distinctive style characterized by his wit humor and keen social commentary invites readers into the intricacies of American society during the late 19th century making the works not only entertaining but also
