**The Bridge Bum** Alan Sontag, 2003

**Pathways to Better Bridge Defense** Danny Roth, 2003 So you tend to be dealt very bad hands I know exactly you feel But facing the facts of life and recognising that it is

not your fault you are going to have to accommodate this failing and improve your defence It is a hard part of the game even in international competitions the standard of defensive play is to put it kindly modest Yes you will get plenty of reports of brilliances involving spectacular switches deceptions unblocks and discards of honours But for every one of those there are countless others in which the display would disgrace any beginners class I am going to assume that you are a regular club or tournament player who knows the basics of defence but who comes unstuck when it comes to situations where you have to work the hand out in detail This book will help you to improve dramatically in this area Danny Roth Frank Stewart's Bridge Club Frank Stewart,2003 A collection of hands that take the reader through a year at the author s fictional bridge club The characters make all the common errors so the author manages to instruct while he entertains For fans of Stewart s enormously popular syndicated bridge column in which these characters appear regularly **Canadian Books in Print.**
