Developing the Underdeveloped Countries Alan B. Mountjoy, 1971-09-30 *The Economics of Underdeveloped Countries* Jagdish N. Bhagwati, 1966 **The Economics of Underdeveloped Countries** Michael Belshaw, 1970 Describes some of the underdeveloped areas of the world analyzes the poverty cycle and discusses how it can be broken **Economic Analysis and Policy in Underdeveloped Countries** Peter Bauer, 2013-11-05 Offers its own distinctive contribution to the methodology of economics applied to developing countries These lectures are penetrating and original Alan Peacock *Economica* A series of three lectures this book discusses the scope and limitations of economics in the study of developing countries It reviews a number of economic aspects and developments including the instruments and implications of the rapid but uneven economic progress of many of areas especially in Africa and South East Asia **Economics of Change in Less Developed Countries** David Colman, F. I. Nixson, 1994 Analyzes the changes that are taking place in less developed countries examines the problems that the processes of change are generating and looks at the agents of change themselves Stabilization and structural adjustment issues and macroeconomic policy in general are also discussed *Economic Policies Towards Less Developed Countries* Harry G. Johnson, 2021-07-29 Originally published in 1967 this book examines the major problems of trade and aid policy posed for the developed countries by the UN Conference on Trade and Development in 1964 Johnson surveys the political and economic setting of the Conference international aspects of economic development trade policy to promote development possible new international arrangements for trade in primary products and the possibilities offered by international monetary reform for benefitting less developed countries The divergence between the well being of developed and less developed countries remains one the key problems of our time and this book is therefore as relevant now as when it was first published **Globalization and the Least Developed Countries** David Bigman, 2007-01-01 One of the most notable changes in the world economy during the past three decades has been the diverging trends in the growth of the developing countries This book examines the opportunities open to the least developed countries as they design their strategies to accelerate growth and alleviate poverty **The Economics of Under-developed Countries** Péter Tamás Bauer, 1972 **Fiscal Policy in Underdeveloped Countries** Raja J. Chelliah, 2010-11-26 Originally published in 1960 with a second edition in 1969 this book is of special interest for having been the first systematic attempt to discuss problems of fiscal policy from the point of view of promoting economic growth in underdeveloped countries It deals mainly with problems of tax policy and outlines the economic principles by which the structure of taxation in developing economies can be constructed and evaluated The work made a distinct contribution in the field of Development studies by reorienting the theory of fiscal policy originally developed in the economically advanced countries to the problems requirements and institutional structure of an underdeveloped over populated country with a mixed enterprise system **Economic Analysis and Policy in Underdeveloped Countries** Peter Bauer, 2013-11-05 Offers its own distinctive contribution to the

methodology of economics applied to developing countries These lectures are penetrating and original Alan Peacock
