The Brussels Effect shows how the EU has acquired such power why multinational companies use EU standards as global standards and why the EU's role as the world's regulator is likely to outlive its gradual economic decline extending the EU's influence long into the future **Governance and Regulations** Pierpaolo Marano, Simon Grima, 2018-06-29 Volume 99 is a collection of theoretical and empirical studies in governance and regulation with application to both macro and microeconomic issues
