The Diffusion of Western Economic Ideas in East Asia Malcolm Warner,2016-12-19 This book examines the diffusion of economic ideas in East Asia assessing the impact of external ideas on internal theory and practice It considers economists from Adam Smith onwards including Marx Keynes Hayek and contemporary economists and covers the subject both historically and also includes present day and likely future developments The book covers all the major countries of East Asia and pays particular attention to specific economists who have had a strong impact in specific countries and to important developments in economic theory in East Asia exploring how far these have been driven by Western economic ideas This book will be welcomed by students and scholars of East Asia and South east Asia as well as those interested in economics economic history and management

A Foreign Economic Policy for the 1970's United

States. Congress. Joint Economic Committee. Subcommittee on Foreign Economic Policy, 1970 **Industrial Cooperation between East and West** Friedrich Levčík, Jan Stankovský, 2017-09-08 This title was first published in 1979 A number of valuable and interesting publications have appeared in the last few years on East West cooperation These studies which by means of interviews and direct contacts with the firms concerned have shed some light on a subject that in the past had remained little known also provided us with extremely valuable incentives Most of these studies dealt only with individual aspects of cooperation particularly the legal and microeconomic aspects The quantitative data used however did not easily lend themselves to comparison Eastern European studies more often contained the views of the respective governments than the experiences of enterprises involved in cooperative undertakings In this book the authors have attempted to provide a unified picture of the most important problems of East West cooperation The motivations and goals of those concerned in all their microeconomic macroeconomic commercial and political aspects are brought together with the pertinent legal and institutional factors and are analyzed Current Policy Digest , 1986 **East-West economic relations. December 7, 8 and 9, 1970** United States. Congress. Joint Economic Committee. Subcommittee on Foreign Policy, 1971 *Agriculture and East-west European Integration* Jason G Hartell, Johan F.M Swinnen, 2017-11-01 This title was first published in 2000 This volume analyzes key issues of the process of integrating Central and Eastern European countries with the European Union related to agriculture The issues include the comparative advantage of CEEC agriculture and its development under various accession policy scenarios the likely policy developments in both the CEECs and the EU based on economic social and political economy considerations the expected economic impacts and adjustment costs for the agro food sector under various policy outcomes the most important constraints for integration including policy convergence issues and internal constraints and how integration will potentially affect trade and labour flows in the Union The country combines detailed country specific and region wide empirical and theoretical analysis U.S. Policy Toward Eastern Europe, 1985 United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Europe and the Middle East, 1986
