Silent Rage Michael Newton, 2014-05-17 Inside the mind of one of the nation's most feared thrill killers Silent Rage is the shocking true history of serial killer Carroll Edward Eddie Cole Raised by an abusive mother and weak father Cole accomplished his first murder before he was ten years old He went on to murder at least 14 women Sexual attacks necrophilia and cannibalization peppered his wanderings Backed by 32 weeks of exclusive interviews with Cole and years of exhaustive research Michael Newton paints one of the most chilling true portraits of the development of a sociopathic personality ever made available to the public Newton traces Cole's gruesome career across four decades until Cole's execution by the state of Nevada They are law enforcement's most elusive prey More dangerous than hitmen gang assassins and crowd snipers the recreational killer is almost impossible to capture Choosing their victims at random drifting from town to town their brutal crimes leave a smoking trail of bloodshed across the nation and many of them are never apprehended until they decide to turn themselves in This year 3 500 thrill killings will go unsolved Cole's story is a searing lesson in the horror of crimes like this and the terrifying inability of our society to prevent them Pearl Jam FAQ Thomas E.

Dubner,2020-04-14 I'm publicly bisexual now I'll make all the musical theatre references I please I'll belt Cole Porter songs prancing on top of this bar if I want to His Royal Highness Prince Edward Nicholas William Desmond of Wales second son of Her Majesty Queen Victoria II of England and the Commonwealth The second son of the Queen of England has certain responsibilities Dress well smile at public events uphold the family honor be straight At sixteen Edward Kensington had been convinced that hiding his bisexuality was a small price to pay to protect his mother and siblings from yet another tabloid scandal in the wake of his parents high profile divorce But over ten years later even a closet the size of Buckingham Palace feels small and his secrets have only gotten harder to keep Like being in love with his bodyguard a man by the name of Isaac Cole Then he's outed by the press The official schedule has no time for an identity crisis even though every member of the royal family seems to be having one at once Eddie's estranged father shows up His sister flirts with the reporter hired to write their grandmother's biography His older brother harboring a secret of his own is more reluctant than ever to take up public facing duties and Her Majesty is considering going out on a date And now the Public Relations Office has set Eddie the task of finding himself a suitable fiancé But when Eddie learns that Isaac returns his decidedly inconvenient feelings keeping calm and carrying on becomes impossible Prince Charming never wished harder for a men's size 12 glass slipper but life in the spotlight isn't a fairy tale and there are some dragons not even a prince can fight alone For any one of them to steal a happily ever after the Kensingtons will have to pull together for the first time since the Second World War Hold on to your tiaras It's going to be a bumpy ride A total delight If Anthony Trollope wrote a soap opera about a modern royal family what you'd get is The Spare Cat Sebastian author of Hither Page Miranda Dubner has created a beautiful multi generational royal family saga with The Spare flawlessly weaving together the various dramas and romances of each character without shying away from difficult topics You'll fall into the story on the first page and you'll never want to leave Brina Starler author of the

Changer Jane Lindskold, Wild and unpredictable brother to the sea older than the creatures that walk the earth or swim in her waters the Changer delights in countless shapes When someone attempts to wipe out his family the Changer discards coyote form and descends from the wilderness to call in a few favors from none other than King Arthur himself But Arthur has problems of his own The Lustrum Review is about to meet and the tenuous accord that holds the athanor community in loose alliance is being challenged Some of the challengers merely desire to see a few restrictions dropped Others wish to see the Accord destroyed and if Arthur and his closest allies are destroyed with it they would be delighted For Arthur the Changer's arrival ominous as it may be could also be a wonderful opportunity to demonstrate how the Accord serves even the most ancient among their immortal community He also hopes that their alliance will serve to anchor this wild one more firmly to his cause Yet nothing is ever that simple Before the Changer takes his revenge those who have called themselves gods and have been the root of many a heroic legend will find themselves threatened with destruction The very earth itself will shake And a coyote pup sole survivor of the Changer's murdered family will discover both her weakness and her hidden strength New to this edition of Changer special introduction by the author
