J. Suenens, 1956 **Montfortians in Malawi** Reijnaerts, Hubert, Nielsen, Ann, 2019-05-09 A common misconception found in popular and even some scholarly literature is that the missionaries are a homogeneous category about whom it is easy to make broad generalisations When a more accurate appraisal of the role of missionaries in Malawi and elsewhere will be reached when each particular missionary initiative is subjected to critical study This work fills a gap in our knowledge of the Catholic missions since it is the viewpoint of the White Fathers which predominates in the seminal work of K and J Linden Catholics Peasants and Chewa Resistance in

Nyasaland 1889 1939 It intends to identify assess and evaluate the Montfortian spirituality and charism by examining as far as possible within the context of their times the lives and works of the three Montfortian pioneers in Malawi and their successors *The Rock from Which You Were Hewn* Patrick Kenny, John Hogan, 2024-11-11 This book presents brief inspiring biographies of over 40 Irish men and women whose causes for canonization are in progress along with others who enjoy a strong reputation for sanctity Written in response to Pope Benedict XVI's call to the Irish to renew the Church in Ireland by drawing on the legacy of their ancestors it details the heroic lives of twentieth century saintly models as well as a few older ones to encourage contemporary Catholics to seek holiness Featuring chapters by various contributors including the postulants of some of the causes the book offers moving insights into its subjects and the times and places in which they lived Some lived and died in Ireland while some were missionaries in other countries Some were priests or consecrated religious others were devout and dedicated laypeople Some died as martyrs others were distinguished by lives of humble service What unites them all is their profound love for Christ and his Church This is a timely important work given the decline of Christianity in Western society and the need for the Church to embrace a process of spiritual renewal and evangelization While it deals with Irish models it is a work for the universal Church since the saints have relevance for all of us regardless of where they are from Those whose inspiring stories are told include Monsignor Hugh O Flaherty Fr Willie Doyle S J Father Edward Flanagan Frank Duff Sister Clare Crockett Venerable Patrick Peyton Venerable Matt Talbot Venerable Edel Quinn Blessed John Sullivan Blessed Columba Marmion and many more *Modern Saints* Ann Ball, 1991-12 45 saints beati and other holy people of the past 200 years and their pictures most are actual photographs Includes the Cure of Ars St Catherine Laboure St Therese the Little Flower St Pius X Venerable Jacinta and Francisco Marto Dom Columba Marmion St Elizabeth Seton Pauline Jaricot Bl Elizabeth of the Trinity Sr Josefa Menendez St Joseph Cafasso Therese Neumann and many more Shows there are people living today who will one day be canonized Saints *Edel Quinn: A Mind of Her Own*, 1975 **Frank Duff** Finola Kennedy, 2011-01-07 This is a new biography of the Founder of the Legion of Mary one of the Catholic Church's most effective charitable agencies in the world today In the Legion of Mary Duff built an organisation that depended on each member playing his or her part rather than on any individual leader Describing responsibility as the biggest tonic on earth he believed in sharing responsibility and warned against thinking that others cannot do things as well as we can ourselves The Legion of Mary is an organisation of lay Catholics dedicated to every form of social service and Catholic action for the welfare of the Church and of society Duff's vision of a lay movement was revolutionary in its time and as recounted in this book explains why he faced so much opposition from Church authorities especially in Ireland But Duff who is on the path towards canonisation exemplified the Catholic tradition of charitable work at its best that you do not preach by lecturing but by works of mercy compassion and unselfish altruism This is an inspiring tale *The Wisdom of the Saints* Anthony Vincent Bruno, 2019-08-23 This is a collation of smart quotes final words and assorted sayings of some of the

smartest people who have ever lived It is a reference book to browse through when your spirits are low There are no chapters but I have divided it into four parts for reference sake As the content belongs not to me but to the bygone saints of their day I will attempt to make the digital version of this book free to download as soon as the major digital platforms allow Whatever profits are made from the paperback edition will be donated to Christian charities You can recommend a charity by posting it in a review of this work Examples of what you will find inside Prayer is the inner bath of love into which the soul plunges itself Saint John Vianney The heart of the meek is the throne on which the Lord reposes Saint John Climacus The nature of water is soft and the nature of stone is hard but if a bottle is hung above the stone allowing the water to fall down drop by drop it wears away the stone So it is with the Word of God it is soft and our heart is hard but the man who hears the Word of God often opens his heart to the fear of God Saint Poemen
