Economic Aid And American Policy Toward Egypt 1955 1981:

Economic Aid and American Policy toward Egypt, 1955-1981 William Joseph Burns, 1985-01-01 Gamal Abdel Nasser's 1955 decision to barter Egyptian cotton for Soviet bloc weaponry thrust Egypt onto center stage in the Cold War in the Middle East. What Egypt needed most and what the United States was uniquely equipped to provide was economic aid. For the Egyptian government, eager to take rapid strides toward economic development but crippled by a burgeoning population, a paucity of arable land, and a meager reserve of foreign exchange, American economic aid promised to serve as an enormously important crutch. For American policymakers, economic assistance appeared to be an ideal means of developing American influence in Egypt. Few aid relationships in the last three decades can match the drama and significance of the U.S. Egyptian experience. This study shows how the American government attempted to use its economic aid program to induce or coerce Egypt to support U.S. interests in the Middle East in the quarter century following the 1955 Czech-Egyptian arms agreement. William J. Burns has analyzed recently released government documents and interviews with former policymakers to throw light on the use of aid as a tool of American policy toward the Nasser regime. He also offers valuable observations on the role of the American economic assistance program in the Sadat era. Egypt and the Politics of U.S. Economic Aid

Marvin G. Weinbaum, 2019-03-04 The massive U.S. economic aid program for Egypt initiated in 1975 resulted in a bilateral aid relationship shaped by the interaction of political and development goals. In this study of the program's origins and consequences, Professor Weinbaum describes its scope and identifies the constraints that delayed and limited program implementation. The author discusses the modest U.S. leverage designed to encourage economic reforms and argues that far-reaching reforms could only be attained through a major change in Egypt's political structure. He finds that despite its failure to make Egypt more economically self-reliant, U.S. assistance has enabled the country to attain a level of consumption and development planning possible with no other alternative. The profit to the United States results from the regime's moderate foreign policies and compatible views on strategic threats to the region. Despite the mutual benefits of this aid program, Professor Weinbaum concludes that the United States must display greater sensitivity to Egypt's political and economic problems if the special relationship is to survive through the 1980s. **Egypt and American Foreign Assistance**

1952-1956 J. Alterman, 2002-10-03 From the ground up, the story of missed opportunities, mixed messages, and mutual frustrations in American relations with Egypt at a seminal time. Unprecedented in its drawing on Egyptian official sources, *Hopes Dashed* sheds new light on the difficulties and challenges of a nascent relationship characterized by missed opportunities, mixed messages, and mutual frustrations. However beneficial the intentions of those on the ground, their desire for Egyptian economic development was stymied by bureaucratic obstacles both in Egypt and the United States. And as Egypt became embroiled in the Cold War, policy decisions increasingly were made at higher levels by officials more concerned with geopolitical and Arab-Israeli issues and less how U.S. assistance could help the domestic political economy of Egypt. Alterman

compellingly shows how the interests of both countries diverged to eventually undermine an early American attempt at economic assistance *The Struggle for Egypt* Steven A. Cook,2013-03-21 A half century ago Egypt under nasser became the putative leader of the Arab world and a beacon for developing nations Yet in the decades prior to the 2011 revolution it was ruled over by a sclerotic regime plagued by nepotism and corruption During that time its economy declined into near shambles a severely overpopulated Cairo fell into disrepair and it produced scores of violent Islamic extremists In The struggle for Egypt now with a new epilogue on the post Mubarak era noted regional specialist Steven A Cook provides a sweeping and incisive account of how this parlous state of affairs came to be why the revolution occurred and where Egypt might be headed next From p 4 of cover **Capitalism and Nationalism at the End of Empire** Robert L.

Tignor,2015-03-08 The two decades that followed World War II witnessed the end of the great European empires in Asia and Africa Robert Tignor s new study of the decolonization experiences of Egypt Nigeria and Kenya elucidates the major factors that led to the transfer of power from British to African hands in these three territories Employing a comparative method in order to explain the different decolonizing narratives in each territory he argues that the different state policies toward the private business sector and foreign capital were the result of nationalist policies and attitudes and the influence of Cold War pressures on local events Using business records as well as official government sources the work highlights the economic aspects of decolonization and weighs the influence of nationalist movements changes in metropolitan attitudes toward the empire and shifts in the international balance of power in bringing about the transfer of authority The author concludes that the business communities did not play decisive roles adhering instead to their time honored role of leaving political issues to colonial officials and their nationalist critics Tignor also finds that the nationalist movements far from being ineffective largely realized the primary goals of nationalist leaders that had been articulated for many decades Originally published in 1997 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Origins of the American-Israeli Alliance** Abraham

Ben-Zvi,2007-03-12 This book demonstrates that the origins of the US Israeli alliance lay in the former s concern over Egyptian influence in Jordan contrasting with the widely held view of the significance of the Six Day War The American Israeli Alliance will be of great interest to students of Middle East studies history and politics Democracy and the Nature of American Influence in Iran, 1941-1979 David R. Collier,2017-05-08 Collier presents a timely and fresh reexamination of one of the most important bilateral relationships of the last century He delves deeply into the American desire to promote democracy in Iran from the 1940s through the early 1960s and examines the myriad factors that contributed to their success

in exerting a powerful influence on Iranian politics By creating a framework to understand the efficacy of external pressure Collier explains how the United States later relinquished this control during the 1960s and 1970s During this time the shah emerged as a dominant and effective political operator who took advantage of waning American influence to assert his authority Collier reveals how this shifting power dynamic transformed the former client patron relationship into one approaching equality

Double-Edged Diplomacy Peter Evans, Harold K. Jacobson, Robert D. Putnam, 2023-04-28 This original look at the dynamics of international relations untangles the vigorous interaction of domestic and international politics on subjects as diverse as nuclear disarmament human rights and trade An eminent group of political scientists demonstrates how international bargaining that reflects domestic political agendas can be undone when it ignores the influence of domestic constituencies The eleven studies in *Double Edged Diplomacy* provide a major step in furthering a more complete understanding of how politics between nations affects politics within nations and vice versa The result is a striking new paradigm for comprehending world events at a time when the global and the domestic are becoming ever more linked This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1995 This original look at the dynamics of international relations untangles the vigorous interaction of domestic and international politics on subjects as diverse as nuclear disarmament human rights and trade An eminent group of political scientists demons

The Middle East Barry Rubin, 2015-03-17 The Middle East is an area of great importance globally yet misperceptions abound Events have made it a region of special interest to the West and so the search for understanding gains momentum This publication is intended to clarify the region's complex history and issues In developing this project the contributors set out to explore seven significant themes that are usually not found in other sources While many books focus on political history and conflicts this two volume work deals specifically with culture religion women economics governance and media as well as the role that the region's modern history has played in shaping its society and worldview

John F. Kennedy and the Politics of Arms Sales to Israel Abraham Ben-Zvi, 2012-12-06 This volume seeks to reconstruct the process by which the Kennedy administration decided to sell to Israel Hawk surface to air missiles It argues that both domestic considerations and political calculations were part of a highly complex decision made by members of Washington's high policy elite

The 1967 Arab-Israeli War Avi Shlaim, William Roger Louis, 2012-02-13 The June 1967 war was a watershed in the history of the modern Middle East In six days the Israelis defeated the Egyptian Syrian and Jordanian armies seizing large portions of their territories Two veteran scholars of the Middle East bring together some of the most knowledgeable experts in their fields to reassess the origins and the legacies of the war Each chapter takes a different perspective from the vantage point of a different participant those that actually took part in the war and also the world

powers that played important roles behind the scenes Their conclusions make for sober reading At the heart of the story was the incompetence of the Egyptian leadership and the rivalry between various Arab players who were deeply suspicious of each other's motives Israel on the other side gained a resounding victory for which despite previous assessments to the contrary there was no master plan *Foreign Aid in the Middle East* Beáta Paragi, 2019-02-28 What do we mean by gifts in International Relations Can foreign aid be conceptualized as a gift Most foreign aid transactions are unilateral and financially unreciprocated yet donors expect to benefit from them Previous research dealing with foreign aid has analyzed the main donor motives and interests in providing financial support This book offers an in depth analysis of the invisible political or social exchange taking place between recipient countries and donors when a grant agreement is signed Focusing on Egypt Jordan Palestine and Israel the main beneficiaries of Western foreign aid the book uses gift theories and theories of social exchange to show how international social bonds are shaped by foreign aid and in what ways recipient countries are obliged to return the gift they receive Foreign aid is a means of buying stability or democracy in the region but Beata Paragi is interested here to understand the actual feasibility of Western assistance Looking at the context of the Arab Spring the book examines how aid impacts on a recipient country's domestic political events such as war the quest for self determination the struggle against occupation and the fight for dignity An original contribution to Middle East Studies and International Relations the research presents an alternative interpretation of foreign aid and show how external funds interact with local developments and realities

Foreign Aid In A Changing World Burnell, Peter, 1997-09-01 An accessible introduction for all social science students A balanced comprehensive and up to date treatment of the issues and trends A guide to the past present and future of foreign aid Foreign aid has undergone considerable changes over the past fifty years Foreign Aid in a Changing World explores the changes and locates them in a context of wider economic and political developments These are the developments affecting all countries in North South East and West and in particular the changing relations among them The book analyses the different reasons why some countries both in the developing world and former communist states seem to need assistance It critically surveys the values based and interests based arguments in favour of aid and its many forms encompasses the important non governmental and multilateral dimensions as well as the bilateral flows at national and sub national levels and focuses particularly on the contemporary emphasis on making aid dependent on democratization and good government Peter Burnell examines the principal influences on foreign aid what makes aid controversial and whether it has a future He provides an important text for all students of international relations and development studies across the social science disciplines

Meeting the Communist Threat : Truman to Reagan Thomas G. Paterson Professor of History University of Connecticut, 1988-03-24 In this provocative new book the distinguished diplomatic historian Thomas G Paterson explores why and how Americans have perceived and exaggerated the Communist threat in the last half century Telling the story through rich analysis and substantial research in private papers government archives oral histories

contemporary writings and scholarly works Paterson explains the origins and evolution of United States global intervention In penetrating essays on the ideas and programs of Harry S Truman George F Kennan Dwight D Eisenhower John Foster Dulles John F Kennedy Richard M Nixon Henry A Kissinger and Ronald Reagan as well as on the views of dissenters from the prevailing Cold War mentality Paterson reveals the tenacity and momentum of American thinking about threats from abroad Paterson offers a thorough review of postwar American attitudes toward totalitarianism the causes of international conflict and foreign aid and he then demonstrates how Truman acted upon these views launched the containment doctrine and exercised American power in both Europe and Asia A fresh look at Eisenhower's policy in the Middle East explains how the United States became a major player in that volatile region Paterson also presents an incisive critique of Kennedy's foreign policy describing an administration propelled by lessons from Truman's era an assertive can-do style and a grandiose notion of America's nation-building responsibilities in the Third World Arrogance ignorance and impatience Paterson argues combined with familiar exaggerations of Soviet capabilities and intentions to produce a rash of crises from the Bay of Pigs and missile crisis in Cuba to the war in Vietnam Other chapters study the flawed record of 1970s detente CIA covert actions and the failure of congressional oversight from the 1940s to the present and Reagan's rewriting of the history of the Vietnam War In the last chapter Paterson demolishes the argument that the Vietnam War could have been won and probes the analogy between Vietnam and Central America in the 1980s Americans did not invent the Communist threat Paterson contends but they have certainly exaggerated it nurturing a trenchant anti-communism that has had a devastating effect on international relations and American institutions An important backdrop to recent foreign policy Meeting the Communist Threat combines extensive scholarship and perceptive analysis to provide a vivid account of Cold War policy in America

Compassion Fatigue Susan D. Moeller, 2002-09-11 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company

Ike's Gamble Michael Doran, 2017-10-24 In a bold reinterpretation of history Ike's Gamble shows how the 1956 Suez Crisis taught President Eisenhower that Israel not Egypt would have to be America's ally in the region In 1956 President Nasser of Egypt moved to take possession of the Suez Canal bringing the Middle East to the brink of war Distinguished Middle East expert Michael Doran shows how Nasser played the United States invoking America's opposition to European colonialism to his own benefit At the same time Nasser made weapons deals with the USSR and destabilized other Arab countries that the United States had been courting In time Eisenhower would realize that Nasser had duped him and that the Arab countries were too fractious to anchor America's interests in the Middle East Affording deep insight into Eisenhower and his foreign policy this fascinating and provocative history provides a rich new understanding of the tangled path by which the United States became the power broker in the Middle East Back cover

American Orientalism Douglas Little, 2009-09-15 Douglas Little explores the stormy American relationship with the Middle East from World War II through the war in Iraq focusing particularly on the complex and often inconsistent attitudes and interests that helped put

the United States on a collision course with radical Islam early in the new millennium After documenting the persistence of orientalist stereotypes in American popular culture Little examines oil Israel and other aspects of U S policy He concludes that a peculiar blend of arrogance and ignorance has led American officials to overestimate their ability to shape events in the Middle East from 1945 through the present day and that it has been a driving force behind the Iraq war For this updated third edition Little covers events through 2007 including a new chapter on the Bush Doctrine demonstrating that in many important ways George W Bush s Middle Eastern policies mark a sharp break with the past

Historical Dictionary of United States-Africa Relations Robert Anthony Waters Jr.,2009-03-20 The image of Africa among Americans at the beginning of the 21st century is tragic America s image among Africans is of a place that is splendid but arrogant and unfeeling Both have large elements of truth Poverty coups corruption pandemic disease and tribal racial and religious violence are all too common in Africa So too is Americans lack of concern about the people of a continent that suffers from these tragedies as well as their government s support for African governments that treat their people as prey instead of citizens The Historical Dictionary of United States Africa Relations encompasses the relationship between the two from the trans Atlantic slave trade to the George W Bush administration with particular emphasis on the Cold War It focuses on political and economic aspects of the relationship and includes cultural relations This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on key persons places events institutions and organizations

Kennedy's Quest for Victory Thomas G. Paterson,1989 Based on extensive research in archives and oral histories this volume of original essays explores the primary foreign policy assumptions and objectives of Kennedy and his advisers and the importance of domestic politics international change personality and style and historical lessons in shaping Kennedy s diplomacy

Ernest Gruening and the American Dissenting Tradition Robert David Johnson,1998 Gruening is perhaps best known for his vehement fight against U S military involvement in Vietnam However as Johnson shows here it s Gruening s sixty year public career in its entirety that provides an opportunity for historians to explore continuity and change in dissenting thought in twentieth century America

Economic Aid And American Policy Toward Egypt 1955 1981 Introduction

Economic Aid And American Policy Toward Egypt 1955 1981 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Economic Aid And American Policy Toward Egypt 1955 1981 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Economic Aid And American Policy Toward Egypt 1955 1981 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Economic Aid And American Policy Toward Egypt 1955 1981 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Economic Aid And American Policy Toward Egypt 1955 1981 Offers a diverse range of free eBooks across various genres. Economic Aid And American Policy Toward Egypt 1955 1981 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Economic Aid And American Policy Toward Egypt 1955 1981 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Economic Aid And American Policy Toward Egypt 1955 1981, especially related to Economic Aid And American Policy Toward Egypt 1955 1981, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Economic Aid And American Policy Toward Egypt 1955 1981, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Economic Aid And American Policy Toward Egypt 1955 1981 books or magazines might include. Look for these in online stores or libraries. Remember that while Economic Aid And American Policy Toward Egypt 1955 1981, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Economic Aid And American Policy Toward Egypt 1955 1981 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Economic Aid And American Policy Toward Egypt 1955 1981 full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Economic Aid And American Policy Toward Egypt 1955 1981 eBooks, including some popular titles.

FAQs About Economic Aid And American Policy Toward Egypt 1955 1981 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Economic Aid And American Policy Toward Egypt 1955 1981 is one of the best book in our library for free trial. We provide copy of Economic Aid And American Policy Toward Egypt 1955 1981 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Economic Aid And American Policy Toward Egypt 1955 1981. Where to download Economic Aid And American Policy Toward Egypt 1955 1981 online for free? Are you looking for Economic Aid And American Policy Toward Egypt 1955 1981 PDF? This is definitely going to save you time and cash in something you should think about.
