Meditation: The Art of Ecstasy Osho, 2023-02-28 Concentration is a choice It excludes all except its object of concentration it is a narrowing If you are walking on the street you will have to narrow your consciousness in order to walk You cannot ordinarily be aware of all that is happening because if you are aware of everything that is happening you will become unfocused So concentration is a need Concentration of the mind is a need in order to live to survive and exist That is why every culture in its own way tries to narrow the mind of the child

occupied both Eastern and Western philosophical traditions such as How do we balance freedom with form How can tradition embrace change without losing its essence and What happens when seemingly opposite forces discover their shared humanity These questions unfold through characters who embody philosophical principles while remaining emotionally compelling their personal journeys reflecting the larger cultural synthesis at the heart of this work This theatrical experiment demonstrates how Dionysian ecstasy and Eastern harmony can converse in a shared theatrical language transcending time and geography in order to explore the essential balance between chaos and order freedom and form tradition and transformation It stands as both a literary text and a potential performance piece which celebrates the richness of global theatrical traditions a tale of transformation where Seven Veils dissolve revealing the unity beneath our cultural differences The extensive glossary and notes provide context for readers unfamiliar with either tradition making this work accessible to diverse audiences while honoring the depth and complexity of its source material

Transition, Infinity, and Ecstasy Suresh Hariramsait, 2016-01-15 Though modern astronomers and astro phycisists like Stephen Hawking have their doubts about interstellar travel there are countless references to inter dimesional travel in mostly ancient Indian texts The Kandha Puranam nearly 17 million years ago mentions that the Asura Titan King Sooran ruled over 1008 universes and had vimanas or flying crafts that could in an instant travel all over space cutting across dimensions at tremendous speed that could hover in mid air over water disappear and re appear all of a sudden and had a host of stealth weapons even nuclear winter is mentioned for it is said that the entire world was enveloped in darkness caused by Sooran during the war Lord Muruga possessed the Peacock Craft that could circumvent the 14 worlds and fly beyond in a micro second and his missile with the lengthy flame nedunchudar Vel was voice activated and re useable and was so powerful that it blew up into smitherns the Kraunja mountain which even our modern day nuclear weapons cannot do according to scientists The Ramayana 17 million years ago mentions that Emperor Ravana s Pushpaka vimana which he captured from Kubera the Lord of riches in heaven could host as many passengers as it takes there were stun weapons and stealth technology In the Mahabharata war 3500 b c nuclear weapons like the brahmastra were used and there is mention of numerous flying crafts of the Lords Angels of Asuras Titans and Rakshasas Demons who all travelled to and fro from the upper and lower worlds The Sri Linga Purana mentions that Lord Brahma s Swan Craft flew and transcended the seven upper worlds while Lord Vishnu s Boar Craft tunnelled though the seven lower worlds and went even beyond Baathala the lowest plane which all reminds us of blackholes being portals and shortcuts to parallell universes which is being theoretically proved today More than 2500 years ago the Japanese Royal Family s ancestors met with the Sun God who landed on Mount Fuji and were presented with a sword and an orb which are still in the Imperial Palace in Japan The native Indian s forefathers living on sun Island on lake Titicaca in South America were visited by the Sun God The Dogon tribes of Mali have a tradition that their forefathers had sailed on a great ship that flew down form Sirius the star but what is interesting is that they don spacesuit like gear and celebrate their home coming

Lawrence,1994 The first critical edition of D H Lawrence s 1912 16 essays Lawrence left England for the first time in May 1912 and began to record his reactions to foreign cultures In 1915 he amplified some of these essays and wrote others for *Twilight in Italy* 1916 his first travel book *Songs of Ecstasy* Hugh B. Urban,2001 This book offers the first English translation of a body of highly esoteric mystical poetry and songs associated with the Khartabhajas a Bengali sect devoted to Tantrism The period from the late 18th to the early 19th century during which these lyrics were written was an era of change experimentation and transition from the older medieval styles to the new literary forms of modern Bengal The highly original songs presented here are an important part of this transitional period reflecting the search for new literary forms and experimentation in new poetic styles **Twilight in Italy** D. H. Lawrence,2015-05-30 In 1912 a young D H Lawrence left England for the first time and travelled to northern Italy He spent nearly a year on the shores of Lake Garda lodged in elegantly decaying houses set amid lemon groves and surrounded by the fading life of traditional Italy This is a travel book unlike any other where landscapes and people are backdrops to Lawrence s deeper wanderings into philosophy opinion life nature religion and the fate of man With sensuous descriptions of late harvests darkening days and fragile ancient traditions *Twilight in Italy* is suffused with nostalgia and premonition For looming over the idyll of rural Italy hover dark spectres the arrival of the industrial age and the brewing storm of World War I upheavals that would change the face of Europe forever *D. H. Lawrence and Italy* D. H. Lawrence,2018-11-08 In these impressions of the Italian countryside Lawrence transforms ordinary incidents into passages of intense beauty *Twilight in Italy* is a vibrant account of Lawrence s stay among the people of Lake Garda whose decaying lemon gardens bear witness to the twilight of a way of life centuries old In *Sea and Sardina* Lawrence brings to life the vigorous spontaneity of a society as yet untouched by the deadening effect of industrialization And *Etruscan Places* is a beautiful and delicate work of literary art the record of a dying man drinking from the founts of a civilization dedicated to life *Exile & Ecstasy* Madison Margolin,2023-11-07 Through the perspective of having grown up among HInJews in the Ram Dass community and cannabis legalization movement journalist Madison Margolin takes the reader on a journey inside New York s Jewish counterculture and the Hasidic underground reconciling her roots tackling ancestral Jewish trauma and finding intersectionality between the Jewish and psychedelic experience *Exile and Ecstasy* sets out to explore the psychedelic path that occupies the crossroads between the Ram Dass movement and Hasidism It s a path of seeking and escape rebellion and return medicine and magic Bridging the polar ends of the Jewish and psychedelic worlds while buttressing the experience with expert reportage Madison Margolin prods at *Be Here Now* to find its relevance and utility in a new generation facing different issues than those Ram Dass faced as a generally well to do boomer In doing so she looks at solutions to our lack of presence and offers practices that help us integrate our psychedelic experiences in mundane life as well as in the context of our roots and religious identities This book is for anyone looking to
