Till Death Do Us Part - Life with the Love of My Life Barbara Amato-Dorn,2019-07-08 I never realized when I took my wedding vows how much till death do us part would mean to me so many years later There is nothing I would change about my life with my late husband except I would have had children At this stage of my life I would love to see a son that looked just like him walk in the door and give me a big hug That is what I have truly missed in life My advice to the world love one another and be true to each other forever Life is so short to do otherwise **Montgomery Clift** Michelangelo

Capua,2015-09-16 At the peak of his career in the 1950s Montgomery Clift was the symbol of a very talented yet rebellious generation of movie stars His acting combined the personal and the professional and his seventeen movies show his superb craft and extraordinary sensitivity Yet there was much more to his life than his talents as an actor more than most people knew This book is a biography of the extremely handsome acutely intelligent but tormented Montgomery Clift His life has been described as the longest suicide in the history of Hollywood and this biography shows the accuracy of that description It covers Clift s sheltered childhood his discovery at the age of 12 the early critical acclaim that brought attention from such noted directors as Elia Kazan and Antoinette Perry his development as a professional actor and work with many of Hollywood s greatest directors including Kazan Fred Zinneman Alfred Hitchcock and John Huston and the devastating car accident that disfigured his face and caused him to turn to drugs and alcohol Throughout the book attention is given to Clift s self destructive personality which created problems that even close friends like Elizabeth Taylor could not help him solve and his closet homosexuality which contributed to his intense insecurity Richly illustrated **Bing Crosby** Gary Giddins,2009-11-11
