Economics Confronts the Economy Philip A. Klein,2006-05-25 Takes a look at contemporary economic analysis and presents a view of the state of economics Economics of Regulation and Antitrust, fifth edition W. Kip Viscusi,Joseph E. Harrington, Jr.,David E. M. Sappington,2018-08-14 A thoroughly revised and updated edition of the leading textbook on government and business policy presenting the key principles underlying sound regulatory and antitrust policy Regulation and antitrust are key elements of government policy This new edition of the leading textbook on government and business policy explains how the latest theoretical and empirical economic tools can be employed to analyze pressing regulatory and antitrust issues The book departs from the common emphasis on institutions focusing instead on the relevant underlying economic issues using state of the art analysis to assess the appropriate design of regulatory and antitrust policy Extensive case studies illustrate fundamental principles and provide insight on key issues in regulation and antitrust policy This fifth edition has been thoroughly revised and updated reflecting both the latest developments in economic analysis and recent economic events The text examines regulatory practices through the end of the Obama and beginning of the Trump administrations New material includes coverage of global competition and the activities of the European Commission recent mergers including Comcast NBC Universal antitrust in the new economy including investigations into Microsoft and Google the financial crisis of 2007 2008 and the Dodd Frank Act the FDA approval process climate change policies and behavioral economics as a tool for designing regulatory strategies Marxism and Ecological Economics Paul Burkett,2006-03-01 This book undertakes the first general assessment of ecological economics from a Marxist point of view and shows how Marxist political economy can make a substantial contribution to ecological economics The analysis is developed in terms of four basic issues 1 nature and economic value 2 the treatment of nature as capital 3 the significance of the entropy law for economic systems 4 the concept of sustainable development In each case it is shown that Marxism can help ecological economics fulfill its commitments to multi disciplinarity methodological pluralism and historical openness In this way a foundation is constructed for a substantive dialogue between Marxists and ecological economists *The Oxford Handbook of Industrial Hubs and Economic Development* Arkebe Oqubay,Justin Yifu Lin,2020-07-23 Industrialization supported by industrial hubs has been widely associated with structural transformation and catch up But while the direct economic benefits of industrial hubs are significant their value lies first and foremost in their contribution as incubators of industrialization production and technological capability and innovation The Oxford Handbook of Industrial Hubs and

Economic Development adopts an interdisciplinary approach to examine the conceptual underpinnings review empirical evidence of regions and economies and extract pertinent lessons for policy researchers and practitioners on the key drivers of success and failure for industrial hubs This Handbook illustrates the diverse and complex nature of industrial hubs and shows how they promote industrialization economic structural transformation and technological catch up It explores the implications of emerging issues and trends such as environmental protection and sustainability technological advancement shifts in the global economy and urbanization

Economic Careers Keith Tribe, 2002-09-11 In this volume fourteen senior economists describe their early introduction to the study of economics and their contribution to the development of academic economics in Britain With experience covering a period stretching from the mid 1920s to the late 1960s many of the contributors not only provide an insight into the role of university disciplines in the education system but describe their experience in wartime administration or as government advisors The interview format of the work makes for accessibility and readability in a sometimes arcane area of work
