Econ Political Change In Tunisia:

Economic and Political change in Tunisia E. Murphy,1999-03-08 This book examines the processes of economic and political reform in Tunisia placing the current policies of Zine el Abidine Ben Ali within their historical context The book develops a theoretical understanding of the relationship between economic liberalisation and political change in the Arab world developing the concept of the disarticulation of the corporatist state and concluding that despite efforts at democratization an authoritarian political system is a more likely successor in the era of economic transformation

Economic Crisis and Political Change in North Africa Azzedine Layachi,1998-10-28 A collective effort by American and North African scholars this volume provides a comprehensive analysis of recent economic social and political events in North Africa It shows how the Maghrebi states and societies are currently at a very important junction as they try to adjust to different ways of doing things in new regional and international orders Using a political economy approach the book focuses on a series of issues raised by the interaction between economic crisis and reform on the one hand and political change or stagnation on the other The author and his contributors provide a comprehensive and up to date survey of particular value to scholars and researchers of the Arab world in general and North Africa in particular

Government and Politics of the Middle East and North Africa Sean Yom,2019-10-30 The latest edition of this renowned textbook explores the states and regimes of the Middle East and North Africa Presenting heavily revised fully updated chapters contributed by the world s leading experts it analyzes the historical trajectory political institutions economic development and foreign policies of the region s nearly two dozen countries The volume can be used in conjunction with its sister volume *The Societies of the Middle East and North Africa* for a comprehensive overview of the region Chapters are organized and structured identically giving insightful windows into the nuances of each country s domestic politics and foreign relations Data tables and extensive annotated bibliographies orient readers towards further research Whether used in conjunction with its sister volume or on its own this book provides the most comprehensive and detailed overview of the region s varied politics Five new experts cover the critical country cases of Turkey Lebanon Jordan Saudi Arabia and Iran All chapters cover the latest events including trends that have remarkably changed in just a few years like the gradual end of the Syrian civil war As such this textbook is invaluable to students of Middle Eastern politics The ninth edition brings substantial changes All chapters also have a uniform streamlined structure that explores the historical context social and economic environment political institutions regime dynamics and foreign policy of each country Fact boxes and political maps are now far more extensive and photographs and images also help illustrate key points Annotated bibliographies are vastly expanded providing nothing short of the best list of research references for each country

Tunisia's Economic Development Mustapha K. Nabli,Jeffrey B. Nugent,2022-09-16 This book identifies the differences in growth and development and the various factors lying behind them across both Middle East and North African MENA and East Asian countries over the 1960 2020 period It considers a very

wide range of factors compares initial situations institutions and government policies the dynamic responses to changing circumstances and discusses the inability of the governments of the MENA region to achieve not only political reform but also the kinds of economic reform that would allow their citizens to prosper in an increasingly globalized world The book focuses on Tunisia Since its independence in 1956 until 2010 Tunisia had considerable success relative to many other MENA countries but was somewhat less successful relative to East Asian countries Since 2010 however while transitioning away from autocracy to democracy it has been in rather serious economic decline The book highlights how both the factors identified as enabling Tunisia s initial success and those leading to its subsequent decline can provide many useful insights for improving the management of economic development across the whole MENA region and perhaps also to developing countries throughout the world

Europe and Tunisia Brieg Powel, Larbi Sadiki, 2010-04-29 This book is concerned with EU democracy promotion inside Tunisia the first Arab signatory of an Association Agreement with the EU Focusing on the content context mechanisms and outcomes of democratization via association the authors examine whether Tunisia s specific mode of democratization works in tandem with EU democracy promotion objectives and the extent to which both adapt association in a way that neither sabotages EU democracy promotion nor undermines Tunisia s specificity Drawing on Arabic English and French sources the book deploys a variety of methods and disciplinary approaches discourse analysis interviews democratization theory foreign policy analysis security studies political history nationalism and identity and takes an interpretivist perspective conceiving of political processes as fluid and tentative The first comprehensive study of the effects of the Union s Mediterranean democracy promotion strategy on a single recipient state this book will be relevant to students of Middle East politics European foreign policy Euro Mediterranean studies democratization theory and Euro Arab relations this book will also be of great interest to researchers academics and policy makers

Political and Socio-Economic Change in the Middle East and North Africa Roksana Bahramitash, Hadi Salehi Esfahani, 2016-04-29 Political and Socio Economic Change in the Middle East and North Africa examines the shortcomings of the economic development policies in the region before and after the Arab uprisings Many MENA countries tried to pursue neoliberal policies to boost economic growth However the outcome was associated with rising and disproportionate unemployment among the youth and women The focal point of the book is the role of gender and the ways in which policies translate into economic outcomes Particular attention is paid to women s entrepreneurship especially as owners of small and medium enterprises which as the authors argue can potentially reduce unemployment and poverty for the population as a whole The book offers perspectives on wholesome policies that take account of issues concerning gender and youth and thus contribute to lower unemployment and reduced poverty and inequity

Economic and Political Change in the Middle East (RLE Economy of Middle East) Elias Tuma, 2014-10-30 In the early 1960s the Middle East suffered from political instability inefficiency of government widespread poverty and inequality low productivity and a mounting population pressure on the region s resources With the exception of

some of the oil exporting countries the entire region still suffers from these same burdens There have been many studies in the economic development and industrialization of the region in recent years This study is different motivated by scepticism and a sense of intellectual frustration and apprehension because of the apparent inadequacy of socioeconomic and political development in the Middle East First published in 1987 Making of the Tunisian Revolution Gana Nouri Gana,2013-09-07 From late 2010 to the present day the Arab world has been shot through with insurrection and revolt As a result Tunisia is now seen as the unlikely birth place and exemplar of the process of democratisation long overdue in the Arab world Mixing political historical economic social and cultural analyses and approaches these essays reflect on the local regional and transnational dynamics together with the long and short term factors that when combined set in motion the Tunisian revolution and the Arab uprisings Above all the book maps the intertwined genealogies of cultural dissent that have contributed to the mobilisation of protesters and to the sustenance of protests between 17 December 2010 and 14 January 2011 and beyond *The role of agriculture and agro-processing for development in Tunisia* Figueroa, Jose Luis,Mahmoud, Mai,El-Enbaby, Hoda,2018-05-02 This paper is part of a series of three country case studies to investigate the potential role of agro processing for economic development based on the strong backward and forward linkages agro processing firms have with the agricultural sector Previous analyses for Egypt and Jordan Figueroa Mahmoud and Breisinger 2017 El Enbaby et al 2016 have shown how developing the agro processing sub sector as well as encouraging the production of high value crops can promote economic and social well being especially in rural areas where the majority of the poor are concentrated In continuation with this line of research this paper aims at analyzing What role agriculture has played for the Tunisian economy in recent years What is the role of agricultural productivity and structural change in fostering agricultural growth in Tunisia and What is the potential of agro processing for economic development and rural transformation in the country

Middle East and North Africa Economic Developments and Prospects, October 2012 WORLD BANK,2012-10-27

The post revolutionary economies of MENA Egypt Tunisia Libya and Yemen have been recovering after a period of growth decelerations in 2011 In Egypt and Tunisia the growth dips of 2011 were less dramatic than the declines observed during previous transitions The recovery has been relatively quick but the transition process is far from complete and uncertainty about the political and reform process remains a binding constraint to private investment Consequently post transition growth is below potential and is lower than growth prior to the Arab Spring with negative consequences for employment and poverty Events in the post revolution economies have affected other countries in MENA Macroeconomic fundamentals weakened in most developing MENA countries in 2011 12 as growth slowed and governments responded to social pressures with expansionary fiscal policies The regional growth outlook for 2013 reflects weaker expected global economic activity especially in the EU and moderating oil prices Regional economic growth is expected to decelerate to 3.5% in 2013 from 5.5% in 2012 Prolonged political and policy uncertainty and social unrest are serious downside risks to the outlook A

Critical Political Economy of the Middle East and North Africa Joel Beinin, Bassam Haddad, Sherene Seikaly, 2020-12-22 This book offers the first critical engagement with the political economy of the Middle East and North Africa Challenging conventional wisdom on the origins and contemporary dynamics of capitalism in the region these cutting edge essays demonstrate how critical political economy can illuminate both historical and contemporary dynamics of the region and contribute to wider political economy debates from the vantage point of the Middle East Leading scholars representing several disciplines contribute both thematic and country specific analyses Their writings critically examine major issues in political economy notably the mutual constitution of states markets and classes the co constitution of class race gender and other forms of identity varying modes of capital accumulation and the legal political and cultural forms of their regulation relations among local national and global forms of capital class and culture technopolitics the role of war in the constitution of states and classes and practices and cultures of domination and resistance Visit politicaleconomyproject.org for additional media and learning resources

The Handbook of Political, Social, and Economic Transformation Wolfgang Merkel, Raj Kollmorgen, Hans-Jürgen Wagener, 2019-01-25 Political social and economic transformation is a complex historical phenomenon It can adequately be analysed only by a multidisciplinary approach The Handbook brings together an international team of scholars who are specialists in their respective research fields It introduces the most important areas theories and methods in transformation research with particular attention placed on the historical and comparative dimension Although focussing on post communist and other democratic transformations in our epoch the Handbook therefore presents and discusses not only their problems paths and developments but also deals with the antecedent waves beginning with the Meiji Restoration in Japan in 1868 and its aftermath The book is structured into six parts Starting with basic concepts as systems actors and institutions Section I it gives an overview over major theoretical approaches and research

methods Sections II and III The connection of theory and method with their application is essential allowing special insights into the past and opens analytical avenues for transformation research in the future Section IV provides a historically oriented description or interpretation of particular waves or types of societal transformation With a clear focus on present transformations the contributions to Section V provide a description and discussion of the problems structures actors and courses of the transformations within different spheres of civil society politics law and economics Finally brief lexicographic entries in Section VI delineate research perspectives and facts about relevant issues of societal transformation Each of the 79 contributions contains a concise list of the most important research literature

The European Union and Democracy Promotion Richard Gillespie, Richard Youngs, 2025-09-12 The European Union and Democracy Promotion 2002 offers a critical assessment of the strategy upon which the EU promotion of democracy and human rights activity has been based along with an analysis of its strengths and weaknesses Contributors from a variety of European and North African countries show how the obstacles to political change in Algeria Morocco Tunisia and Egypt are not only to be found within these countries but also in EU member states such as France and Spain

Understanding The Political Economy Of The Arab Uprisings Ishac Diwan, 2014-05-26 For the millions of citizens in the Arab World who came together in 2010 2011 to discover their common yearning for dignity and liberty the real revolutions only began after the wave of protests Understanding the Political Economy of the Arab Uprisings reassess the interests potential and constraints of various socio political players and their importance in the building of a constructive environment for democratic progress in the Middle East Initiated by the Cairo based Economic Research Forum and edited by Ishac Diwan this invaluable volume features contributions by Middle East academics across the world They examine the reasons behind the uprisings how democratic transitions transpire the role of Arab capitalism in the crises and how the experiences of other countries such as Indonesia Turkey and Iran can forecast where these uprisings may lead the Middle East in the years to come

Economic Liberalisation, Social Capital and Islamic Welfare Provision J. Harrigan, H. El-Said, 2009-02-25 This book looks at two aspects of Islamic activity in the Middle East and North Africa the development of social capital and the provision of welfare services within the context of economic liberalisation programmes to see whether the retrenchment of the state under liberalisation has created a space for Islamic based activities

Struggles for Political Change in the Arab World Lisa Blaydes, Amr Hamzawy, Hesham Sallam, 2022-10-11 The advent of the Arab Spring in late 2010 was a hopeful moment for partisans of progressive change throughout the Arab world Authoritarian leaders who had long stood in the way of meaningful political reform in the countries of the region were either ousted or faced the possibility of political if not physical demise The downfall of long standing dictators as they faced off with strong willed protesters was a clear sign that democratic change was within reach Throughout the last ten years however the Arab world has witnessed authoritarian regimes regaining resilience pro democracy movements losing momentum and struggles between the first and the latter involving regional and international

powers This volume explains how relevant political players in Arab countries among regimes opposition movements and external actors have adapted ten years after the onset of the Arab Spring It includes contributions on Egypt Morocco Kuwait Saudi Arabia Syria Algeria Sudan Lebanon Iraq Jordan Yemen and Tunisia It also features studies on the respective roles of the United States China Iran and Turkey vis vis questions of political change and stability in the Arab region and includes a study analyzing the role of Saudi Arabia and its allies in subverting revolutionary movements in other countries
