**Annelies Wilder-Smith**

## **Economics Of Peacemaking Focus On The Egyptian Israeli Situation:**

**Economics of Peacemaking** Ruth W. Arad,Seev Hirsch,Alfred Tovias,1983-06-18      **The Economics of Peacemaking. Focus on the Egyptian-Israeli Situation** ,1983      *The Political Economy of Regional Peacemaking* Steven E. Lobell,Norrin M. Ripsman,2016-02-02 An expansive investigation of the efficacy of trade agreements economic sanctions and other economic strategies for promoting peace      **Economics of Arms Reduction and the Peace Process** W. Isard,C.H. Anderton,2014-06-28 The subject of peace economics and its ramifications are comprehensively and deeply attacked in this book First of all the book presents a compact survey of significant contributions already made and then it provides a broad theoretical background for examining the subject by evaluating four different approaches those of 1 neoclassical welfare theory 2 Keynesian and modern versions of macroeconomics 3 modern growth theory and 4 political choice theory A number of contributions deal with major questions on issues such as the impact of military cutbacks in the Eastern European economies upon their growth trade between nations arms trade nuclear defense and the benefits and costs of war as highlighted by the recent Gulf War Issues of a more general nature but equally significant are also discussed including the age old negotiations problem of two mature political leaders of major powers in conflict the determinants of military expenditures and the problems of developing countries In the last chapter the findings of the studies reported in the book are summarized and key directions for further research are identified This book is indispensable for any economist or analyst conducting research on peace economics and the peace process or concerned with the impacts of recent arms reduction and conversion by the major powers and the escalation of military expenditures elsewhere      *The Arab-Israeli Conflict, Volume IV, Part II* John Norton Moore,2014-07-14 The Arab Israeli Conflict is a fundamental research tool for students of the Middle East and for those responsible for U S policymaking in that area It is a successor to John Norton Moore s widely acclaimed three volume compilation of readings and documents on international law and the Arab Israeli conflict Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      **Practical Peacemaking in the Middle East** Steve L. Spiegel,David J. Pervin,2014-04-23 First published in 1995 Routledge is an imprint of Taylor Francis an informa company      **Historical Dictionary of the Arab-Israeli Conflict** P R Kumaraswamy,2015-10-08 Competing Jewish and Arab national claims over the Holy Land form the core of the Arab Israeli conflict thereby transforming it into the most intensely fought struggles in the history of humanity The conflict evokes unparalleled passion and hostility not only among its immediate participants and neighbors but also in the wider international community The involvement of three principal monotheistic

religions makes the conflict a truly universal contestation As a result it often contributes to bouts of violence turmoil and terrorism in the Middle East and beyond This second edition of Historical Dictionary of the Arab Israeli Conflict covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries important events key personalities official positions of principal states and the UN and other efforts to find a peaceful settlement This book is an excellent access point for students researchers and anyone wanting to know more about this conflict

**The Political Economy of Transitions to Peace** Galia Press-Barnathan,2009-07-05

Much attention has focused on the ongoing role of economics in the prevention of armed conflict and the deterioration of relations In The Political Economy of Transitions to Peace Galia Press Barnathan focuses on the importance of economics in initiating and sustaining peaceful relations after conflict Press Barnathan provides in depth case studies of several key relationships in the post World War II era Israel and Egypt Israel and Jordan Japan the Philippines and Indonesia Japan and South Korea Germany and France and Germany and Poland She creates an analytical framework through which to view each of these cases based on three factors the domestic balance between winners and losers from transition to peace the economic disparity between former enemies and the impact of third parties on stimulating new cooperative economic initiatives Her approach provides both a regional and cross regional comparative analysis of the degree of success in maintaining and advancing peace of the challenges faced by many nations in negotiating peace after conflict and of the unique role of economic factors in this highly political process Press Barnathan employs both liberal and realist theory to examine the motivations of these states and the societies they represent She also weighs their power relations to see how these factor into economic interdependence and the peace process She reveals the predominant role of the state and big business in the initial transition phase cold peace but also identifies an equally vital need for a subsequent broader societal coalition in the second normalizing phase warm peace Both levels of engagement Press Barnathan argues are essential to a durable peace Finally she points to the complex role that third parties can play in these transitions and the limited long term impact of direct economic side payments to the parties

*Peacemaking from Above, Peace from Below* Norrin M.

Ripsman,2016-05-31 In Peacemaking from Above Peace from Below Norrin M Ripsman explains how regional rivals make peace and how outside actors can encourage regional peacemaking Through a qualitative empirical analysis of all the regional rivalries that terminated in peace treaties in the twentieth century including detailed case studies of the Franco German Egyptian Israeli and Israeli Jordanian peace settlements Ripsman concludes that efforts to encourage peacemaking that focus on changing the attitudes of the rival societies or democratizing the rival polities to enable societal input into security policy are unlikely to achieve peace Prior to a peace treaty he finds peacemaking is driven by states often against intense societal opposition for geostrategic reasons or to preserve domestic power After a formal treaty has been concluded the stability of peace depends on societal buy in through mechanisms such as bilateral economic interdependence

democratization of former rivals cooperative regional institutions and transfers of population or territory Society is largely irrelevant to the first stage but is critical to the second He draws from this analysis a lesson for contemporary policy Western governments and international organizations have invested heavily in efforts to promote Israeli Palestinian and Indo Pakistani peace by promoting democratic values economic exchanges and cultural contacts between the opponents Such attempts to foster peace are likely to waste resources until such time as formal peace treaties are concluded between longtime adversaries

**Review Essays in Israel Studies** Laura Zittrain Eisenberg, Neil Caplan, 2000-01-06 Introduces the cutting edge issues and current scholarship in the interdisciplinary field of Israel Studies

**The A to Z of the Arab-Israeli Conflict** P R Kumaraswamy, 2009-07-24 For over a century the conflict between the Arabs and Jews has remained the most intractable problem confronting the world Hardly a day passes that the Arab Israeli Conflict is not headlined in the media It has turned the Arabs and Israelis against one another and embittered relations within the two communities while drawing the rest of the world into the circle of disruption The A to Z of the Arab Israeli Conflict provides factual background through an introductory essay a chronology a bibliography and hundreds of cross referenced dictionary entries on the more significant persons places and events including the various wars and negotiations The history religion culture and archeology that this rivalry has sparked between the Arabs and Israelis over the same piece of territory is traced in this book which offers the essential details using neutral terms and thereby allowing readers to draw conclusions for themselves

The Israeli Conflict System Harvey Starr, Stanley Dubinsky, 2015-07-30 The Middle East conflict system is perhaps the world s most important and intractable problem area whose developments carry global consequences An effective investigation of the context and change in the region calls for a melding of academic approaches methods and findings with policy oriented needs The Israeli Conflict System brings together leading conflict scholars primarily from political science applying a range of advanced rigorous analytic and data gathering techniques to address this single empirical domain the contemporary Israeli Conflict System Recognising the causal complexity of this conflict system the volume s central theme is that the system s current conditions are best understood in their broader temporal historic cultural linguistic and spatial geographic contexts Through the lens of economic geographic historical linguistic and political analyses and the application of data analysis experiments simulations and models of rational choice this volume shows how diverse disciplinary perspectives and methodologies can complement each other effectively In this way its chapters provide a model for the integration of factors and contexts necessary for understanding contemporary world politics and a sampling of theories approaches and methods that are applicable useful or valid under different conditions This book offers a cutting edge resource for scholars and students of Political Science International Relations Conflict Studies and Middle East Studies

*A History of Israel* Howard M. Sachar, 2013-07-31 First published in 1976 Howard M Sachar s A History of Israel From the Rise of Zionism to Our Time was regarded one of the most valuable works available detailing the history of this still relatively young country Decades

later readers can again be immersed in this monumental work The second edition of this volume covers topics such as the first of the Aliyahs in the 1880s the rise of Jewish nationalism the beginning of the political Zionist movement and later how the movement changed after Theodor Herzl the Balfour Declaration the factors that led to the Arab Jewish confrontation Palestine and its role both during the Second World War and after the war of independence and the many wars that followed it over the next few decades and the development of the Israeli republic and the many challenges it faced both domestic and foreign and still faces today This is a truly enriching and exhaustive history of a nation that holds claim to one of the most complicated and controversial histories in the world World Society and the Middle East S. Stetter, 2008-07-11 Offers a novel cross disciplinary theoretical perspective on conflict and conflict transformation in world society and integrates the study of conflicts in the Middle East region into a modern systems theoretical framework *Journal of Peace Research*, 2006-05

**The Middle East Peace Process** Ilan Peleg, 2012-02-01 This volume offers a series of focused analyses of various aspects of the peace process This interdisciplinary book includes insights developed by scholars in such diverse disciplines as anthropology economics history law political science social psychology and international relations Although the book is strongest in dealing with Israel's political behavior it also focuses specifically on the Palestinians and on Jordan The contributors combine the perspective of the last few years the insights of a variety of social science disciplines making the complexity of the Middle East situation more manageable and penetrable and offer a commitment to an analysis which is relatively detached from everyday politics and non normative in tone and in essence Contributors include Myron J Aronoff Pierre M Atlas Mordechai Bar On Gad Barzilai Neil Caplan Stuart A Cohen JoAnn DiGeorgio Lutz Laura Zittrain Eisenberg Tamar S Hermann Aharon Klieman Guy Mundlak Ilan Peleg Curtis R Ryan Ofira Seliktar Daphne Tsimhoni and Ephraim Yuchtman Yaar

**The EUs Enlargement and Mediterranean Strategies** M. Maresceau, E. Lannon, 2001-03-01 This book analyses and compares the preferential relations between the EU and the countries on its eastern and southern peripheries It presents a comprehensive study of the emerging pan Euro Mediterranean regional integration and analyses the economic political and social strategies adopted by the EU and will be an indispensable reference work for those working on issues related to EU enlargement and integration

**Economic Cooperation in the Middle East** Gideon Fishelson, 2019-04-12 This book is an outcome of conference on Economic Cooperation in the Middle East held at Tel Aviv University in 1986 It examines economic integration in the Middle East its implications and possible costs The book analyzes the consequences of peace and economic cooperation in the Middle East

**The Economics of Defence, Disarmament, and Peace** Keith Hartley, Nick Hooper, 1990 This major reference work is a comprehensive critical guide to the large and growing literature on the economics of defence disarmament and peace It covers the cost of defence spending and its effects on growth investment unemployment technical change and other aspects of a nation's economic performance It includes material on the determinants of defence spending namely defence budgets programme budgeting and procurement policy It also deals with

the economic impact of arms limitation disarmament and the conversion from military production to products with peaceful uses     Power and Leadership in International Bargaining Shibley Telhami, 1990 Telhami government Cornell U explores the events leading to the signing of the Camp David Accords to assess the relative weight of military and economic power systems of government and political leadership in explaining outcomes of international bargaining Originally published cloth in 1990 Annotation copyrighted by Book News Inc Portland OR
