The Way of the Warrior Priestess Aya,1999-10-01 A woman who struggles on the spiritual path needs validation guidance inspiration and practical advice This handbook is to help her survive the transition of the past several centuries and come to her full empowerment This is especially for she who needs to reprogram herself as the Warrior Priestess in what is still a mans world It is for the one who seeks to understand her place as the embodiment of the Divine Feminine Spirit because now it is time to uplift the wounded feminine consciousness to its rightful power to transmute the negative results of ignorance and subjugation This book is a call and a guide for the neophyte on the Path as well as for all the extraordinary women who are searching for a Friend in the dark when they are feeling most damned and abandoned because of their Vision It is for all the Spiritual Warrior Priestesses who have forgotten some of the pitfalls as well as the joys of their Journey This book will serve as an inspiration for those who have lost that Sight In the playing field of womens spirituality no one book or resource offers such a clear picture of the magical destiny of the Woman of Tomorrow especially for those with eclectic beliefs THE WAY OF THE WARRIOR PRIESTESS addresses this need for self transformation by inspiring the reader with important quotations as well as the authors guidance step by step direction affirmations useful astrological insights as well as a section that asks questions that will push the reader into changing some tired perceptions It is written to fire up the spirit of the sleeping Feminine Spirit in both women and men It is a handbook and empowerment manual for the growing army of individuals born at this special time in Mother Earths history to help rebalance Her during certain changes for all of those brave souls willing to go in an exciting new direction WHY THE READER SHOULD READ THIS BOOK This is not another book about the womens spirituality movement or about why women are goddesses Rather it is a bridge between traditional magickal wisdom and the everyday challenges of the woman of the 90s It is a call to transformation and will answer the intense desire for women of all ages and colors to heal their lives It will give them permission and purpose to become what

**Esoteric Healing - Part 2** Dr. Douglas M. Baker, 2014-04-04 Esoteric Healing Part 2 Stress Disorders Amongst its many topics this book includes expanded sections on healing with the Bach Flower Remedies Alcoholism and Stress Disorder including their treatments For centuries men have sought healing and obtained it long before our methods of treatment were elaborated The methods used then have remained esoteric or veiled and only the outer shell mainly nonsensical has survived for history to ridicule In centuries to come men will also marvel at how we healed in our own day with so many drugs that were later put on the poison list Now for the first time the field of the esoteric healer is being revealed by scientific devices This field of operation for the esoteric healer is the etheric body the vitalising matrix underlying all tissue described by contemporary yogis who even at this moment are revealing facts about man's nature which are not only able to be demonstrated in the neurophysiologic laboratories of such esteemed medical establishments as the Meninger Foundation at Topeka and the World Health Organisation but facts which don't yet exist in our medical physiology and anatomy textbooks Animals suffer intense stress but do not die from coronaries duodenal ulcers and hypertension because of it Many a man will suffer stress persistently and not die from it Disciples all suffer stress but their disciplines enable them to thrive on such situations Only those who are unable to cope or to receive feedback on their reactions to stress or are unable to stop thinking about their troubles or believe themselves to be continuously subject to them go down The difference between all these is not physical it is supraphysical It lies in those realms whose laws are understood obeyed and used by esoteric healers After twenty five years of patient research in the ways of Orthodox Medicine and its esoteric counterpart I have no reason to change my firm belief that the cause of ninety per cent of all disease lies in the inability of Man to express himself according to the purposes of his own Soul whether he be aware of these purposes or not the inability

to express in his way of life Truth Beauty and Goodness which after all is not saying anything new for this was the belief of Socrates and Plato twenty five centuries ago What will eventually be practised as Preventive Medicine is already established in great measure in the daily living of students of esoteric sciences i e care about diet and nutrition breathing exercises relaxation and meditation     The Visible and the Invisible Reality Helena Lettau,2012-07-25 Semi autobiographical telling the story of two intertwined journeys an Earthly one and a spiritual one In part an exploration of spirituality and paranormal phenomena which in the German language is known as GRENZWISSENSCHAFT and may be translated into English as Borderline Science Experimental work is involved It deals with esoteric philosophy parapsychology and transpersonal experience also exploring the meaning and mystery of life itself     In Search of Destiny Robert A. Welcome,2012-07-27 What are we doing on planet earth Why are we here Did we evolve Or are we created Many of us as we age dont so easily accept many philosophies and teachings about life We come to realize the degree to which truth is bent and shaped by special interests in social political and religious affairs After 40 years in the making In Search of Destiny brings to you a gripping scientific and spiritual search for human destiny Are we here to just be born grow old and die on planet earth Or is there evidence beyond this In Search of Destiny draws a decisive conclusion
