Environmental and Natural Resources Economics Steven Hackett, Sahan T. M. Dissanayake, 2014-12-18 Extensively revised and updated this popular text presents an accessible yet rigorous treatment of environmental and natural resources economics including climate change and the economics of sustainability Completely revised and updated the fourth edition now includes new figures and tables definitions to assist the reader and updated policy information New advances in the science economics and policy approaches to climate change have been integrated into essentially all new chapters on incentive regulation and global climate change This innovative textbook integrates economics with science and public policy in a balanced and accessible way that will be appreciated by students from disciplines ranging from economics and natural resources management to environmental studies and energy policy [Introduction to Finance](#) Ronald W. Melicher, Edgar A. Norton, 2013-10-28 The fifteenth edition of *Introduction to Finance* Markets Investments and Financial Management builds upon the successes of its earlier editions while maintaining a fresh and up to date coverage of the field of finance Distinguished authors Ron Melicher and Edgar Norton continue to cover the three major financial areas institutions and markets investments and financial management Their effective structure equips instructors with maximum flexibility for how the course is taught and students with an integrated perspective of the different foundations of finance This survey of the basic knowledge concepts and terms of the discipline is appropriate for all students For those who do not plan to take additional courses in finance it provides a valuable overview For those who want to take additional coursework in finance it provides a solid foundation for their future studies and careers , **Macroeconomics** Robert J. Rossana, 2011-02-25 Research in macroeconomics in the last thirty years has featured almost exclusively on two characteristics an emphasis on the microfoundations of macroeconomics and secondly intertemporal economics that is the behavior of economic actors over

time Curiously textbooks in intermediate macroeconomics have been very slow to adopt these traits The aim of this book is to bring intermediate instruction in macroeconomics fully into line with the direction taken by the research community Key hallmarks of the text include a full introduction to the microfoundations of consumption and investment a complete model of the labor market with profit maximization for firms to determine labor demand and a utility maximization model to determine labor supply an analysis of the Baumol Tobin model to determine money demand accompanied by a discussion of traditional money supply Possessing a full range of additional learning features including a companion website test bank and instructor s manual the book takes an international view of macroeconomics with case studies and examples from the United States and beyond **Publishers Directory** ,1991 Divided by Choice Ryane McAuliffe Straus,2025-08-05 How race and capitalism shape education School choice programs such as vouchers education savings accounts and tax credit scholarships are surrounded by controversy raising questions about their impact on student diversity and inequality In this book Ryane McAuliffe Straus takes up a core part of this divisive debate exploring why charter schools are reshaping America s education system and democracy for the worse Drawing on interviews with elected officials policy entrepreneurs parents and activists in Albany NY Straus argues that charter schools are a poor alternative to failing public schools ultimately worsening racial segregation under the guise of providing underprivileged students with access to better education Taking a wide ranging view the author explores why parents elected officials and community activists may or may not choose to leave the public education system by enrolling their children in charter schools Straus finds that when families of color leave public schools in favor of charter schools this removes their democratic voice and participation diminishing their political power in a high stakes area of public policy Divided by Choice highlights the fundamental flaws of one solution to public education inequalities at a time when racial tensions are at an all time high Contemporary Business Louis E. Boone,David L. Kurtz,Brahm Canzer,2021-08-10 Student friendly engaging and accessible Contemporary Business 19e equips students with the skills to assess and solve today s global business challenges and succeed in a fast paced environment Designed to drive interest in business our newest edition offers a comprehensive approach to the material including a variety of resources to support today s students Its modern approach wealth of videos relevant and up to date content and career readiness resources keep your course current and engaging **Economic Education** ,1967 Hearings, Reports and Prints of the Joint Economic Committee United States. Congress. Joint Economic Committee,1967 *Microeconomics* Douglas McTaggart,Christopher Findlay,Michael Parkin,2012-10-04 High quality engaging content for students ultimate flexibility for educators The seventh edition of this benchmark Australian text continues to offer students a comprehensive and relevant introduction to economics whilst offering educators the ability to customise and deliver content your way Microeconomics 7th edition provides a streamlined approach to study and recognises the difficulties some students may face in comprehending key concepts By leaving the more technical content and application until later students can enjoy the more exciting policy

material from the beginning and engage with the content early Through compelling examples clear explanations and the latest instructive on line resources the text draws students into the content and reinforces learning through practice and solving problems which are relevant to them The authors train students to think about issues in the way real economists do and learn how to explore difficult policy problems and make more informed decisions by offering a clear introduction to theory and applying the concepts to today s events news and research
