Eden Temptation:

The Origin and Formation of the Gospel Yoseop Ra, 2015-02-19 This book shows readers the nature of Christian faith by exploring how the gospel was originated, formed and developed. As author Yoseop Ra demonstrates, the Christian faith began to develop during the conflict between Paul and the Jerusalem apostles while the redemptive death of Jesus Christ on the cross, the core of the gospel, was made through theological interpretation and spiritual confession. *The Origin and Formation of the Gospel* offers new interpretations based on a profound analysis of sources. First, author Yoseop Ra shows Q to have been redacted four times. Second, he identifies the original form of the first Christian gospel and separates Paul's seven genuine epistles into sixteen letters. Finally, Ra offers an analysis of four Gospels and other writings to argue that the redemptive role of the cross was introduced as a breakthrough on the part of Paul to overcome the Jerusalem apostles identifying the kingdom of God as the garden of Eden.

The Wisdom Compass to Eternal Life Abel Gashe, 2011-07-14 This book is about how the living soul can attain eternal peace and hence eternal life as a living soul would yield it when abiding in the Lord Jesus Christ. Tapping the Lord's Prayer as the authorized spiritual vehicle to communicate with God, this book attests that the name of the Lord Jesus Christ is the foundation, the seal of salvation, and the bearing point to overcome the world. By showing the intrinsic relationship of the invisible with the manifested world, the heavenly and the earthly, this book lucidly defines why the soul should glorify God as an end to life's purpose while seeking righteousness and fulfilling the commandments. By presenting ground-breaking revelations about the spiritual realm and hence the living God through the spiritual compass, this book would help the reader to discern wisdom about how to worship the Lord in truth and spirit, to see the glimpse of eternal life and enjoy eternal peace not as the world offers it but as the Lord Jesus confers it on the living soul.

The Temptation of Jesus Alexander Morris Stewart, 1903 In setting forth this interpretation of our Lord's temptation in the wilderness, the writer's aim and method are very simple. The aim is so to read and use every indication in the Gospel narratives that the plain facts of them shall meet the reader's imagination and be readily related with his experience. The method of this interpretation is nothing else than the keeping in view of this double significance that of the facts on the one hand which concern our Lord and that of their narration on the other hand which sends them on to us. Preface. *A Far-off Country* Martha C. Sammons, 2000 *A Far Off Country* offers a comprehensive introduction to C. S. Lewis' major works of fantasy fiction: *The Chronicles of Narnia*, *The Space Trilogy*, and *Till We Have Faces*. Drawing on Lewis' manuscripts as well as unpublished letters, Sammons provides a detailed background for the novels, including biographical information on Lewis as it pertains to each work. She thoroughly investigates the characters, symbols, and themes of the novels, highlighting the Christian doctrines that are embedded in them, in addition to the many Biblical parallels. Sammons also includes numerous references from Lewis' other books, ultimately relating the ideas presented in his written works to his Christian beliefs. Exhaustive in its analysis yet accessible to a wide audience, this book will excite those in search of an insightful guide to Lewis' works.
