**D201** P. M. Heathcote, 2005-07 This book takes the student right through all the tasks involved in completing a project similar in length number of tasks and level of difficulty to the one set by Edexcel In addition tutors can work through the book and use it for lesson planning support

**Harnessing Technology for Every Child Matters and Personalised Learning** John Galloway, 2008-11-27 This book takes into account three core policies Every Child Matters Personalised Learning and Harnessing Technology combined they are at the heart of changes to children and young peoples experiences of school Harnessing Technology considers these policies and their interlinked relationship It outlines the ways in which technology allows us to assess track and monitor pupil progress and use this information to better support both their learning and their broader needs making it an essential resource for training and practicing teachers school leaders and all those involved in educational transformation To achieve the five outcomes of the Every Child Matters agenda requires an approach that is pupil centred with developments in new technologies making it possible to not only understand each individual more precisely but also for them to learn in more flexible and personalised

ways Through innovations such as web based information sharing learning platforms and e portfolios schools will be able to offer content appropriate to pupil s personal goals breaching conventional orthodoxies of time and place How far these policies will transform schools and services for children and young people remains to be seen Consideration is given within the book to the barriers to their success the issues that impinge upon them and questions asked about their capacity to bring about long term systemic change     **The Journal of Classics Teaching** ,2005     *D202: Multimedia* F. R. Heathcote,2006

Based around an example project to allow students to learn the skills in context This work covers the practical skills and theory needed for this module It helps in planning the project collecting and creating components planning and implementing your movie using Flash planning and creating the virtual tour in Flash and more
