markets in a digital age FinTech and BigTechs financial literacy financial inclusion sustainable banking stress testing and macroprudential regulation Argentina The World Bank,2009-08-21 Following the serious economic crisis in 2001 02 Argentina mobilized an unprecedented effort to provide income support to the segment of the population most in need Now as growth has returned and social indicators recovered to precrisis levels there is an opening to move from emergency support programs to a more comprehensive long term and sustainable strategy for social protection The challenge is to design and fully implement a social protection system that has adequate coverage and benefits and is integrated and fiscally and politically sustainable The analysis contained in this book aimed to contribute to and inform the debate about the future of income support policies in Argentina taking the views values and preferences of the stakeholders and the population as starting points The research included two innovative efforts to collect and understand the landscape of ideas regarding options for social protection circulating in Argentina first an extensive set of consultations with policy makers and practitioners in social policy mainly at the provincial level and second a national representative opinion survey on the views and perceptions of the population regarding social policy and income support programs in particular Cities Are Good for You Leo Hollis,2013-04-25 The 21st century will be the age of the city Already over 50% of the world population live in urban centres and over the coming decades this percentage will increase Blending anecdote fact and first hand encounters from exploring the slums of Mumbai to visiting roof top farms in Brooklyn and attending secret dinner parties in Paris to riding the bus in Latin America Leo Hollis reveals that we have misunderstood how cities work for too long Upending long held assumptions and challenging accepted wisdom he explores why cities can never be rational organised places how we can walk in a crowd without bumping into people and if we can design places that make people want to kiss whether we have the right solution to the problem of the slums how ants slime mould and traffic jams can make us rethink congestion And above all the unexpected reasons why living in the city can make us fitter richer smarter greener more creative and perhaps even happier Cities Are Good for You introduces dreamers planners revolutionaries writers scientists architects slum dwellers and emperors It is shaped by the idea that cities are the greatest social experiment in human history built for people and by the people **Globalisation and Labour Market Adjustment** D. Greenaway,R. Upward,P. Wright,2008-04-17 Although economists have long pointed to the aggregate gains from increased economic integration the popular perception of globalization is much more pessimistic Workers feel less secure in their jobs and fear wage losses and unemployment This book explores these issues and asks whether the concerns are warranted **How do rules of origin affect investment flows ? : some hypotheses and the case of Mexico (Working Paper ITD = Documento de Trabajo ITD ; n. 22)** Antoni Estevadeordal,J. Ernesto López Córdova,Kati Suominen,2006 **Preferential Rules of Origin in the Law of the WTO and PTAs** Diana Wade,2025-05-08 Where does a 3D printed good come from This book examines preferential rules of origin within the context of advanced manufacturing focusing on 3D printing From a foundation in the legal and technical aspects of

rules of origin it explores why 3D printing implies reconsidering how materials labour and technology factor into the determination of the origin of a good and the risks and opportunities this brings to producers and traders The book suggests revisiting rules of origin in PTAs and encourages the WTO to promote incorporating rules of origin and new production methods into a balanced trade framework that supports producers traders and consumers globally Political Competition, Partisanship, and Policy Making in Latin American Public Utilities Maria Victoria Murillo,2009-08-24 Shows that electoral competition and partisan government helped balance the conflicting demands of voters interests with the financial pressures generated by capital scarcity *Revista* ,2007 **Louisiana Coastal Protection and Restoration (LACPR) Report, Part 1 of 4, July 1, 2010, 111-2 House Document 111-129** ,2010 *Contemporary Spanish Politics* José María Magone,2009 With a focus predominantly on the two governments of Jos Maria Aznar between 1996 and 2004 and the Jos Luis Zapatero government after 2004 this book provides an introduction for students of Spain s history and its contemporary politics *Alternative Globalizations* Jerry Harris,2006 Economic Foundations of Law Stephen J. Spurr,2019-02-06 The third edition of *Economic Foundations of Law* introduces readers to the economic analysis of the major areas of the law property law torts contracts criminal law civil procedure corporation law and financial markets taxation and labor law No prior knowledge of law is required but a prior course in the principles of microeconomics would be quite helpful The text opens with a review of the basic principles of price theory and an overview of the legal system to ensure readers are equipped with the tools necessary for economic analysis of the law The third edition provides expanded or new coverage of key topics including intellectual property law how the creation of new forms of property rights affects the conservation of species such as elephants and fish controversies involving liability for medical malpractice and class actions the transformation of personal injury litigation by the intervention of insurance companies as plaintiffs how to predict the outcome of litigation with game theory an economic analysis of the ownership and use of guns bankruptcy law and the economics of bank regulation Comprehensive and well written this text is a compelling introduction to law and economics that is accessible to both economics and law students **Economic Foundations of Law second edition** Stephen J. Spurr,2010-06-24 *Economic Foundations of Law* 2nd ed provides an economic analysis of the major areas of the law property law torts contracts criminal law civil procedure corporation law and financial markets taxation and labor law In line with current trends in legal scholarship discussion is focused on economic principles such as risk aversion efficiency opportunity cost moral hazard rent seeking behaviour and economies of scale Accessible comprehensive and well written this book uses extensive practical examples and explanations to illustrate key points There are numerous applications to lawyers and the legal profession with detailed discussions of subjects as diverse as the proposed market for transplantable human organs the market for adoptions the market for bail bonds the unanticipated effects of Megan s law and issues of racial profiling Fully updated and revised a new chapter on labor law has also been included *Canadian Copyright* Laura J. Murray,Samuel E.

Trosow, 2013-06-18 In the age of easily downloadable culture messages about copyright are ubiquitous If you're an artist consumer or teacher copyright is likely a part of your everyday life Completely updated this revised edition of Canadian Copyright parses the Copyright Act and explains current Canadian copyright law to ordinary Canadians in accessible language using recent examples and legal cases
