Educating Gifted Children at Hunter College Elementary School Gertrude Howell Hildreth, Florence Newell Brumbaugh, Frank Thompson Wilson, 1952 **Hunter College Elementary School Gifted Children "as We See Them".** Hunter College. Elementary School, 1958 Educating Gifted Children at Hunter College Elementary School. By G.H. Hildreth ... in Collaboration with Florence N. Brumbaugh ... Frank T. Wilson Gertrude Howell HILDRETH, Florence Newell BRUMBAUGH, Frank Thompson WILSON, 1952 The Hunter College Campus Schools for the Gifted Elizabeth Stone, 1992

The Hunter College Campus Schools have always been committed to excellence and since 1941 to the particular kind of excellence related to identifying and teaching gifted students For half of that time since 1965 they have been searching for various ways to be equitable as well perpetually refining admissions policy to accommodate diversity Educating the More Able Children in Grades Four, Five, and Six Gertrude Minnie Lewis, 1961 **Bulletin** United States. Office of Education, 1961 **Genius Revisited** Rena F. Subotnik, 1993 questions are discussed in this interesting study about what it is like to grow up gifted the realities of school the expectations of others and the choices the gifted make in adulthood

Contemporary Psychology This volume summarizes a study designed to assess the outcomes of early identification and schooling for a group of highly gifted children The subjects were graduates of one of America s most selective educational institutions the Hunter College Elementary School HCES HCES developed as an outgrowth of a series of experiments and philosophical statements reflecting the political and social history of the United States in the first half of the 20th century and was created in 1941 to serve children with IQ scores at least two standard deviations above the mean This book proposes that the reported reflections of individuals in their 40s and 50s who were selected at approximately age 4 for special instruction on the basis of high IQ scores can provide insight into the development of future educational options for gifted students The objective is to contribute these unique perspectives to the literature that describes and analyzes the long term outcomes of educational decisions concerning the identification and education of gifted children **Educating Your Gifted Child** Vicki Caruana, 2002 Advise on a wide range of topics about gifted children from the characteristics of and myths about gifted kids to matching teaching and reading styles and handling family dynamics Includes many of her own experiences and those of other parents as well as experts in the field Provides lists of resources and support groups to help parents in making educational choices for gifted children from preschool age and up The Gifted Student United States. Hess,1961 **Talented Children and Adults** Jane Piirto,2021-09-03 This third edition of the widely popular *Talented Children and Adults: Their Development and Education* has been revised to include the most up to date information on talent development. Written by a nationally recognized author in the field of gifted education, this textbook explores the factors that encourage talent development from birth through adulthood, with specific chapters focusing on children from birth to age 2, elementary and middle school students, high school and college students, and adults. *Talented Children and Adults* includes information for identifying talented students, developing programs for these students, identifying creativity, and creating appropriate curricula. The book also addresses counseling and guidance for talented students, as well as underserved populations. Each chapter begins with a vignette, and case studies from students and educators in the field are included at the end of each chapter. This book is a must read for anyone who works with talented children and adults. *The SAGE Handbook of African American Education* Linda C. Tillman,2008-07-17 This Handbook received an honorable mention at the 2009 PROSE Awards. The PROSE Awards annually recognize the very best in professional and scholarly publishing by bringing attention to distinguished books, journals, and electronic content in over 40 categories. This volume fills the tremendous void that currently exists in providing a much needed lens for cultural leadership and proficiency. The approach provides a wide divergence of perspectives on African American forms of leadership in a variety of diverse leadership settings. Len Foster, Washington State University. The *SAGE Handbook of African American Education* is a unique, comprehensive collection of theoretical and empirical scholarship in six important areas: historical perspectives, teaching and learning, PK-12 school leadership, higher education, current issues, and education policy. The purpose of the Handbook is to articulate perspectives on issues affecting the participation and leadership of African Americans in PK-12 and postsecondary education. This volume also addresses historical and current issues affecting the education of African Americans and discusses current and future school reform efforts that directly affect this group. Key Features: Promotes inquiry and development of questions, ideas, and dialogue about critical practice, theory, and research on African Americans in the United States educational system. Makes significant contributions to the scholarship on African Americans in the broad context of U.S. education and society. Addresses the central question: in what ways do African Americans in corporate, private, and public positions influence and shape educational policy that affects African Americans. The *SAGE Handbook of African American Education* is a unique, comprehensive collection of theoretical and empirical scholarship in six important areas: historical perspectives, teaching and learning, Pre-K-12 school leadership, higher education, current issues, and education policy. *TEACHERS OF COLOR* A wise scientist once argued that to doubt everything or to believe everything often results in the same solution: set both aside to eliminate the need for reflection. This handbook provides an intellectual space for those interested in true reflection on the human ecology of the African American experience in schools, communities, and society. The *Handbook of African American Education* is a repository of information developed to advance the human service professional. William F.

Tate IV Washington University in St Louis This handbook represents the most comprehensive collection of research on African Americans in education to date Its breadth spans the historical the political institutional and community forces that have shaped educational opportunities and attainment among African Americans The review of extant research on a range of topics from the role of culture and identity in learning teacher preparation educational leadership to higher education and educational policy is far reaching and cutting edge This volume has historic significance and will become a classic collection on African American education for scholars and practitioners alike Carol D Lee Professor Northwestern University Vice President Division G American Educational Research Association This handbook is needed as a basic reference for professors and graduate students conducting research on the education of Blacks in America Frank Brown University of North Carolina at Chapel Hill
