Volcker United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs,1983 *Human Economy* John Applegath,Human Economy Center,1981 **Flight to Financial Freedom: Navigating Secure Futures** Thor McIlrath ,2024-03-01 While many books have been written about investing few contain the essential information needed to make truly informative decisions Working with people for over three decades as both personal advisor and professional financial instructor at local colleges my passion for imparting basic financial knowledge has only grown Once people gain a clear understanding of timeless financial concepts they are empowered to live a life of greater abundance with less fear and stress This typically results in a better overall quality of life fewer divorces and less reliance on government My hope is that the time I have spent writing this book will provide you with knowledge you can use to improve your finances grow your self confidence and liberate your life in the years ahead **Business Week** ,1980 **Economic Books** ,1980 The Handbook of the Political Economy of Financial Crises Martin H. Wolfson,Gerald A. Epstein,2013-02-21 The Great Financial Crisis that began in 2007 2008 reminds us with devastating force that financial instability and crises are endemic to capitalist economies This Handbook describes the theoretical institutional and historical factors that can help us understand the forces that create financial crises

Economic Tracts for the Times G. Cole,2010-11 Originally written as a series of pamphlets and at a time of high unemployment this volume discusses free trade monetary policy wages and employment economic theory and social legislation **The Publishers Weekly** ,1980 **Full Employment: A Pledge Betrayed** J. Smith,1997-02-14 John Grieve Smith traces the origins of postwar full employment policies in the experience of the interwar years and the work of Keynes and Beveridge He reviews the successful achievement of full employment after the war and its subsequent abandonment as the Keynesian consensus gave way to the new monetarist inspired orthodoxy The book puts forward alternative proposals for expansionary policies and for international financial reform It is written throughout in terms accessible to both the layperson

and the expert **A Person-centred Understanding of Work and Its Implications** Ruben F. W. Nelson, Canada. Task Force on Labour Market Development, 1981 Biography of an Idea David Felix, 2017-10-19 The culmination of John Maynard Keynes's thought and lifework was *The General Theory of Employment Interest and Money* Here placing it in the context of his era David Felix examines the evolution of Keynes's theorizing He boldly claims that *The General Theory* lacks logical and factual support as pure theory but is an achievement of great statesmanship in political economy Felix argues that Keynes's ideas have misled successive generations of students and practitioners He suggests that a more discriminating view of his thought can reconcile Keynesian views with neoclassical theory and replace the false synthesis that dominates contemporary text books with a truer one *Biography of an Idea* devotes four chapters to an analysis of *The General Theory* and an examination of the economic logic of Keynes The author disentangles the work's fundamentally simple theses from its difficult technical presentation He shows how Keynes shaped his economic model as he did as an effort to win public support for sensible policies that clashed with generally accepted beliefs of the time *Biography of an Idea* is bound to be controversial due to the many cohorts of economists who have been trained in macroeconomics according to Keynes It will be of interest and accessible to intellectually curious laymen and students and important to economists historians and political scientists
