Gender and the Mexican Revolution Stephanie J. Smith, 2009-06-01 The state of Yucatan is commonly considered to have been a hotbed of radical feminism during the Mexican Revolution Challenging this romanticized view Stephanie Smith examines the revolutionary reforms designed to break women's ties to tradition and religion as well as the ways in which women shaped these developments Smith analyzes the various regulations introduced by Yucatan's two revolution era governors Salvador Alvarado and Felipe Carrillo Puerto Like many revolutionary leaders throughout Mexico the Yucatan policy makers professed allegiance to women's rights and socialist principles Yet they too passed laws and condoned legal practices that excluded women from equal participation and reinforced their inferior status Using court cases brought by ordinary women including those of Mayan descent Smith demonstrates the importance of women's agency during the Mexican Revolution But she says despite the intervention of women at many levels of Yucatecan society the rigid definition of women's social roles as strictly that of wives and mothers within the Mexican nation guaranteed that long term substantial gains remained out of reach for most women for years to come **Architectural Rhetoric and the Iconography of**

Authority in Colonial Mexico C. Cody Barteet, 2019-06-11 This book investigates the Casa de Montejo and considers the role of the building's Plateresque facade as a form of visual rhetoric that conveyed ideas about the individual and communal cultural identities in sixteenth century Yucatan C Cody Barteet analyzes the facade within the complex colonial world in which it belongs including in multicultural Yucatan and the transatlantic world This contextualization allows for an examination of the architectural rhetoric of the facade the design of which visualizes the contestations of autonomy and authority occurring among the colonial peoples *100 Obras Fundamentales Sobre Educacion.
