Economic Development And Nation Building In Ethiopia:

Economic Development and Nation Building in Ethiopia Daniel Teferra, 2005-04-13 Ethiopia is an ancient country with rich potential but it has not yet resolved the fundamental question of economic development and nation building. The Ethiopian population lives under the threat of recurring famine and war. The conflict that existed between Ethiopia and Eritrea for several decades was never resolved peacefully and a new conflict has recently emerged on top of the old. Economic Development and Nation Building in Ethiopia gives valuable insight into these problems. The book first checks the major views of development with the Ethiopian experience and examines the impact of the IMF program and the Post Cold War globalization on the Ethiopian development. Showing the historical disparities in development between Ethiopia and the now industrialized societies of the world, the book examines the possibilities for Ethiopian economic development and nation building. Author Daniel Teferra investigates the incentives for a shared market and broader democracy between Ethiopia and Eritrea by taking a closer, more focused look at the two societies.

Modernization, Nation-Building, and Television History Stewart Anderson, Melissa Chakars, 2014-11-20 This innovative collection investigates the ways in which television programs around the world have highlighted modernization and encouraged nation building. It is an attempt to catalogue and better understand the contours of this phenomenon which took place as television developed and expanded in different parts of the world between the 1950s and the 1990s. From popular science and adult education shows to news magazines and television plays, few themes so thoroughly penetrated the small screen for so many years as modernization with television producers and state authorities using television programs to bolster modernization efforts. Contributors analyze the hallmarks of these media efforts: nation building, consumerism and consumer culture, the education and integration of citizens, and the glorification of the nation's technological achievements.

Multidisciplinary Issues Surrounding African Diasporas Onyebadi, Uche T., 2019-10-04 Members of diasporic populations often have a unique dual persona consisting of one's migrant role as a permanent or transient member of a new country and one's role as a citizen of one's home country. Like all diaspora, the African diaspora is further composed of sub groups of people of a variety of backgrounds and disciplines such that there is a need for studies that properly encompass and address the African diaspora across a multitude of fields and pedagogies including architecture, education, and business. Multidisciplinary Issues Surrounding African Diasporas is a pivotal reference source that explores the philosophical and epistemological issues regarding the African diaspora identity and navigates these individuals' opportunities for professional and academic growth. Featuring coverage on a wide range of topics such as higher education, cultural engagement, and xenophobia, this publication is ideally designed for sociologists, anthropologists, humanities scholars, political scientists, cultural studies academicians, university board members, researchers, and students.

Historical Dictionary of Ethiopia David H. Shinn, Thomas P. Ofcansky, 2013-04-11 Ethiopia is clearly one of the most important countries

in Africa First of all with about 75 million people it is the third most populous country in Africa Second it is very strategically located in the Horn of Africa and bordering Eritrea Sudan Kenya and Somalia with some of whom it has touchy and sometimes worse relations Yet its capital Addis Ababa is the headquarters of the African Union the prime meeting place for Africa's leaders So if things went poorly in Ethiopia this would not be good for Africa and for a long time this was the case with internal disruption rife until it was literally suppressed under the strong rule of the recently deceased Meles Zenawi The Historical Dictionary of Ethiopia Second Edition covers the history of Ethiopia through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has several hundred cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Ethiopia *Bibliographia Aethiopica II* Hans Wilhelm Lockot, 1998 Erstmals wird hier die Fülle der englischsprachigen Äthiopienliteratur geordnet dargeboten In 100 Sections führt der Autor alle für die wissenschaftliche Beschäftigung mit Äthiopien wichtigen Buch und Zeitschriftenbeiträge zum Beispiel zur History of Research Archaeology Religion aber auch Fragen der Sociology Agriculture Zoology und Medical Sciences auf Wie im Falle der deutschsprachigen Literatur *Bibliographia Aethiopica* Die äthiopienkundliche Literatur des deutschsprachigen Raumes Äthiopistische Forschungen 9 1982 berücksichtigt der Autor auch alle ihm zugänglichen Besprechungen womit bei einer Aufnahme von mehr als 24 000 Titeln eine Art Bibliographic Encyclopedia entstanden ist

State and Economic Development in Africa Aaron Tesfaye, 2017-07-20 This book critically assesses the impact of Ethiopia's policy of Agriculture Development Led Industrialization Employing qualitative and quantitative analysis it presents empirical evidence suggesting persistent economic growth The research highlights improvements in infrastructure health care education poverty alleviation as well reductions in infant mortality rate The impact of this economic growth has however had led to only slight improvements in the plight of the poor The author argues that while significant steps have been achieved with measurable economic gains there are still undeniable obstacles within the federal system prevailing patron client relationships constraints on state capacity to efficiently and effectively implement policy and bureaucratic rent seeking in the provision of public goods The author concludes that these problems will have to be resolved before Ethiopia's political economy can achieve the stage of sustainable development *The Political Economy of Colonialism and Nation-Building in Nigeria* Samuel Ojo Oloruntoba, 2021-09-28 This book examines the ways in which colonialism continues to define the political economy of Nigeria sixty years after gaining political independence from the British It also establishes a link between colonialism and the continued agitation for restructuring the political arrangement of the country The contributions offer various perspectives on how the forceful amalgamation of disparate units and diverse nationalities have undermined the realization of the development potential of Nigeria The book is divided into two parts The first part interrogates the political economy of colonialism and the implications of this on economic development in contemporary Nigeria The second part

examines nation building governance and development in a postcolonial state The failure of the postcolonial political elites to ensure inclusive governance has continued to foster centrifugal and centripetal forces that question the legitimacy of the state The forces have deepened calls for secession accentuated conflicts and predispose the country to possible disintegration A new government approach is required that would ensure equal representation access to power and equitable distribution of resources

Trade Liberalisation and Economic Development in Africa Gift Mugano,2021-09-30 This book provides a thorough and rigorous discussion on the impact of trade liberalisation on economic development with a special focus on the African continent The author presents the rationale for trade liberalisation trade liberalisation frameworks the trade liberalisation economic development nexus impediments to trade and contemporary issues of international trade In this book notwithstanding the benefits from trade liberalisation the author shows that African trade as a share of global trade has remained flat at 3% as in 1975 while the continent s exports have remained raw materials and its intra regional trade at less than 15% of total trade which is the lowest in the world UNCTAD 2020 With respect to key economic development indicators such as economic growth poverty levels and employment levels this book shows that ironically and in direct contrast with the conventional views that trade liberalisation alleviates poverty trade liberalisation in Africa has resulted in high levels of unemployment and low economic growth which ultimately lead to increased poverty In addition this book provides a detailed analysis of why trade liberalisation has failed to yield meaningful benefits to Africa The binding constraints and blockages which prevent positive spin offs on trade liberalisation in Africa are discussed in detail in this book In the same vein the author provides practical strategies which must be adopted by African countries in order to gain from trade liberalisation making this work a must read for African governments academia trade experts regional trading blocs the World Trade Organization and development partners In view of this and as part of the disruptive and structural transformation policies the author discusses case studies and international experience contextualised to Africa as well as strategies for addressing the trade related infrastructure gap production capacities export promotion and aid for trade

Understanding Religion and Social Change in Ethiopia M. The 1998-2000 Eritrea-Ethiopia War and Its Aftermath in International Legal Perspective Andrea de Guttry,Harry H. G. Post,Gabriella Venturini,2021-04-01 This book centres on the war that raged between Eritrea and Ethiopia from 1998 to 2000 a war that caused great loss of life and tremendous devastation It analyses the war in great detail from an international legal perspective the nature and the state of the boundary conflict preceding the actual armed conflict the military actions themselves the role of the UN peace keeping mission the responsibility for the multitude of explosive remnants of the war left behind Ample attention is paid to the decisions of the Eritrea Ethiopia Claims Commission and the Eritrea Ethiopia Boundary Commission This study is not limited to the war and

the period immediately following it it also examines its more extended aftermath prolonging the analysis as far as the more recent improvement in the relations between Eritrea and Ethiopia away from a situation of no war no peace that prevailed after the armed conflict ended The analysis of the war and its aftermath is not only in terms of international legal issues it has been placed in a wider than strictly legal perspective The book is a valuable work for academics and practitioners in international law human rights and humanitarian law in particular for political scientists diplomats civil servants historians and all those others seriously interested in the Horn of Africa Andrea de Guttry is Full Professor of Public International Law at the Scuola Superiore Sant Anna in Pisa Italy Harry H G Post is Adjunct Professor in the Facult Libre de Droit of the Universit Catholique de Lille in Lille France Gabriella Venturini is Professor Emerita in the Dipartimento di Studi internazionali giuridici e storico politici of the Universit degli Studi di Milano in Milan Italy

Assault on Rural Poverty
Haileleul Getahun, Hailemariam Getahun, 2001 In *Assault on Rural Poverty* Haileleul Getahun analyzes the various causes of rural poverty and constraints impeding increased agricultural productivity during the last four decades in Ethiopia under three different regimes Getahun examines the feudalistic system under Emperor Haile Selassie the command economic system of the military junta led by Mengistu Haile Mariam and the current capitalist system of the Federal Republic of Ethiopia led by Meles Zenawi Getahun discusses the lessons drawn from Ethiopian experience during these three regimes as well as from other African and Asian countries These provide the basis for recommending a small farmer led agricultural and rural development strategy that if implemented would alleviate rural poverty in Ethiopia The author maintains that the keys for successful development are the provision of institutional savings and credit for small scale farmers and small business owners the deep involvement of the community in project planning implementation evaluation and sharing of the benefits and the use of development support communication for motivation information dissemination and training Getahun argues strongly that ethnic politics in Ethiopia are destructive to Ethiopian society and militates against sustainable development Rather the path to peace and sustainable development requires that ethnic politics be scrapped and replaced by a genuinely democratic and widely acceptable system of governance

The Politics of Technology in Africa Iginio Gagliardone, 2016-11-10 As more Africans get online information and communication technologies ICTs are increasingly hailed for their transformative potential Yet the fascination for the possibilities of promoting more inclusive forms of development in the information age have obfuscated the reality of the complex negotiations among political and economic actors who are seeking to use technology in their competition for power Building on over ten years of research in Ethiopia Iginio Gagliardone investigates the relationship between politics development and technological adoption in Africa s second most populous country and its largest recipient of development aid The emphasis the book places on the technopolitics of ICTs and on their ability to embody and enact political goals offers a strong and empirically grounded counter argument to prevalent approaches to the study of technology and development that can be applied to other cases in Africa and beyond

Conflict Resolution and Nation-Building in Somalia Mohamed Ali Abdi, 2012-02-27 A B S T R A C T ABDI MOHAMED A BA WHITTIER COLLEGE 1966 MPA SYRACUSE UNIVERSITY 1969 MPH FLORIDA INTERNATIONAL UNIVERSITY 1996 CONFLICT RESOLUTION AND NATION BUILDING IN SOMALIA Publication Scheduled for January 2012 The research concentrated on the current as well as the past quagmire of the Somali conflict Political social and economic triggers have been identified to resolve or reduce violent conflict and disorder The research used primary as well as secondary sources to study the issues and explore the problems inherent in an environment of scarce resources Confrontations between the state and society were brought to a higher level of violence since the late 1970s following the Somali Ethiopian war The author explored avenues for reconciliation and nation building and introduced several models as possible strategies for nation building Conclusively a home grown traditional mechanisms model was recommended which entails the following policy prescriptions to achieve long lasting peace and security for Somalia 1 Governance structures of law and order 2 Resources De escalating conflicts by opening up negotiating opportunities of land and property 3 Complete demilitarization of society 4 International cooperation A plan by the international community to reconstruct and rehabilitate Somalia is essential if we have to avoid a relapse into a chaotic violent situation in Somalia

The Lion of Judah in the New World Theodore M. Vestal Ph.D., 2011-02-02 This insightful book relates how Emperor Haile Selassie helped shape America s image of Africa and how that image continues to evolve in the United States today The Lion of Judah in the New World Emperor Haile Selassie of Ethiopia and the Shaping of Americans Attitudes toward Africa tells the story of a dynamic ruler who influenced the perception of an entire continent Documenting the Emperor s state visits to North America the book explores U S foreign policy towards Ethiopia and Africa over two decades At the same time it seeks to understand why Haile Selassie enjoyed such celebrity in the United States and how he became so important in determining U S attitudes toward Africa The book includes a brief biography of the Emperor and also explores the geography and long colorful history of Ethiopia The tensions and contradictions that marked Haile Selassie s life are highlighted in significant episodes that underscore his astute use of public relations and personal diplomacy His leadership of postcolonial Africa during the Cold War is examined as is his ultimate rejection by the United States in 1973 that marked the end of the monarchy and ushered in the tragic fratricide of Ethiopian civil war

Agriculture, Autonomous Development, and Prospects for Industrialization in Africa Emmanuel Ndhlovu, 2025-03-06 The book investigates the intersection of agriculture and development in Africa and how it impacts rural industrialisation prospects It provides a comprehensive view of the position of agriculture in African socio economic activities and the agricultural sector s potential as the source for continental development and industrialisation prospects Significant research has been done on African development with a focus placed on the problematic role played by slavery colonialism and later by incompetent African leaders who failed to steer development of the type that delivers a progressive sustained and sustainable transformation of lives and societies There is limited focus on the possibility of

agriculture being the potential basis of African development and the chance for industrialisation This is a matter of concern considering the dominance of agriculture as a livelihood and income source for many people on the continent In contributing to the debate on development in Africa this book aims to show how agriculture can serve as the basis for African development and industrialisation This will be achieved by i providing a detailed historical description of the position of agriculture in African socio economic activities ii outlining the trajectory of African development with a focus on agriculture innovation and mechanisation iii identifying challenges to the development of African agriculture iv exploring the opportunities for agricultural development in Africa and v providing practical and policy recommendations to improve African agriculture and make it the engine for development and industrialisation Utilising a multidisciplinary approach which combines political economy social policy financial inclusion and empowerment approaches the book also shows how engagement of youth and women digitalisation and the provision of support by public and private actors can jump start agriculture as the engine of African development and industrialisation Taken together with this conscious effort to promote a multi disciplinary discussion the book is valuable reading for students policymakers and activists interested in emerging new directions in African development thinking and research *Urban Growth in Ethiopia, 1887-1974* Getahun Benti, 2016-12-20

This book highlights the positive achievements that Imperial Ethiopia made in its journey towards urbanization into the modern era and undertakes a critical assessment of the economic political and social impediments that prevented the country from transitioning into a truly fully fledged modern urbanization It provides a comprehensive history of the growth of towns between 1887 and 1974 It is organized chronologically regionally and thematically divided into three distinct time periods during which Ethiopian towns saw progresses and exposures to limited modern urban features First during 1887 1936 the country saw the creation and growth of a national capital 1887 that coordinated the country's economic and political activities and facilitated the growth of other towns in the empire It introduced new towns the railway modern schools and health centers Rudimentary factories were established in Addis Ababa and Dire Dawa along with motor cars and modern roads which increased trade between cities The next era was the Italian occupation from 1936 1941 which shook the pre existing process of urban growth by introducing a modern European style urbanization system Ethiopian cities saw a qualitatively different way of urban growth in both form and content The Italians introduced modern economic and physical planning administration and internal organization People were introduced to modern life in urban areas exposed to modern wage labor system and thus moved to towns to take advantage of the opportunity The Italian occupation left behind many features of modern urbanization and this influenced population exposed to modern consumptive tastes was determined to retain what the Italians introduced Finally the post Italian period saw a new era of urban growth Due to economic and organizational problems resulting from destructions caused by the war the process of urban growth was slowed down in the early 1940s Although the government did not introduce a clear urban policy in the immediate aftermath of the Second World

War towns continued to grow progressively from the early 1950s to 1974 **Exploring Social Change** Charles L. Harper, Kevin T. Leicht, 2015-08-13 For one semester junior senior and beginning level graduate courses in Social Change An introduction to social change that highlights theories on key topics including social change innovation social movements and revolutions Exploring Social Change America and the World 6e is a comprehensive introduction to social change The last part of the book shifts explicitly to the global level to analyze population and environmental issues and globalization Within this framework the book discusses topics about change and its problems familiar in sociology and social science **The History of Ethiopia** Saheed A. Adejumbi, 2006-12-30 This engaging and informative historical narrative provides an excellent introduction to the history of Ethiopia from the classical era through the modern age The acute historical analysis contained in this volume allows readers to critically interrogate shifting global power configurations from the late nineteenth century to the twentieth century and the related implications in Ethiopia and the Horn of Africa region Adejumbi identifies a second wave of globalization beginning in the nineteenth century which laid the foundation for a highly textured Ethiopian Afromodern twentieth century The book explores Ethiopia's efforts at charting an independent course in the face of imperialism World War II the Cold War and international economic reforms with a focus on the gap between the state's modernization reforms and the citizenry's aspirations of modernity The book focuses on Ethiopians' efforts to balance challenges related to social political and economic reforms with a renaissance in the arts theater Orthodox Coptic Christianity Islam and ancient ethnic identities The History of Ethiopia paints a vivid picture of a dynamic and compelling country and region for students scholars and general readers seeking to grasp twenty first century global relations The work also provides a timeline of events in Ethiopian history brief biographies of key figures and a bibliographic essay The Gender Imperative Betty A. Reardon, Asha Hans, 2012-12-06 The book asserts that human security derives from the experience and expectation of human well being which depends on four essential conditions a life sustaining environment the meeting of essential physical needs respect for the identity and dignity of persons and groups protection from avoidable harm and expectations of remedy from them The book demonstrates their integral relationship to human security Patriarchy being the germinal paradigm from which most major human institutions such as the state the economy organised religions and social relations have evolved the book argues that fundamental inequalities must be challenged for the sake of equality and security The fundamental point raised is that expectation of human well being is a continuing cause of armed conflict which constitutes a threat to peace and survival of all humanity and human security cannot exist within a militarised security system The editors of the book bring together 14 essays which critically examine militarised security in order to find human security pathways show ways in which to refute the dominant paradigm indicate a clear gender analysis that challenges the current system and suggests alternatives to militarised security With a mix of female and male feminist scholar activists as contributors the book makes an important contribution to a new discourse on human security
